Love, Marriage, Celibacy and Divorce J. D. Buck, 2005-12-01 This scarce antiquarian book is a facsimile reprint of the original. Due to its age, it may contain imperfections such as marks, notations, marginalia, and flawed pages. Because we believe this work is culturally important, we have made it available as part of our commitment for protecting, preserving, and promoting the world's literature in affordable, high-quality modern editions that are true to the original work. **The Soul and Sex in Education, Morals, Religion, and Adolescence** Jirah Dewey Buck, 1912 **The Great psychological crime**, 1902 Questions on Natural Science and the Harmonic Philosophy John Emmett Richardson, 1913 *Women in the Chinese Enlightenment* Zheng Wang, 2023-11-15 Centering on five life stories by Chinese women activists born just after the turn of this century, this first history of Chinese May Fourth feminism disrupts the Chinese Communist Party's master narrative of Chinese women's liberation, reconfigures the history of the Chinese Enlightenment from a gender perspective, and addresses the question of how feminism engendered social change cross-culturally. In this multilayered book, the first-person narratives are complemented by a history of the discursive process and the author's sophisticated intertextual readings. Together, the parts form a fascinating historical portrait of how educated Chinese men and women actively deployed and appropriated ideologies from the West in their pursuit of national salvation and self-emancipation. As Wang demonstrates, feminism was embraced by men as instrumental to China's modernity and by women as pointing to a new way of life.
