BIRTH LIFE MURDER G.G. Kalfas,2019-03-20 BIRTH LIFE MURDER is an invocation of poetry philosophies and short stories which pertain to the unfolding circumstances within our lives We are born into this world we live through our life and sometimes we murder parts of ourselves in the process All men are created equal but not all men live equally Staying true to one s own ideals and life s purpose will be violently ripped away if an unrelenting hold to them is not maintained Do you remember who you really are Did you lose your identity meandering down your life s path In order to understand life you must first understand its language How long can you live not knowing who or what you are How long can you meander through your life until you realize your truth What will it take for you to become your truth

Walsh Samuel Johnson,1800 **The Works of the Poets of Great Britain and Ireland** ,1793 **The Affair is All** David Stuart Ryan,2013-10-01 Angela gazed at the picture on Richard s wall an image of a young woman with her legs akimbo revealing all her glory in a distinctly provocative pose There was an equal amount of danger and fascination in the picture What was she getting into herself into It was not as though she had played the romance quite straight not when she had nearly been seduced by Richard s friend Arnold at the party And wasn t Arnold into Black Power as well as being reckoned to be highly dangerous by The Times newspaper no less The affair she was almost unwittingly setting out on looked decidedly risky but enticing She wanted to push herself to experience all that life had to offer This was after all swinging London She wanted a part of it and the glamorous theatre world that Richard and Arnold inhabited If it meant going on a helter skelter ride then so be it Air hostesses were not meant to plump for easy options and she was certainly not going to As she whizzed between Bombay New York and Melbourne Australia the affair just got hotter and stranger Where was it all going to end Angela wondered as quite in spite of herself she slipped into the deep waters of its attraction **Painted Hearts** Kendra L. Kelley,2011-09-16 The writings of this young poet and author are a collection of experiences and non experiences that the young and old can enjoy and relate to Every poem has a message from love and relationships to uplifting and motivating an individual to achieve beyond their wildest dreams It s a must read for young individuals who are exploring relationships in this modern day and time It will make you laugh smile and shed a tear or two while giving you the knowledge and wisdom you want and need *Good Housekeeping* ,1922 *My Hope* Hope Dukes,2022-10-28 Hello my dear If you re reading this today is your start to becoming a new improved and best version of yourself and it will change your life forever It changed mine Now one thing is for sure Change is not easy When you re striving hard to do the right thing and to fulfill your purpose in life there will be people places and things that will try to deter you from walking in your purpose and will try to take you back to the place that you have been delivered from So brace yourself It gets harder from here But even though the road gets rough God will never leave you He will give you the strength that you need to get through any situation joy in the midst of pain and His peace that passes all understanding that s all you need Hope is defined as a feeling of expectation and desire for a certain thing to happen a feeling of trust Life has all kinds of disappointments These disappointments may have started to harden your heart made you lose hope or made you live with no expectations at all Disappointments may have made you believe that expectations are letdowns if you do not expect things then you will not be let down You may have started to always expect the worst for your life and maybe you have become content with suffering My friend Satan thought he had you but it is time to get your hope back I love you Always and forever Hope
