Jamie Ferreira, 2001-06-07 Soren Kierkegaard's Works of Love 1847 a series of deliberations on the commandment to love one's neighbor has often been condemned by critics Here Ferreira seeks to rehabilitate Works of Love as one of Kierkegaard's most important works He shows that Kierkegaard's deliberations on love are highly relevant to some important themes in contemporary ethics including impartiality duty equality mutuality reciprocity self love sympathy and sacrifice Ferreira also argues that Works of Love bears on issues peculiar to a religious ethic such as the role of God as middle term and the possibility of preserving the aesthetic dimensions of love in a religious ethic of relation **The Works of Jonathan Edwards: Volume I** □ **IV Revised** Jonathan Edwards, **Love's Obsession** Pasquale De Marco, 2025-05-13 Love's Obsession is a collection of essays that explore the human condition These essays cover a wide range of topics from the importance of love and relationships to the challenges of finding meaning in life Pasquale De Marco writes with honesty and insight sharing his own experiences and reflections on the human condition His essays are thought provoking and inspiring and they offer a unique perspective on the challenges and opportunities of life In Love's Obsession Pasquale De Marco explores the nature of love He argues that love is not simply a feeling but a choice that we make every day He also discusses the challenges of maintaining a healthy and fulfilling relationship Pasquale De Marco also examines the importance of finding meaning in life He argues that meaning is not something that we find but something that we create He also discusses the different ways that we can find meaning in our lives Pasquale De Marco explores the challenges of facing adversity He argues that adversity is not something that we should fear but something that we can learn from He also discusses the different ways that we can overcome adversity In Love's Obsession Pasquale De Marco also examines the importance of hope He argues that hope is not simply a wish but a belief that we can create a better future He also discusses the different ways

that we can cultivate hope in our lives Pasquale De Marco also explores the nature of happiness He argues that happiness is not something that we can achieve once and for all but something that we need to work for every day He also discusses the different ways that we can find happiness in our lives Finally Pasquale De Marco explores the importance of living a meaningful life He argues that a meaningful life is not simply a life that is long but a life that is well lived He also discusses the different ways that we can live a meaningful life Love s Obsession is a valuable resource for anyone who is looking to live a more meaningful and fulfilling life Pasquale De Marco s insights and wisdom can help us to overcome the challenges of life and to achieve our full potential If you like this book write a review on google books

Sex and Sexuality in China Elaine Jeffreys,2007-01-24 Elaine Jeffreys explores the issues of sex and sexuality in a non Western context by examining debates surrounding the emergence of new sexual behaviours and the appropriate nature of their regulation in the People s Republic of China Commissioned from Western and mainland Chinese scholars of sex and sexuality in China the chapters in this volume are marked by a diversity of subject material and theoretical perspectives but turn on three related concerns First the book situates China s changing sexual culture and the nature of its governance in the socio political history of the PRC Second it shows how China s shift to a rule of law has generated conflicting conceptions of citizenship and the associated rights of individuals as sexual citizens Finally the book demonstrates that the Chinese state does not operate strictly to repress sex it also is implicated in the creation of new spaces for sexual entrepreneurship expertise and consumption This comprehensive study is a valuable resource for scholars in the fields of sexuality studies and post socialist societies and culture directly appealing to both East Asia and China specialists

The Georgia Pulpit ,1847 **Religious Affections** Jonathan Edwards,2009-01-01 This volume contains Edwards most mature and persistent attempt to judge the validity of the religious development in eighteenth century America known as the Great Awakening In developing criteria for such judgment he attacked at the same time one of the fundamental questions facing all religion how to distinguish genuine from spurious piety The Awakening created much bitter controversy on the one side stood the emotionalists and enthusiasts and on the other the rationalists for whom religion was essentially a matter of morality or good conduct and the acceptance of properly formulated doctrine Edwards with great analytical skill and enormous biblical learning showed that both sides were in the wrong He attacked both a lifeless morality as too pale as to be the essence of religion and he rejected the excesses of a purely emotional religion more concerned for sensational effects than for the inner transformation of the self which was for him the center of genuine Christianity

The Works of Jonathan Edwards: Volume I - II Jonathan Edwards,2017-03-19 Continuing in the second book of the first volume of Jonathan Edwards monumental works it opens up by talking about the purpose for which we and the world was made and continues on to talk about the origin of sin and its purpose and as well as touches on the religious affections that are within the church

Antoon Vandavelde,2000 According to a common understanding of economics economists attempt to understand and explain societal reality in the light of individual self interest For them a gift is no exception to this except for the slight and misleading veil of altruism which covers a purely egoistic motivation On the other hand theologians philosophers and ethicists use a more normative concept of man Man realises his best potential through deeds of selfless sacrifice that remain unknown to everyone In reality however people are either entirely egoistic nor altruistic Marcel Mauss model of the gift is interesting because it seems to escape the classical or rather modern egoism altruism dichotomy Gifts are not primarily motivated by the well being of myself or the other but rather by the desire to bring about or maintain a certain kind of social relation between giver and receiver Altruistic as well as egoistic motivations are an integral part of that relation The role of gifts in the constitution of social relations and social cohesion explains why most kinds of gifts are reciprocal and even obligatory In this book anthropologists sociologists and economists as well as philosophers focus on the question of the relevance of Mauss work on the gift for the understanding of actual social phenomena **Intellect, the Emotions, and the Moral Nature** William Lyall,1855 **Attitudes of Gratitude in Love** MJ Ryan,2002-08-31 The author of Attitudes of Gratitude offers an earthy breezy guide to finding the best aspects of a relationship as it celebrates all the wonders of love and offers practical advice on simple things that can improve a relationship Original 30 000 first printing *The Works of President Edwards* Jonathan Edwards,1830 **The Soul's Voyage To Love's Crescendo** Vipul Goyal,2024-10-04 As the author of The Soul s Voyage to Love s Crescendo I invite you on an extraordinary journey a journey that unravels the essence of love in its myriad forms and explores the profound depths of human emotions Within the pages of this book you will encounter the various faces and phases of love from its tender beginnings to its turbulent storms and its ultimate crescendo This collection inspired by personal experiences and heartfelt emotions delves into the intricate complexities of love unveiling its beauty and pain its joys and sorrows Through my own love story where I encountered heartache and loss I hope to illuminate the power of love s transformative nature and the resilience of the human spirit Through poetic verses I aspire to touch your soul remind you of the universal language of love and inspire you to embrace love s journey with an open heart and a profound appreciation for its transformative power This book is a testament to the magic and vulnerability of love and an invitation to embark on a voyage that transcends time and touches the very core of our existence *Love's Tapestry*
