Williams, 2016-06-14 God is love there are few more quoted statements from all of Scripture Although wonderfully simple the idea that God is fundamentally loving is incredibly profound And yet sometimes we confuse God's love with our human understanding of love an understanding that is inherently imperfect sometimes self serving and often fickle Helping us walk in the belief that God is love not that love is God this book explores what the Bible actually teaches about how and what God loves Readers will discover that although we often misunderstand misuse and take for granted God's love it's actually more wonderful pure and satisfying than we ever imagined *The Psychology of Romantic Love* Nathaniel Branden, 2008-01-31 What love is why love is born why it sometimes grows and why it sometimes dies Have you ever wondered how romantic love evolves What the difference is between mature and immature love What role sex plays in romantic love and whether love necessarily implies sexual

exclusivity And most important how can we make love last Originally published in 1980 this updated edition of The Psychology of Romantic Love explores the nature of romantic love on many levels the philosophical the historical the sociological and the physiological Nathaniel Branden explains why so many people say that romantic love is just not possible in today s world and drawing on his experience with thousands of couples finds that such love is still a possibility for anyone who understands its essence and is willing to accept its challenges Branden sees it as a pathway not only to extraordinary joy but also to profound self discovery His vision of love is thoroughly appropriate to our time and grounded in our humanness

Jeffery L. Nicholas,2021-06-07 In Love and Politics Jeffery L Nicholas argues that Eros is the final rejection of an alienated life in which humans are prevented from developing their human powers Eros in contrast is an overflowing of acting into new realities and new beauties a world in which human beings extend their powers and senses Nicholas uniquely interprets Alasdair MacIntyre s Revolutionary Aristotelianism as a response to alienation defined as the divorce of fact from value However this account cannot address alienation in the form of the oppression of women or people of color Importantly it fails to acknowledge the domination of nature that blackens the heart of alienated life Alienation must be seen as a separation of the human from nature Nicholas turns to Aristotle first to uncover the way his philosophy embodies a divorce of human from nature then to reconstruct the essential elements of Aristotle s metaphysics to defend a philosophical anthropology based on Eros Love and Politics Persistent Human Desires as a Foundation for Liberation presents a critical theory that synthesizes MacIntyre s Revolutionary Aristotelianism Frankfurt School Critical Theory and Social Reproduction Theory It will be of great interest to political theorists and philosophers *Fowler on Matrimony* Orson Squire Fowler,1841 **Joyce's Love Stories** Christopher DeVault,2016-12-05 In his comprehensive study of love in James Joyce s writings Christopher DeVault suggests that a love ethic persists throughout Joyce s works DeVault uses Martin Buber s distinction between the true love for others and the narcissistic desire for oneself to frame his discussion showing that Joyce frequently ties his characters personal and political pursuits to their ability to affirm both their loved ones and their fellow Dubliners In his short stories and novels DeVault argues Joyce shows how personal love makes possible a broader social compassion that creates a more progressive body politic While his early protagonists narcissism limits them to detached engagements with Dublin that impede effective political action Joyce demonstrates the viability of his love ethic through both the Blooms empathy in Ulysses and the polylogic dreamtext of Finnegans Wake In its revelation of Joyce s amorous alternative to the social and political paralysis he famously attributed to twentieth century Dublin Joyce s Love Stories allows for a better appreciation of the ethical and political significance underpinning the author s assessments of Ireland The Path to Love Deepak Chopra, M.D.,2007-12-18 NEW YORK TIMES BESTSELLER A remarkable fusion of Eastern wisdom and Western practicality that

offers strategies for clearing away the obstacles to love your life for restoring the boundless soul of love and for finding romance that will last a lifetime Drawing on the Vedic texts of India and other great wisdom traditions Dr Deepak Chopra describes the seven stages of love beginning and culminating in ecstasy At each stage we hear stories like those of Clare who only falls in love with unattainable men of Frankie and Della whose eight year old marriage has become a battleground of distrust and of Gail and Jarrett who near retirement without understanding how they will fit together into their new lives As we see these couples overcome their obstacles and as we work through a series of specific exercises we anchor these lessons in our own experience We all know the only way to enjoy the ecstasy of true romance for a lifetime is first to discover love within ourselves but this task has often proved too difficult Until now In The Path to Love you will find an astonishing blueprint to the uncharted territory of your own heart First Dr Chopra orients us with timeless wisdom and contemporary real life examples then guides us step by step on the path to love And once we discover the love inside ourselves we start to see it everywhere in lovers husbands wives mothers fathers brothers sisters friends until our own lives become self sustaining acts of passion romantic and fulling and miraculous

Vladimir Jankélévitch and the Question of Forgiveness

Alan Udoff,2013-02-14 The essays focus on the work of Vladimir Jank l vitch as a moral philosopher particularly that aspect of his work dealing with the question of forgiveness They treat topics such as the place of moral philosophy in relation to his work as a whole his relationship to contemporary French thought and the backgrounds of classical Judaic tradition and world literature The centerpiece of this tableau is Jank l vitch s book Le Pardon Forgiveness Chief among the distinguishing characteristics is its rigorous defense of what might be termed a forgiveness free of the entanglements that taint the common understanding of forgiveness what Jank l vitch refers to as pseudo forgiveness The advocacy of forgiveness in the name of political or social expediency as well as the psychological benefit for the victim are similarly repudiated In their place Jank l vitch substitutes a radical forgiveness that is initial sudden spontaneous not able to erase the past but able to create a new future and thereby a new relationship to the past He does not permit even this future however to serve as forgiveness s justification For him beyond all justifications beyond justice itself forgiveness is a gift akin to love
