**Show Me Love 2** Vaneecia, 2017-02-01 With Keyana's life hanging in the balance everything is in the air with only one thing for sure somebody has to pay With everything up in the air it seems as though nothing can get worse until Rome's work follows him home and he can't seem to escape it Meanwhile Cash and Shay just can't seem to get it right No matter what one of them appears to be just left of the other and it looks as though they will never sync up The only question left Is it worth it or should they just let it go With all these outside forces it seems as though the family Keyana had built will slowly but surely be destroyed Will Rome be able to fix everything for them And perhaps most importantly will Key ever wake up
