The Blues Lyric Formula Michael Taft, 2013-10-18 This book is the first rigorous and detailed exploration of exactly how blues singers used formulas to create songs and it more than amply fills the gap in the the study of the blues where the structure and content of the lyrics have been less fully explored than the musical form Focusing

on the songs recorded by African American singers for pre World War Two commercial recording companies this is an excellent structural analysis of the formulaic composition of blues lyrics This book gives a step by step description of the rules implicit in this formulaic structure and inspires new discussion of lyric structures A wide array of readers will find this insightful and informative from students of African American music cultural studies history and linguistics to Blues fans fascinated by exactly how the lyrics of this influential music style are written Cruciformity Michael J. Gorman, 2021-07-27 When it was first published in 2001 Cruciformity broke new ground with a vision of Pauline spirituality that illuminated what it meant to be a person or community in Christ Beginning with Paul's express desire to know nothing but Christ crucified Gorman showed how true spirituality is telling the story in both life and words of God's self revelation in Jesus so that we might practice cruciformity the impossible possibility of conformity to the crucified Christ Two decades later Gorman's seminal work is still a powerful model for combining biblical studies and theological reflection to make Paul's letters more immediately relevant to contemporary Christian life This twentieth anniversary edition includes a new foreword by Nijay Gupta a next generation Pauline scholar heavily influenced by Gorman as well as an afterword by the author in which he reflects on the legacy of Cruciformity in the church and the academy including his own subsequent work in Pauline theology
