with us Mathews explores the transformative effects of a substitution of the latter panpsychist premise for the former materialist one She suggests that to exist in a dialogical modality is to enter an expanded realm of eros in which the self and world are mutually kindled into a larger more incandescent state of realization She argues that any adequate philosophical response to the so called environmental crisis cannot be encompassed within the minor discipline of environmental philosophy but must instead address the full range of existential questions *Odes of Love* Gopal Vishwanath,2016-11-14 Odes of Love by Gopal Vishwanath LOVE is a very powerful emotion and the role of women in this magic word is an undeniable truth With Odes of Love Gopal Vishwanath seeks to illuminate the paths of all those who have come under the spell of Love but are now stumbling groping in the darkness of misunderstanding dying passions and strained relationships With these beautifully crafted odes about the puissant roles women play and the exquisite moments they create in this most profound emotion an emotion which all of humanity experience at some point in their lifetime Gopal hopes to regenerate lost loves or at least make the lovers cast fresh eyes on an ongoing relationship **Love Wins** Barbara Cartland,2018-09-01 On his return after six years fighting with the Duke of Wellington in the Napoleonic Wars Colonel Romney Wood who has just become Lord Heywood is horrified at the state of the country he left behind where agricultural labourers are now starving food shops are bare and Luddites lay waste new agricultural machinery Worse still his own estate is almost bankrupt and he has to find something to sell to save it and his loyal staff from penury He is considerably hampered because his grandfather has legally entailed everything of value onto future generations of Lord Heywoods and so he cannot dispose of virtually anything without the Trustees approval which he knows will not be forthcoming Scouring Heywood Abbey his country home for possible items to sell he is astonished when he stumbles across something he is soon to prize beyond price a beautiful fawn like young girl with deep blue eyes in a white diaphanous nightgown She is an interloper and a runaway hiding from her wicked uncle who is forcing her into marriage with a man she despises Her name is Lalita But more than that she will not tell Lord Heywood Yet slowly she reveals more of herself to him and with each revelation the bond between them grows And in spite of himself Lord Heywood is falling in love They are two people with nothing left to lose and maybe only love to win
