In *The Child in You*, psychologist Stefanie Stahl guides you step by step through her therapeutic method that has helped millions to peel away these layers and reconnect with their inner child, both the shadow child representing our deepest insecurities and the part of our self-esteem that is injured and unstable, and the sun child representing our greatest joys and the part of our self-esteem that remains positive and intact. The many examples and exercises in this book will help you discover your shadow child and sun child, identify which of the shadow child's dozen self-protection strategies are at work in you, and put into practice the array of proven self-reflection strategies to overcome negative influences and beliefs. Because it's never too late to have a happy childhood or to bring your authentic self out from the shadows so you can embody your radiant individuality. A PENGUIN LIFE TITLE.
