Love My Rifle More Than You Young And Female In The U S Army

John A. Wood

Love My Rifle More Than You Young And Female In The U S Army:

Love My Rifle More than You: Young and Female in the U.S. Army Kayla Williams, Michael E. Staub, 2006-09-17
Brave honest and necessary Nancy Pearl NPR Seattle Kayla Williams is one of the 15 percent of the U S Army that is female and she is a great storyteller With a voice that is funny frank and full of gritty details New York Daily News she tells of enlisting under Clinton of learning Arabic of the sense of duty that fractured her relationships of being surrounded by bravery and bigotry sexism and fear of seeing 9 11 on Al Jazeera and of knowing she would be going to war With a passion that makes her memoir nearly impossible to put down Buffalo News Williams shares the powerful gamut of her experiences in Iraq from caring for a wounded civilian to aiming a rifle at a child Angry at the bureaucracy and the conflicting messages of today s military Williams offers us a raw unadulterated look at war San Antonio Express News and at the U S Army And she gives us a woman s story of empowerment and self discovery

Love My Rifle More Than You: Young and Female in the U.S. Army Kayla Williams, Michael E. Staub, 2006-08-29 An account of the experiences of women soldiers relates the author s decision to enlist her relationship with a Palestinian boyfriend her witness to the events of September 11 as portrayed on Arabic television and her deployment to Iraq

Women and Gender Perspectives in the Military Robert Egnell, Mayesha Alam, 2019-02-01 Women and Gender Perspectives in the Military compares the integration of women gender perspectives and the women peace and security agenda into the armed forces of eight countries plus NATO and United Nations peacekeeping operations This book brings a much needed crossnational analysis of how militaries have or have not improved gender balance what has worked and what has not and who have been the agents for change The country cases examined are Sweden the Netherlands Canada the United States the United Kingdom Israel Australia and South Africa Despite increased opportunities for women in the militaries of many countries and wider recognition of the value of including gender perspectives to enhance operational effectiveness progress has encountered roadblocks even nearly twenty years after United Nations Security Council Resolution 1325 kicked off the women peace and security agenda Robert Egnell Mayesha Alam and the contributors to this volume conclude that there is no single model for change that can be applied to every country but the comparative findings reveal many policy relevant lessons while advancing scholarship about women and gendered perspectives in the military

Gendered Wars, Gendered Memories Ayşe Altınay, Andrea Pető, 2016-04-06 The Introduction of this book is freely available as a downloadable Open Access PDF under a Creative Commons Attribution Non Commercial No Derivatives 4 0 license available at <http://www.taylorfrancis.com/books/e/9781315584225> The twentieth century has been a century of wars genocides and violent political conflict a century of militarization and massive destruction It has simultaneously been a century of feminist creativity and struggle worldwide witnessing fundamental changes in the conceptions and everyday practices of gender and sexuality What are some of the connections between these two seemingly disparate characteristics of the past century And how do collective memories figure into these connections Exploring the

ways in which wars and their memories are gendered this book contributes to the feminist search for new words and new methods in understanding the intricacies of war and memory From the Italian and Spanish Civil Wars to military regimes in Turkey and Greece from the Armenian genocide and the Holocaust to the wars in Abkhazia East Asia Iraq Afghanistan former Yugoslavia Israel and Palestine the chapters in this book address a rare selection of contexts and geographies from a wide range of disciplinary perspectives In recent years feminist scholarship has fundamentally changed the ways in which pasts particularly violent pasts have been conceptualized and narrated Discussing the participation of women in war sexual violence in times of conflict the use of visual and dramatic representations in memory research and the creative challenges to research and writing posed by feminist scholarship Gendered Wars Gendered Memories will appeal to scholars working at the intersection of military war memory and gender studies seeking to chart this emerging territory with feminist curiosity

Military Sexual Trauma: Current Knowledge and Future Directions Carolyn Allard, Melissa Platt, 2014-06-11

Military Sexual Trauma Current Knowledge and Future Directions showcases the work of several prominent military sexual trauma MST researchers scholars and clinicians from across the United States A review of existing research and original empirical findings converge to indicate that MST contributes to a range of physical health problems complex posttraumatic responses and other mental health consequences above and beyond the effects of other types of traumatic experiences This collection also presents evidence suggesting that MST is often difficult to identify both within the individual military member and within the military population as a whole Recommendations are offered for addressing this problem In addition to the research review and empirical findings an evolutionary framework for understanding sexual assault of women in the military is presented Taken together this collection of works may inform MST intervention and prevention efforts This book was originally published as a special issue of Journal of Trauma Dissociation Gender for the Warfare State Robin Truth Goodman, 2016-10-14 Gender for the Warfare State is the first scholarly investigation into the written works of U S women combat veterans in twenty first century wars Most recent studies quantify military participation showing how many women participate in armed services and what their experiences are in a traditionally male institution Many of these treatments regard women as victims solely of enemy fire even as they are also often victims of their own military apparatus and of their own involvement in global aggression By applying literary analysis to a sociological question Gender for the Warfare State views women s experiences through story and literary traditions that carry meaning into present practices Goodman shows that women in combat are not just entering and being victimized in male institutions but are also actively changing the story of gender and thus the structure of power that is constructed through gender Moreover this book unveils a new narrative of care that affects economic relations more broadly and the contemporary politics of the liberal social contract Women s participation in combat is not just a U S event but global and therefore has a deeper historical range than current sociological accounts imply The book compares the political contexts of women s entry into war now with their prior

twentieth century contributions to wars in other cultural settings and then uses this comparison to show a variety of meanings at play in the gender of war Earning Their Wings Sarah Parry Myers, 2023-09-14 Established by the Army Air Force in 1943 the Women's Airforce Service Pilots WASP program opened to civilian women with a pilot's license who could afford to pay for their own transportation training and uniforms Despite their highly developed skill set rigorous training and often dangerous work the women of WASP were not granted military status until 1977 denied over three decades of Army Air Force benefits as well as the honor and respect given to male and female World War II veterans of other branches Sarah Parry Myers not only offers a history of this short lived program but considers its long term consequences for the women who participated and subsequent generations of servicewomen and activists Myers shows us how those in the WASP program bonded through their training living together in barracks sharing the dangers of risky flights and struggling to be recognized as military personnel and the friendships they forged lasted well after the Army Air Force dissolved the program Despite the WASP program's short duration its fliers formed activist networks and spent the next thirty years lobbying for recognition as veterans Their efforts were finally recognized when President Jimmy Carter signed a bill into law granting WASP participants retroactive veteran status entitling them to military benefits and burials **Heroines of Comic Books and Literature**

Maja Bajac-Carter, Norma Jones, Bob Batchelor, 2014-03-14 Despite the growing importance of heroines across literary culture and sales figures that demonstrate both young adult and adult females are reading about heroines in droves particularly in graphic novels comic books and YA literature few scholarly collections have examined the complex relationships between the representations of heroines and the changing societal roles for both women and men In *Heroines of Comic Books and Literature* Portrayals in Popular Culture editors Maja Bajac Carter Norma Jones and Bob Batchelor have selected essays by award winning contributors that offer a variety of perspectives on the representations of heroines in today's society Focused on printed media this collection looks at heroic women depicted in literature graphic novels manga and comic books Addressing heroines from such sources as the Marvel and DC comic universes manga and the Twilight novels contributors go beyond the account of women as mothers wives warriors goddesses and damsels in distress These engaging and important essays situate heroines within culture revealing them as tough and self sufficient females who often break the bounds of gender expectations in places readers may not expect Analyzing how women are and have been represented in print this companion volume to *Heroines of Film and Television* will appeal to scholars of literature rhetoric and media as well as to broader audiences that are interested in portrayals of women in popular culture *Waging Gendered Wars* Paige Whaley Eager, 2016-02-24 *Waging Gendered Wars* examines through the analytical lens of feminist international relations theory how U S military women have impacted and been affected by the wars in Iraq and Afghanistan Although women were barred from serving formally in ground combat positions within the U S armed forces during both wars U S female soldiers are being killed in action By examining how U S military women's agency as soldiers veterans and casualties of war affect the planning

and execution of war Whaley Eager assesses the ways in which the global world of international politics and warfare has become localized in the life and death narratives of female service personnel impacted by combat experience homelessness military sexual trauma PTSD and the deaths of fellow soldiers

Managing Sex in the U.S. Military Beth Bailey, Alesha E. Doan, Shannon Portillo, Kara Dixon Vuic, 2022-05 Historians and policy scholars offer insight into the ways the U S military manages the sexual behaviors practices and identities of its service members

Women in the United States Armed Forces Darlene M. Iskra, 2010-03-23 This handbook provides the reader with an historical and contemporary overview of the service by women in all branches of the U S military tracing the causes and effects of evolving policies issues structural barriers and cultural challenges on the record and in the future of the accomplishments by women warriors Women in the United States Armed Forces A Guide to the Issues covers over a century of accomplishments of military women from the Civil War to the current wars in the Middle East Readers will learn for example that during World War II 565 women in the Women s Army Corps stationed in the Pacific theater received combat decorations proving that women had the courage strength and stamina to perform in a combat environment They will also learn that perhaps surprisingly it wasn t until the mid to late 1970s that women had their first opportunities to serve at sea and as aviators crew as well as pilots albeit on noncombatant ships and aircraft The book s final four chapters discuss the issues that continue to plague women in the military including sexual harassment noting that women s performance in America s two front wars in Iraq and Afghanistan have made a positive difference in attitudes The handbook closes with an epilogue that is at once a summary of the issues and a call for action

Write That Memoir Right Now Kim Brittingham, 2013-01-01 If you want to put your life story down in words where do you start Exactly what story are you hoping to tell How are you going to fill hundreds of pages How do you plan it out Memoirist blogger and writing teacher Kim Brittingham shares her insight into getting started with your writing and crafting your memoir Starting with the basic questions every writer should ask themselves such as why do you want to write a memoir what story do you want to tell what form should your story take who is the audience and most importantly why does anyone care Kim shares her experience and her wisdom reviewing key aspects of the writing process including characterization plotting theme focus point of view editing and revising And she adds extra information on the business of getting published and ways to get your story read

Gender Matters in Global Politics , *Welcome to the Suck* Stacey Peebles, 2011-04-15 Our collective memories of World War II and Vietnam have been shaped as much by memoirs novels and films as they have been by history books In *Welcome to the Suck* Stacey Peebles examines the growing body of contemporary war stories in prose poetry and film that speak to the American soldier s experience in the Persian Gulf War and the Iraq War Stories about war always encompass ideas about initiation masculinity cross cultural encounters and trauma Peebles shows us how these timeless themes find new expression among a generation of soldiers who have grown up in a time when it has been more acceptable than ever before to challenge cultural and societal norms and who now have unprecedented and

immediate access to the world away from the battlefield through new media and technology Two Gulf War memoirs by Anthony Swofford *Jarhead* and Joel Turnipseed *Baghdad Express* provide a portrait of soldiers living and fighting on the cusp of the major political and technological changes that would begin in earnest just a few years later The Iraq War a much longer conflict has given rise to more and various representations Peebles covers a blog by Colby Buzzell *My War* memoirs by Nathaniel Fick *One Bullet Away* and Kayla Williams *Love My Rifle More Than You* a collection of stories by John Crawford *The Last True Story I'll Ever Tell* poetry by Brian Turner *Here Bullet* the documentary *Alive Day Memories* and the feature films *In the Valley of Elah* and the winner of the 2010 Oscar for Best Picture *The Hurt Locker* both written by the war correspondent Mark Boal Books and other media emerging from the conflicts in the Gulf have yet to receive the kind of serious attention that Vietnam War texts received during the 1980s and 1990s With its thoughtful and timely analysis *Welcome to the Suck* will provoke much discussion among those who wish to understand today's war literature and films and their place in the tradition of war representation more generally

Veteran Narratives and the Collective Memory of the Vietnam War John A. Wood, 2016-04-25 In the decades since the Vietnam War veteran memoirs have influenced Americans understanding of the conflict Yet few historians or literary scholars have scrutinized how the genre has shaped the nation's collective memory of the war and its aftermath Instead veterans accounts are mined for colorful quotes and then dropped from public discourse are accepted as factual sources with little attention to how memory no matter how authentic can diverge from events or are not contextualized in terms of the race gender or class of the narrators *Veteran Narratives and the Collective Memory of the Vietnam War* is a landmark study of the cultural heritage of the war in Vietnam as presented through the experience of its American participants Crossing disciplinary borders in ways rarely attempted by historians John A Wood unearths truths embedded in the memoirists treatments of combat the Vietnamese people race relations in the United States military male female relationships in the war zone and veterans postwar troubles He also examines the publishing industry's influence on collective memory discussing for example the tendency of publishers and reviewers to privilege memoirs critical of the war *Veteran Narratives* is a significant and original addition to the literature on Vietnam veterans and the conflict as a whole

Handbook on Gender and Violence Laura J. Shepherd, Containing contributions from leading experts in the field this Handbook explores the many ways gender and violence interact across different contexts and offers a range of disciplinary perspectives This comprehensive volume connects micro level interpersonal violence to macro level structural forms of violence across three discrete but interrelated sections concepts representations and contexts

Women in War Rebecca Rissman, 2016-08-15 Women have made a difference in every field imaginable and they continue to do so today *Women's Lives in History* introduces readers to dozens of these remarkable people *Women in War* features groundbreaking figures in medicine on the front lines on the homefront and in many other roles Compelling text and vivid photographs bring these women to life Features include essential facts a timeline a glossary

additional resources source notes and an index Aligned to Common Core Standards and correlated to state standards
Essential Library is an imprint of Abdo Publishing a division of ABDO *The Cambridge History of Nationhood and Nationalism: Volume 2, Nationalism's Fields of Interaction* Cathie Carmichael,Matthew D'Auria,Aviel Roshwald,2023-11-09
This major new reference work with contributions from an international team of scholars provides a comprehensive account of ideas and practices of nationhood and nationalism from antiquity to the present It considers both continuities and discontinuities engaging critically and analytically with the scholarly literature in the field In volume II leading scholars in their fields explore the dynamics of nationhood and nationalism s interactions with a wide variety of cultural practices and social institutions in addition to the phenomenon s crucial political dimensions The relationships between imperialism and nationhood nationalism and between major world religions and ethno national identities are among the key themes explained and explored The wide range of case studies from around the world brings a truly global comparative perspective to a field whose study was long constrained by Eurocentric assumptions When Janey Comes Marching Home Laura

Browder,Sascha Pflaeging,2010-05-01 While women are officially barred from combat in the American armed services in the current war where there are no front lines the ban on combat is virtually meaningless More than in any previous conflict in our history American women are engaging with the enemy suffering injuries and even sacrificing their lives in the line of duty When Janey Comes Marching Home juxtaposes forty eight photographs by Sascha Pflaeging with oral histories collected by Laura Browder to provide a dramatic portrait of women at war Women from all five branches of the military share their stories here stories that are by turns moving comic thought provoking and profound Seeing their faces in stunning color photographic portraits and reading what they have to say about loss comradeship conflict and hard choices will change the ways we think about women and war Serving in a combat zone is an all encompassing experience that is transformative life defining and difficult to leave behind By coming face to face with women veterans we who are outside that world can begin to get a sense of how the long wars in Iraq and Afghanistan have shaped their lives and how their stories may ripple out and influence the experiences of all American women The book accompanies a photography exhibit of the same name opening May 1 2010 at the Women in Military Service to America Memorial at Arlington National Cemetery and continuing to travel around the country through 2011 **The Palgrave International Handbook of Gender and the Military** Rachel

Woodward,Claire Duncanson,2017-06-27 The Palgrave International Handbook of Gender and the Military provides a comprehensive overview of the multiple ways in which gender and militaries connect International and multi disciplinary in scope this edited volume provides authoritative accounts of the many intersections through which militaries issues and military forces are shaped by gender The chapters provide detailed accounts of key issues informed by examples from original research in a wealth of different national contexts This Handbook includes coverage of conceptual approaches to the study of gender and militaries gender and the organisation of state military forces gender as it pertains to military forces in

action transitions and transgressions within militaries gender and non state military forces and gender in representations of military personnel and practices With contributions from a range of both established and early career scholars The Palgrave International Handbook of Gender and the Military is an essential guide to current debates on gender and contemporary military issues

Love My Rifle More Than You Young And Female In The U S Army Book Review: Unveiling the Magic of Language
