## Love Of Her Own:

**A Love of Her Own (Heart of the West Book #3)** Maggie Brendan, 2010-06-01 April McBride has suffered a broken engagement once before and fully intends to guard her heart when she travels to Lewistown Montana to attend her brother's wedding. One look around the small mining town convinces April that this won't be difficult just a bunch of dusty shops, bad service and ill bred cowboys. But a run in with a horse trainer named Wes Owen opens up vast possibilities for frustration, embarrassment, friendship and love. Can April and Wes see past their differences in order to envision a future together? Readers will love going on this adventurous, spark filled ride through turn of the century Montana. Praise for Maggie Brendan: Brendan's gentle style of prairie romance is reminiscent of Janette Oke capturing the heart of the old West with romance that will make you sigh. Julie Lessman, author of the Daughters of Boston series. Brendan blends colorful characters, lively dialogue and intriguing historical details. Amanda Cabot, author of *Paper Roses* and *Scattered Petals*. **The Variety of Values** Susan R. Wolf, 2015. For over thirty years Susan Wolf has been writing about moral and nonmoral values and the relation between them. This volume collects Wolf's most important essays on the topics of morality, love and meaning ranging from her classic essay *Moral Saints* to her most recent *The Importance of Love*. Wolf's essays warn us against the common tendency to classify values in terms of a dichotomy that contrasts the personal, self interested or egoistic with the impersonal, altruistic or moral. On Wolf's view this tendency ignores or distorts the significance of such values as love, beauty and truth and neglects the importance of meaningfulness as a dimension of the good life. These essays show us how a self conscious recognition of the variety of values leads to new understandings of the point, the content and the limits of morality and to new ways of thinking about happiness and well being. **Justice in Love** Nicholas Wolterstorff, 2015-05-15 *Love From Heaven* Lorna Byrne, 2017-02-14. Bestselling author and mystic Lorna Byrne teaches us how to have more compassion for both ourselves and others and to see all the love around us in this powerful and moving book perfect for fans of Louise Hay and Doreen Virtue. Lorna Byrne, an Irish mystic, has been seeing angels since she was a baby but she sees even more than that. In *Love from Heaven* she reveals for the first time that she sees love as a physical force. Lorna first became conscious that the angels were teaching her about love when she was five years old and today she can see how love manifests in each of us. She sees that newborn babies are full of pure love and that many teenagers and adults seem surrounded at the heart level by a transparent but ironlike band which restricts that love. We are all pure love but nine out of ten of us have locked away most of this love within ourselves. This love remains there though indestructible and ready to be released if only we can learn to love ourselves first. *Love from Heaven* will transform the way you think about love, stir up the love within and make you more compassionate leading to a happier life for you and those around you. *70 Greatest Love Stories in Fiction (Historical Novels Edition)* Georgette Heyer, W.
