When Love Is Not Enough D. S. Brown, 2016-03-16 Lawrence Chelton loved hard but at the same time it was all soft deep and lasting filled with a belief that soul mates really do exist He would do anything for the woman he loved He was tender caring strong and protective He knew how to stand and be the man a good woman would truly want so he believed When the woman he loved left him at the altar he changed He lost his belief in love He lost his respect for women He lost his ability to be decent to be a good man He no longer believed love was enough He didn't know what was enough what was life fulfilling However after the altar he felt it was only right to take advantage of as many women as possible in a depraved attempt to find the truth To him they deserved nothing but his contempt

The Laws of Nature for a Better Relationship Christopher Walker, 2009-02-12 It's totally refreshing to find a book written by a bloke for blokes about blokes in love This book is well overdue and women all over the world should be celebrating At last a bloke talking about evolve ya bastard to men What is great is the question and answer format So it's relevant and contextual I mean he's taken questions from people and answered them in as short a space of page as could be imagined I don't think he could have said less but in this case less is more The chapter about understanding others is awesome too Who would have thought that thousands of years ago people knew so much about the human constitution and how different folks need different strokes just from that alone we can understand the dynamics between ourselves and others better and therefore respect them more The last chapter blew us away Those two circles and the idea of being individual for more than 60% of our life yet merging for 30% is sensational It just makes being in love so much more fun Partners all over the world will really laugh at this when they see how simple it can be This is really life changing As for the laws of nature what genius It is said that the most powerful teacher can make the most complex simple Brilliant understanding of the whole entire universe in five short laws it's really unimaginable that it can be so ordered and perfect So is this book Also available from Trafford Publishing Personal Harmony The Laws of Nature for a Better Business The Laws of Nature for a Better Life The Laws of Nature for a Better Self

Love at Its Best When Church is a Mess Patrick Allen, 2020-09-30 Love at Its Best When Church Is a Mess is a collection of fifteen meditations drawn from 1 Corinthians 13 perhaps the most well known passage about love in Holy Scripture and certainly one of the most beloved passages found anywhere in the English language It is the centerpiece of many marriage ceremonies but as it turns out the Apostle Paul was not writing to young couples in love In fact he was writing to a church in a mess a big mess and what he told them has relevance for Christians today Most of

us will face a mess at one time or another in church Why Because church life is messy If you don't find a mess a mess will find you Each chapter contains personal stories a meditation and an examination of an aspect of love drawn from 1 Corinthians 13 the wisdom of Scripture some spiritual formation next steps and questions for reflection and discussion Suited for personal devotions or small discipleship groups Love at Its Best When Church Is a Mess invites all of us to an adventure of grace healing and spiritual growth Clearly faith sends us on a spiritual journey hope keeps us going but it is love at its best that bids us home

Jeff Wagner, good looking American, divorced, thwarted poet and journalist, crosses her path. He tries to liberate Rose from her fate. She refuses but leaves him her manuscript with the words "Read and if you still think you can help, come back." Sent on a quest to find the key to Rose's heart, Jeff has to confront his own past. True liberation for women implies the liberation of men, he reads. It dawns on him that Rose's betterment requires his evolution. Can he live up to the hopes of a woman equipped with the road map for the future? Will he agree to the changed role for men in the dawning era of women?

[Love in a Time of Fear](#) Cassie J. E. H. Trentaz, 2018-08-29 How do we love people who we are afraid of? The political climate of the US in recent years has revealed significant divisions in our nation and our neighborhoods, divisions often fueled by fear. For those who follow a call and commitment to love our neighbors, how do we love in the midst of this fear? In this book, Cassie Trentaz looks at that question in the eyes and asks her friends and neighbors in four communities currently facing pressure and often viewed with suspicion: immigrants, Muslim Americans, LGBTQ people, and young African American men. What feels like love to them and alternatively what does not? Trentaz brings their honest, heartfelt responses in their own words, helping us to know people we might not know and bringing us powerful stories of offerings of love that were received as love, as well as stories of good intentions that missed their mark. She then offers us tools to help us act on what we hear. This book is both an invitation and a toolbox for listening. It takes love from a good idea to a concrete force that can speak to our fears, reach across divisions, and just might heal our world.
