This book seeks to imagine the possibility of a more loving masculinity in a society where structural violence, failures of government, and economic inequality underpin much of the violent behavior that men display. Enriched with personal reflections on his own experiences as a partner, father, psychologist, and researcher in the field of men and masculinities, *Why Men Hurt Women and Other Reflections on Love, Violence and Masculinity* is Kopano Ratele's meditation on love and violence and the way these forces shape the emotional lives of boys and men. At the core of these critical and deeply insightful texts is the question of why men hurt women they love. Ratele contends that many men in our society suffer from a painful, unrecognized, yet consequential love hunger that sets in during boyhood. This need for love may lie at the root of some of the male violence that damages the lives of women, children, and men themselves. Blending academic analysis and rigor in a readable narrative style, Ratele illuminates the complex nuances of gender, intimacy, and power in the context of the human need for love and care. While unsparing in his analysis of men's inner lives, Ratele lays out a path for addressing the hunger for love in boys and men. He argues that just as the beliefs and practices relating to gender, sexuality, and the nature of love are constantly being challenged and revised, so our ideas about masculinity and men's and boys' capacity to show genuine loving care for each other and for women can evolve. **The Journey of Psychosynthesis** Will Parfitt, 2024-10-29 A unique blend of perennial wisdom and modern psychological practice, *The Journey of Psychosynthesis* is unique in several ways. It is the first book on psychosynthesis based on a defined path of learning that has been refined and proven over more than 20 years through a successful distance education course. Written in an easy style, it makes the contents accessible to a wide range of readers. Everyone interested in self-development or just simply in making better choices in their life will find it useful.
