Reclaiming the Bible Robert McAfee Brown, 1994-01-01 In this series of messages based on scripture the author demonstrates the vital applications of the Bible for our times dealing first with the greater words of faith such as love grace and reconciliation It then sheds light on various events in Jesus life and beyond A third group of messages shows the Bible addressing social issues such as sexuality and violence **A Map of the Night** David Wagoner, 2010-10-01 David Wagoner's wide ranging poetry buzzes and swells with life Woods streams and fields fascinate him he happily admits his devotion to Thoreau but so do people and their habits dear friends and family the odd poet and strangers who become even stranger when looked at closely In this new collection Wagoner catches the mixed feelings of a long drive the sensations of walking against a current the difficulty of writing poetry with noisily amorous neighbors and many more uniquely familiar experiences Henry Williamson and the First World War Anne Williamson, 2004-02-28 Henry Williamson is known for his book *Tarka the Otter* yet his time in World War I trenches affected him profoundly This book draws on his letters diaries photographs and notebooks written at the time to give us a detailed account of life in the trenches of the First World War It also offers us a rare insight into the making of a novelist *Comfortable Words* John D. TIRUKKURAL English Translation and Commentary Tiruvalluvar, **Love and Death** Ross Channing Reed PhD, 2009-02-10 Philosopher Ross Reed Ph D refers to an eclectic array of thinkers in Love and Death an Existential Theory of Addiction in particular existential philosophers Soren Kierkegaard 1813 1855 and Jean Paul Sartre 1905 1980 According to Dr Reed addiction is usually the result of existential or life conditions rather than underlying physiological problems Therefore it may involve not only drugs or alcohol but also relationships belief systems activities and even emotional states Anything that can serve to deflect ones consciousness from reflectively apprehending the task of becoming oneself can serve as an object of addiction If the object is another person one might ask whether in fact addiction can masquerade as love Is it possible to believe that you are in love with someone when in fact you are merely addicted to him or her In this creative and provocative work Reed argues that Sartres theory of love is in fact a theory of addiction

A study of the 7 churches of Asia Minor June M Russell, 2015-08-04 This is a study of the 7 churches in the book of Revelation Jesus critiqued the churches shortly after the birth of the church and told them what they lacked needed to improve and rewards for overcoming We can take the message of these and apply the critiquing principles to our churches today in order to meet the challenges of our day and prepare for Christ s return

The Work of Faith Justin Nickel, 2020-08-31 Many scholars assume that Luther advocates for a Christian life in which human beings are always passive recipients of God s grace as it is delivered in preaching and mere instruments through which God works to serve their neighbors The Work of Faith Divine Grace and Human Agency in Martin Luther s Preaching offers a different reading of Luther s views on human agency by drawing on a fresh source Luther s preaching Using Luther s sermons in the Church Postil as a primary source Justin Nickel argues that Martin Luther preached as though Christians have real if secondary agency in the lives they lead before God and neighbor As a result Nickel presents a Luther substantively concerned with how

The author traces in popular language for the time the break up of the patriarchal values held by most of society and points out from the standpoint of modern psychiatric knowledge the inevitable effects upon sexual mores, personality adjustments, and the growth of children. Topics covered include marriage, parenting, adolescence, with special emphasis paid to the mating problems of youth. Taking its lead from psychological theories prevalent at the time, today it can be read in its historical context. This book is a re-issue originally published in 1930. The language used and views portrayed are a reflection of its era, and no offence is meant by the Publishers to any reader by this re-publication.
