Kristen Worley, Johanna Schneller, 2019-03-26 A powerful and inspiring story of self realization and legal victory that upends our basic assumptions about sexual identity In 1966 a male baby Chris was adopted by an upper middle class Toronto couple From early childhood Chris felt ill at ease as a boy and like an outsider in his conservative family An obsession with sports running waterskiing and especially cycling helped him survive what he would eventually understand to be a profound disconnect between his anatomical sexual identity and his gender identity In his twenties with the support of newfound friends and family and the medical community Chris became Kristen Chris had been a world class cyclist and now Kristen wanted to compete for her country and herself in the 2008 Beijing Olympics She became the first athlete in the world to

submit to the International Olympic Committee's gender verification process the Stockholm Consensus. An all male jury determined she fit their biological criteria but the IOC ultimately objected to her use of testosterone supplements. They and other sports bodies regard them as performance enhancing when in fact all transitioned female athletes need the hormone to stay healthy and to compete. So Kristen filed a complaint against the sports bodies standing in her way with the Ontario Human Rights Tribunal. And she won. *Woman Enough* is the account of a human rights battle with global repercussions for the world of sport.
