Love That Is Out Of This World:

Love Not the World Watchman Nee, 2009-01-01 In this hard hitting and controversial book the great Chinese writer and preacher Watchman Nee states that a Satanic power is behind every worldly thing and that the natural tendency of every worldly system such as politics education literature science art and music is to move away from God and toward Satan

The Meaning of the World Is Love Richard Clements, 2022-05-01 Hans Urs von Balthasar 1905 1988 a prolific Catholic theologian from Switzerland has been called a new Father of the Church His work shaped not only by traditional theology and philosophy but by literature art and music made an impact on both Saint John Paul II and Pope Emeritus Benedict XVI Aidan Nichols O P describes Balthasar s fifteen volume masterwork the Trilogy as perhaps the high point of twentieth century Catholic theology Yet for all Balthasar s brilliance the core of his theology is extraordinarily simple love for God is love Love lies at the center of life indeed at the center of being itself For Balthasar the answers to all of man s big existential questions revolve around love The Meaning of the World Is Love compiled by psychologist Richard Clements brings Balthasar s meditations to a wider audience using brief excerpts from the theologian to walk readers through the landscape of divine love which is our home The path of love is the path of self gift as well as of truth goodness and beauty and it is the only way to genuine fulfillment Balthasar as Clements shows can point us to the very heart of reality God who gives himself to us without reserve

Love in the Religions of the World Paul Caringella, Gregory Kaplan, 2011-11-15 The study of comparative religion is no longer a matter merely for those interested in religion it is a matter of concern for everybody For irrespective of whether one believes in God religion is a major characteristic of identity And in the post 9 11 world every educated person is aware of how important it is to understand what others believe This collection of essays by international scholars emerged from an intense and powerful dialogue at the University of Hong Kong about love in the major religions of the world Eschewing the comforting but ultimately erroneous and dangerous idea that all religions believe more or less the same thing each essay examines the role and nature of love in a major religion of the world It is an invaluable guide for students teachers and the general reader wanting to cut through the morass of doctrinal differences and emphases in the world s religions It also makes an important contribution to the urgent issue of dialogue amongst faiths and cultures

The Love of the World Cured Nathaniel Vincent, 2012-11-12 This treatise by Vincent was originally a series of sermons that covered 1 John 2 15 Love not the world Vincent then updated these sermons and turned them into tract form in order to publish this work at the request of the hearers who needed to be reminded to study this vital doctrine Vincent covers 1 defining the world 2 what the love of the world is 3 how Christians may love the world and how they ought not 4 various words of caution and application as well as exhorting those who do love the world to see their sin and 5 various remedies against such sin He also encourages believers to be steadfast in loving God more than they would or could love the world This is not a scan or facsimile has been updated in modern English for easy reading and has an active table of contents for electronic versions

Love and the World Robert Sardello,2001-04 From the translator s introduction In picking up this book you are about to embark on a fascinating journey It is a journey to places where according to the author many of us have already been but about which we have forgotten It is also a journey within into that psychological space where our ideas and beliefs about God spirituality and religion reside During both journeys we are likely to encounter wonder and recognition skepticism and acceptance rejection and admiration confusion and long sought understanding For some this journey will be the start of a much larger one for some it is but one more leg of a journey undertaken earlier in any case The Rose of the World is not a final destination Completed in 1959 hidden from the Soviet secret police for twenty years The Rose of the World was first made public through excerpts in the magazine Novy Mir in 1989 The Rose of the World is a unique and poetic cosmological treatise passionately written out of personal spiritual experience It offers a prophetic call for the spiritual reunification of all people and an open and harmonious relationship among the great world religions For Daniel Andreev The Rose of the world is a spiritual flower whose roots are in heaven each petal is a unique image of the great world religions and cultures and the whole flower is their joint co creation with God Lindisfarne Books is proud to publish the first English translation of this masterpiece of contemporary Russian spiritual literature a work that belongs to Russian religious thought in the tradition of Vladimir Soloviev and to the West in the tradition of Dante and Blake truly a work for the twenty first century For the Love of the World Edwin Zackrison,2021-08-04 The world can be subject to interpretations that cause Christians to disagree and even fight Interpretations often end in startling disputes For some that world includes the inheritance of denominational interpretations Historically conditioned conclusions are taken out of their context Booklets have been produced for young people that largely define the world as dancing smoking drugs music theater and music This book will not spend time on these parochial notions Rather it will deal with God s love for the world While Christians are often warned against the world God loved the world from a different standpoint and made the ultimate sacrifice to give this world the chance to be restored to rightness with him *Be Here to Love Me at the End of the World* Sasha Fletcher,2022-02-15 This emotionally resonant dystopian succeeds at turning the end of the world into a new beginning Publishers Weekly A love story set in a bad dream about America concerning permanent debt secret police making dinner and unpaid invoices right up until the end of the world It s Brooklyn It s winter It s so cold outside you could execute billionaires in the street about it Sam lives with Eleanor and they are in love He has three or four outstanding invoices that would each cover rent for a month At some point the President is going to make some absolutely wild announcements that will only end in doom In a surreal funny and heart breaking version of reality Sasha Fletcher s highly anticipated first novel occupies that rare register that manages to speak to an increasingly incomprehensible world Through scenes that poetically transform the mundane into the sublime and the absurd into the tragic *Be Here to Love Me at the End of the World* is about the exquisite beauty of being in love in a world that is falling apart **The World's First Love** Fulton Sheen,Andrew Apostoli,2018-08-22 With his characteristic eloquence

and brilliance Fulton J Sheen presents a moving portrayal of the Blessed Virgin Mary that combines deep spirituality with history philosophy and theology All the major aspects and events of Mary s life are lovingly portrayed in this word portrait that is a never failing source of information consolation and inspiration Sheen also gives profound insights into all the Marian beliefs ranging from the Immaculate Conception to the Assumption to the miracle of Our Lady of Fatima While considering the different phases of Mary s life Bishop Sheen discusses various problems common to mankind of every age and reveals clearly that every problem can be resolved He emphasizes the unique dignity strength and gifts of women and their ability to help heal the world s problems Sheen stresses mankind s need of the Mother of God and her burning love for all her children The great resurgence of devotion to Mary is God s way of emphasizing the worth and dignity of every person against the false doctrines that have so confused the modern world

The Love of Nature and the End of the World Shierry Weber NicholSEN,2003-02-28 A psychological exploration of how the love of nature can coexist in our psyches with apathy toward environmental destruction Virtually everyone values some aspect of the natural world Yet many people are surprisingly unconcerned about environmental issues treating them as the province of special interest groups Seeking to understand how our appreciation for the beauty of nature and our indifference to its destruction can coexist in us Shierry Weber NicholSEN explores dimensions of our emotional experience with the natural world that are so deep and painful that they often remain unspoken The Love of Nature and the End of the World is a gathering of meditations and collages Its evocations of our emotional attachment to the natural world and the emotional impact of environmental deterioration are meant to encourage individual and collective reflection on a difficult dilemma NicholSEN draws on work in environmental philosophy and ecopsychology the writings of psychoanalytic thinkers such as Wilfred Bion Donald Meltzer and D W Winnicott and ideas from Buddhist and Sufi traditions She shows how our emotional responses to the vulnerabilities of the natural world range from intense caring and compassion through grief and outrage to diffuse depression Individual chapters focus on silence and the process whereby we move from the unspoken to the spoken the love of nature the perceptual reciprocity with the natural world to which we might mature beauty in the human and natural realms the psychological impact of the destruction of the natural world and reflections on the future

Love and Its Meaning in the World Rudolf Steiner, 1998-11 Rudolf Steiner received The Fifth Gospel unrecorded events from the so called lost years of the life of Jesus obtained by grace and by spiritual research into the akashic record as a sacred obligation to which he experienced a deep sense of responsibility However he never finished the project of unveiling it Had he done so not only Anthroposophy but also Christianity would have received an enormous spiritual gift a concrete soul filled description of the Mystery of Golgotha His deeply moving and often startling lectures in 1913 are thus fragmentary giving the near tragic impression that because those who heard or read them did not take them up with sufficient seriousness and inner dedication humanity has suffered an inestimable loss Steiner traveled through various German cities to give personal summaries of the Fifth Gospel But in each center he encountered the same sleepiness The thorns were already starting to prick he seemed to begin hiding the content rather than disclosing it He was forced to see in all clarity that the Fifth Gospel was not being appropriately received Andrei Bely In this dramatic book Selg tells the story of those lectures He recounts their background and many of the most important episodes He illumines and gives context to the excerpts with a profound yet accessible commentary Most important he offers insights into their importance to both Steiner and the hearts of those who heard and understood even those who felt inadequate to the task Those who has read Steiner s lectures on the Fifth Gospel and wondered about their significance will find here an inspiring guide to further meditation while those who have not yet read them will find many reasons for doing so and discover a new way of understanding Steiner and his mission Those unfamiliar with Steiner but wish to find a meaningful heartfelt way to Jesus Christ and the Christian mystery will discover a new way of understanding a new path to Christ The World's Greatest Love Story Reverend J.A. The Bible Exposition

Commentary Warren W. Wiersbe, 2003 Volume 6 of the Bible Exposition Commentary 6 volume set **Love, the Greatest Thing In the World** Henry Drummond, 2022-11-13 In *Love the Greatest Thing In the World* Henry Drummond explores the profound essence of love as the highest virtue emphasizing its transformative power in human relationships and society at large. Written in a lyrical yet didactic style, Drummond intertwines anecdotes, biblical references, and philosophical reflections to illustrate love's role as a unifying force. Situated in the 19th-century revivalist movement, the work emerges as a response to the growing industrialization and materialism of the era, seeking to rekindle spiritual depth and interpersonal connection through the lens of divine love. Henry Drummond (1851-1897), a Scottish preacher, biologist, and writer, was deeply influenced by the Ethical Movement and the Social Gospel, which sought to address societal issues through moral reform and spiritual awakening. His extensive work as a revivalist and his interest in science reflect his belief in harmonizing faith with rational thought. These experiences culminated in this seminal work, wherein he articulates a comprehensive vision of love that challenges the prevailing sentiments of his time. This book serves not only as a theological treatise but also as a powerful manifesto for those seeking to understand the dynamics of love and its central role in human existence. Drummond's eloquent prose and heartfelt declarations make it a timeless read, offering invaluable insights for anyone interested in the complexities of love, morality, and the human spirit.

Love, the Greatest Thing in the World + Natural Law in the Spiritual World Henry Drummond, 2019-06-03 *Love the Greatest Thing in the World* In his most famous work, the author meditates upon what he considers the greatest thing in the world: love. In *Natural Law in the Spiritual World*, the author explores how the world of religion and spirituality relates to the physical world and argues that faith was by no means in conflict with science. [How the World Makes Love](#) Franz Wisner, 2009-03-17 The bestselling author of *Honeymoon with My Brother* hits the road again to learn about love and finally finds it closer to home. When you've been jilted at the altar and forced to take your pre-paid honeymoon with your brother, it's fair to say you could learn a thing or two about love. And that's what Franz Wisner sets out to do: traveling the globe with a mission to discover the planet's most important love lessons and see if they can rescue him from the ruins of his own love life. Even after months on the road, he's still not sure he's found the secret. But a disastrous date with a Los Angeles actress and single mom keeps popping into Franz's head. While researching ideal love, could he have missed a bigger truth that something unplanned and implausible could actually make him happy? Uproarious, tender, and studded with eye-opening insights on love, *How the World Makes Love* is the story of one average man's search for happiness—a search that turns into an improbable love story in the author's own backyard. [Preparing Your Heart to Survive a Dangerous World](#) T. Ralph Turner, Ph.D., 2010-08-27 His wife gone, his job only a memory, needing surgery with no way to get it all, his hopes and dreams had sunk into an abyss of hopelessness. His entire world had collapsed. He sat in his dark bedroom, all hope gone and no one to turn to. Brandon placed the barrel of the 357 magnum under his chin. Total fear, horror, and despair engulfed him, all fueled by an unimaginable hopelessness. Slowly, his finger tightened on the trigger. [The World of](#)
