Nearly 500 entries cover everything from the British television cult classic *The Avengers* to the Vietnam War and the civil rights movement. The two-volume work also includes biographies of artists, architects, authors, statesmen, military leaders, and cinematic stars, concentrating on what each individual accomplished during the 1960s, with brief postscripts of their lives beyond the period. There was much more to the Sixties than flower power and LSD, and the entries in this encyclopedia were compiled with an eye to providing a balanced view of the decade.
