The Book of Love Andrew M. Greeley, Mary G. Durkin, 2008-01-02 Love Of all the virtues that have been passed on to us through the ages from the great poets to the saints and scholars throughout history and literature love is the one virtue that we as a society cannot live without The ability to love well and to love wisely is the most important trait that parents can pass on to their children As children grow the longing to share this love as well as receive it will remain strong throughout their lives Bestselling author Andrew M Greeley and his sister Dr Mary G Durkin have compiled a beautiful and inspiring anthology that will help us comprehend this the most important of virtues and also help us express and understand what it means to love and how to love wisely The Book of Love is a perfect gift for a parent to give to a child for relatives or friends to share or for those who are coming to know this virtue in all its glory People of all nations creeds colors and denominations will appreciate this treasury of essays poems stories and songs reflecting the one human need that has remained constant Love It has been written about in the Bible and it was passed down orally in myth and legend It was discussed by the Chinese philosopher Confucius and in the Koran and it inspired great works of literature and the pages of popular fiction The Book of Love is a testament to the enduring nature of our own good a good expressed through the human bond In the tradition of William J Bennett s *The Book of Virtue* The Book of Love is a collection to be treasured and shared but most of all it will guide us to express and to pass on the greatest of life s virtues Love At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied *Love* Ryan Patrick Hanley, 2024 Love has been a central concept of philosophical inquiry over the last several millennia Love A History chronicle the most significant moments in this concept s long and complex evolutionary life and collectively tell the story of the ways in which love s horizons shifted from the transcendent to the immanent over the course of its conceptual history **Shades of Love** David Lewis, 2005-11 Within the pages of this book of poetry *Shades of Love Poetic Moments* you will be taken on a reflective journey of moments past and present Along this path you will discover love life sadness and the many joys of living This collection of poetry reflects the influences of an individual or a reflection of an incident that we ve all shared in our everyday lives Conscientiously our lives are shaped by the events that we encounter and or the many journeys we travel to fulfill happiness and understanding Therefore *Shades of Love Poetic Moments* will bring within your hearts the true joys and memories of inspired love **In the Company of Demons** Armando Maggi, 2006-06 In its interpretation of Latin and Greek culture Christianity contends that Satan is behind all classical deities demi gods and spiritual creatures including the gods of the household the lares and penates But Armando Maggi an expert in Renaissance demonology argues throughout *In the Company of Demons* that the great thinkers of the Italian Renaissance had a more nuanced and perhaps less sinister interpretation of these creatures or spiritual bodies Through close readings of Giovan Francesco Pico della Mirandola Strozzi Cigogna Pompeo della Barba Ludovico Sinistrari and others Mag The Divine Comedy of Dante Alighieri Dante Alighieri, 1897 **Program** Ann Arbor
