traditional culture and religion In modernity however we are said to have effectively sanitized it embalmed it and packaged it but it seems that death is back In the current era marked by economic political and social uncertainty we see it on television on the Internet we see it almost everywhere Inter Facing Death analyzes the nexus of death and digital culture in the contemporary moment in the context of recent developments in social cultural and political theory It argues that death today can be thought of as interfaced that is mediated and expressed in various aspects of contemporary life rather than put to the side or overcome as many narratives of modernity have suggested Employing concepts from anthropology sociology media studies and communications Inter Facing Death examines diverse phenomena where death and digital culture meet including art online suicide pacts the mourning of celebrity deaths terrorist beheadings and selfies Providing new lines of thinking about one of the oldest questions facing the human and social sciences this book will appeal to scholars and students of social and political theory anthropology sociology and cultural and media studies with interests in death      *Woody on Rye* Vincent Brook, Marat Grinberg, 2013-12-03 Although Woody Allen s films have received extensive attention from scholars and critics no book has focused exclusively on Jewishness in his work particularly that of the late 1990s and beyond In this anthology a distinguished group of contributors whose work is richly contextualized in the fields of literature philosophy film theater and comedy examine the schlemiel Allen and women the Jewish take on the morality of murder Allen s take on Hebrew scripture and Greek tragedy his stage work his cinematic treatment of food and dining and what happens to Jew York when Woody takes his films out of New York City Considered together these essays delineate the intellectual artistic and moral development of one of cinema s most durable and controversial directors      *The Concise New Makers of Modern Culture* Justin Wintle, 2008-11-28 A Who s Who of Western culture from Woody Allen to Emile Zola Containing four hundred essay style entries and covering the period from 1850 to the present The Concise New Makers of Modern Culture includes artists writers dramatists architects philosophers anthropologists scientists sociologists major political figures composers film makers and many other culturally significant individuals and is thoroughly international in its purview Next to Karl Marx is Bob Marley with John Ruskin is Salman Rushdie alongside Darwin is Luigi Dallapiccola Deng Xiaoping rubs shoulders with Jacques Derrida as do Julia Kristeva and Kropotkin With its global reach The Concise New Makers of Modern Culture provides a multi voiced witness of the contemporary thinking world The entries carry short bibliographies and there is thorough cross referencing as well as an index of names and key terms      *The Medieval Chastity Belt* A. Classen, 2007-03-19 The chastity belt is one of those objects people have commonly identified with the dark Middle Ages This book analyzes the origin of this myth and demonstrates how a convenient misconception or contorted imagination of an allegedly historical practice has led to profoundly flawed interpretations of control mechanisms used by jealous husbands      *Genre-Busting Dark Comedies of the 1970s* Wes D. Gehring, 2016-03-09 This examination of dark comedies of the 1970s focuses on films which concealed black humor behind a misleading genre label All That Jazz 1979 is a musical about death hardly Fred and

Ginger territory This masking goes beyond misnomer to a breaking of formula that director Robert Altman called anti genre Altman's MASH 1970 ridiculed the military establishment in general the Vietnam War in particular under the guise of a standard military service comedy The picaresque Western Little Big Man 1970 turned the bluecoats vs Indians formula upside down the audience roots for the Indians instead of the cavalry The book covers 12 essential films including Harold and Maude 1971 Slaughterhouse Five 1972 One Flew Over the Cuckoo's Nest 1975 and Being There 1979 with notes on A Clockwork Orange 1971 These films reveal a compounding complexity that reinforces the absurdity at the heart of dark comedy
