Love Of My Own A Novel:

Complete Novels Anthony Trollope, 2023-12-17 Anthony Trollope's Complete Novels showcases a remarkable tapestry of Victorian society woven with astute social commentary, intricate characterizations, and engaging narratives. Spanning a career marked by prolific output, Trollope's novels explore themes of ambition, class, and morality, often within the framework of the emerging modern world. His distinctive narrative voice, distinguished by its satirical edge and keen psychological insight, invites readers into the lives of his multifaceted characters, illuminating the complexities of their desires and dilemmas against a backdrop of the evolving English landscape. Trollope, a member of the upper middle class born in 1815, drew upon his experiences in a variety of professions, including the Post Office, parliamentary life, and travel, for inspiration within his works. His candid portrayals of the human condition reflect both personal experiences and keen observations of the societal shifts during the Victorian era. Notably, his use of serialized storytelling not only shaped his narrative technique but also reflected the demands and expectations of an ever-growing readership. For readers seeking a comprehensive understanding of Victorian literature and society, Complete Novels offers an invaluable resource. Trollope's incisive critiques and relatable characters resonate across time, making this collection essential for both scholars and new readers alike who wish to grasp the intricate interplay of social forces at work during his time.

Story Llewellyn Vaughan-Lee,2011-09-01 The mystical path is the most intoxicating and paradoxical difficult and even dangerous journey one can ever take Fragments of a Love Story is a series of personal writings describing the passionate love heartache and confusion that belong to this journey In particular Llewellyn Vaughan Lee explores what for him is a

central paradox what belongs to the individual the I who makes the journey and what belongs to God Whose journey really is it He discusses this primary mystical question from his own experiences of 40 years travelling the mystical path within the context of the Sufi tradition Some of these passages are very personal heartfelt full of contradictions and difficulties he has experienced Other passages are more objective more detached placing his experiences and questions clearly within this ancient mystical tradition In this way he shows how the Sufi path is lived today by a contemporary mystic Fragments of a Love Story takes the reader beneath the surface into the heart of the mystical relationship with the Divine which for the Sufi is the relationship of lover and Beloved He describes how this secret love affair is within the heart of each of us waiting to come alive unique to each of us and yet how confusing it can be especially for our rational Western consciousness This book is about the story of the soul and the passion that exists within the core of our being and how demanding and difficult it is to live this love affair But it also describes the beauty wonder and power of the divine love that awakens within the heart a love that is within each of us Llewellyn Vaughan Lee is a Sufi teacher and author and these writings come from his own experience of the Sufi path
