Fox, 2020-05-09 Rhea loves helping her friends She's always been the kind of girl to do anything for just about anyone But the most selfless act she's ever tried to accomplish is being a surrogate for her gay best friend and his husband After three rounds of IVF everything looks bleak and hopeless That is until the tables turn and she realises her best friend and his husband want way more than she ever expected What she learns quickly is that she wants it way more than she realised herself A new adventure leads to unexpected outcomes when she finds out she's gotten more than she ever wanted from life Will she manage to give her best friend what he's always wanted too **Love That Made Me** Jugraj Singh, 2021-08-13 This book is about the love that made the author The love of the author's parents his friends and family his younger cousins and the love of all the people who matter to him This book is also about the mistakes that the author has made in life and the lessons these mistakes have taught him This book has some poetry as the author has tried to express his emotions in verse However these words just ruin whatever is in his heart This book is about how he returned to his normal self because eventually life is not always planned and unexpected things take us on different paths This book is a complete masala for those who love romance pain drama and poetry **Winning my Best Friend's Girl** Piper Rayne, 2020-07-21 NOW A USA TODAY BESTSELLER Imagine lying in a hospital bed and the doctor who pulls the curtain back to treat you is the one who got away Even if you never really had her in the first place She's not only your high school crush she's the ex girlfriend of your ex best friend The one girl you've always wanted Here's a step by step list to finally win her over Key to win 1 Try not to

take offense that she snuck back into town without telling you six months ago Key to win 2 Rekindle the friendship to ease the awkwardness But DO NOT enter the friend zone Key to win 3 Ignore the fact that she went speed dating the night before Take it as good a sign maybe she's looking for a relationship Key to win 4 Attempt to keep the two of you out of the town gossip blog and away from your large family Make sure you don't let this last one throw you off your mission Key to win 5 Don't get deterred when you find out the past is about to repeat itself Because the man she met at the speed dating night is your best buddy from work Just remember you sat back and let her slip away once you won't do it a second time Failure is not an option Author Note This book does NOT contain cheating

Falling for my Brother's Best Friend Piper Rayne, 2019-02-20 Let's say you're an independent self-sufficient woman who runs the family company and you find yourself falling for your little brother's best friend Now more than ever you need to count all the reasons why you need to abandon falling Abandon Falling 1 He's a womanizer Hasn't had a serious relationship a day in his life and changes women more often than he changes his sheets Abandon Falling 2 He's never serious He cracks one liners mostly at your expense Abandon Falling 3 When things go wrong he seems unfazed and always remains in control It's so annoying Abandon Falling 4 He has tattoos Lots of them Everywhere Not to mention he owns a tattoo parlor Damn it Why

doesn't that sound like a bad thing anymore Abandon Falling 5 There's a growing list of how different you two are You can't get along for fifteen minutes a lifetime together would land one of you in prison Keep repeating those reasons and drown yourself in work Pretend you don't notice his good qualities or how enticing he looks without a shirt and do not I repeat do not agree to live with the man while your place is being repaired from flood damage Trust me even the strongest of us can only forego temptation for so long
