

A photograph of a dirt road winding through a forest. The trees on either side have autumn-colored foliage in shades of orange, yellow, and brown. The road leads towards a bright light at the end of the path, creating a strong perspective. The overall mood is serene and contemplative.

Only love matters in the bits

Love Matters More Jared Byas, 2020-09-08 For years Christians have argued debated and fought one another while speaking the truth in love yet we are no closer to the grace filled life Jesus modeled Biblical scholar and popular podcast host of *The Bible for Normal People* Jared Byas casts a new vision for the Christian life that is built not on certainty but on the risk of love A biblically based Christian life is not grounded in having all the answers but in a living relationship This ultimately shifts our focus from collecting the right answers to loving others deeply and authentically With stories and insights drawn from his years as a pastor professor and podcast host Jared Byas calls us back to the heart of the Bible that truth is only true when it is lived out in love In a refreshing voice that is both witty and profoundly revelatory Jared unpacks the concept of truth its meaning and why we so often fight over it He makes a compelling case for how what we believe is less important than how we believe it and that more than anything else telling the truth in love is about following Jesus For anyone who has ever felt forced to choose between truth and love acceptance and rightness this book offers a path forward beyond truth wars and legalistic religion to a love that matters more

Love's Vision Troy Jollimore, 2011-07-05 Love often seems uncontrollable and irrational but we just as frequently appear to have reasons for loving the people we do In *Love's Vision* Troy Jollimore offers a new way of understanding love that accommodates both of these facts arguing that love is guided by reason even as it resists and sometimes eludes rationality At the same time he reconsiders love's moral status acknowledging its moral dangers while arguing that it is at heart a moral phenomenon an emotion that demands empathy and calls us away from excessive self concern Love is revealed as neither wholly moral nor deeply immoral neither purely rational nor profoundly irrational Rather as Diotima says in Plato's *Symposium* love is something in between Jollimore makes his case by proposing a vision view of love according to which loving is a way of seeing that involves bestowing charitable attention on a loved one This view recognizes the truth in the cliché love is blind but holds that love's blindness does not undermine the idea that love is guided by reason Reasons play an

important role in love even if they rest on facts that are not themselves rationally justifiable Filled with illuminating examples from literature Love s Vision is an original examination of a subject of vital philosophical and human concern Music in English Children's Drama of the Later Renaissance Linda Phyllis Austern,2024-09-30 Originally published in 1992 Music in English Children s Drama of the Later Renaissance is the first book length study to examine the Elizabethan and Jacobean children s drama not only from a musicological perspective but also drawing on the histories of literature culture and the theater It gives the children s companies new historical significance showing that they were an integral and ultimately influential part of the London theatrical world These companies originated important features of later drama such as music before and between acts and the exploitation of different timbres for specific effects Those interested in music history English literature theater history and cultural history will find this a comprehensive and fascinating study Of special note are the appendices which offer a unique and important reference source by providing the only definitive list of the plays and songs used by the children *Words Kids Need to Hear* David Staal,2009-05-26 Words matter Words can build up or words can tear down As parents and church leaders do we use our words well Words Kids Need to Hear offers compelling yet simple ways to build up the hearts of children through meaningful and well chosen words What children hear from adults they trust makes a significant impact now and for years to come Words Kids Need to Hear offers an easy to follow learning path Each of the seven chapters focuses on a single statement kids need to hear from parents children s workers and other close adults These seven statements are simple to share yet guaranteed to make a profound impact on a child s life They are I Believe in You You Can Count on Me I Treasure You I m Sorry Please Forgive Me Because No I Love You Each chapter seeks to educate first equip and then motivate to action Words Kids Need to Hear helps parents and children s workers use words to build up the hearts of elementary age children resulting in closer parent child relationships that pave a path toward a relationship with God **The Anatomy of Melancholy ...** Robert Burton,1838 **The anatomy of melancholy, by Democritus iunior** Robert Burton,1838 **A Kingdom Word Now** Lu Ann Topovski,2023-09-27 For the word of God is live and active Sharper than any double edged sword it penetrates even to dividing soul and spirit joints and marrow it judges the thought and attitudes of the heart Hebrews 4 12 NIV The contributing authors in this 30 day devotional have been guided by the Holy Spirit to share a Word with the Kingdom NOW The God inspired chapters are filled with hope healing joy strength forgiveness and love while illustrating the power of God s Word God is calling you to a deeper relationship with Jesus and spiritual growth May you be transformed by a Kingdom Word NOW To give back 25% of the proceeds from this book will be used to support human trafficking survivors FAILURE IS THE BEST WAY TO SUCCESS - You Are A Champion Ebonie Caldwell,2017-05-06 Learn how to overcome the illusions of failure Failure Is The Best Way To Success will teach you everything you need to climb the ladder of success and keep it Without the pain of failure you will never discover your true destiny as a leader Failure is the most powerful tool that you can ever use in life Life is like a campaign You either win or you
