

The book cover features a complex, multi-layered illustration. At the top, a golden, winged figure, possibly Cupid or Eros, is depicted against a dark blue background. Below this, a large, gnarled red tree trunk rises on the right side. In the center, a white, winged figure, likely Cupid, is shown in profile, looking towards the left. To the left of the white figure, a golden, winged figure is also visible, seemingly interacting with a large, coiled snake. The background is a dark blue space filled with intricate, golden, swirling patterns. The overall style is reminiscent of classical art with a modern, illustrative twist.

Love Impatient Love Unkind Meditations On Human And Divine Eros:

Love Impatient, Love Unkind Mark Patrick Hederman, 2004 This book is an unexpected combination of cultural criticism and meditation The Catholic Library World, 2004 **The Power of Divine Eros** A. H. Almaas, Karen Johnson, 2013-09-17 Two innovative spiritual teachers show how to use desire and passion eros as a gateway to realizing our fullest potential What do desire and passion have to do with our spiritual journey According to A H Almaas and Karen Johnson they are an essential part of it Conventional wisdom cautions that desire and passion are opposed to the spiritual path that engaging in desire will take you more into the world into egoic life And for most people that is exactly what happens We naturally tend to experience wanting in a self centered way The Power of Divine Eros challenges the view that the divine and the erotic are separate When we open to the energy aliveness spontaneity and zest of erotic love we will find it inseparable from the realm of the holy and sacred When this is understood desire and passion become a gateway to wholeness and to realizing our full potential Through guided exercises the authors reveal how our relationships become opportunities on the spiritual journey to express ourselves authentically to relate with openness and to discover dynamic inner realms with another person Through embodying the energy of eros each of us can learn to be fully real and alive in all of our interactions The Divine Couple Jakob Böhme, 2001 *Meditations on divine love* Willard McCarty, 1970

Meditations on Divine Love Vincent Huby, 1856 **Pearls of Love** Nicole Rivera, 2021-09-09 Pearls of Love is a compilation of 124 sayings about Divine Love *Human Love as a Mirror of Divine Love* Mary Teresa Salafia, 1976 The Way to Love Anthony De Mello, 1995-06-01 From the international bestselling author of Awareness a pocket sized guide that will bring you to new levels of spiritual awareness The Way To Love contains the final flowering of Anthony de Mello's thought and in it he grapples with the ultimate question of love In thirty one meditations he implores his readers with his usual pithiness to break through illusion the great obstacle to love Love springs from awareness de Mello insists saying that it is only when we see others as they are that we can begin to really love But not only must we seek to see others with clarity we must examine ourselves without misconception The task however is not easy The most painful act de Mello says is the act of seeing But in that act of seeing that love is born Anthony De Mello was the director of the Sadhana Institute of Pastoral Counseling in Poona India and authored several books The Way To Love is his last Love and Hate Osho, 2012-01-31 Question You say that love and hate are one but I see more hate in the world than love At the same time you say that enlightenment is neither love nor hate Are you speaking of two different qualities of love How does this fit with your message of love Love and hate are just two sides of the same coin But with love something very drastic has happened It is unimaginable how this drastic step was taken by people who had all the good intentions in the world You may never have even suspected what has destroyed love It is the continuous teaching of love that has destroyed it Hate is still pure love is not

Romancing the Divine Michael Dunn, 2017-11-10 Michael Henry Dunn's spiritual journey began with heartbreak and a

call to monastic life But a deep conviction that one can be in love with the Divine passionately romantically in love and still find sweet and fulfilling human love as well led him to seek and find intimacy with the ultimate Soul Mate Romancing the Divine is Dunn s deeply moving intensely personal account of a love affair with the Source of Life the Goddess who is also God With honesty and humor Dunn reveals the personal crisis that led to his spiritual awakening his experiences meditating and chanting in the company of saints and illuminated souls and the paths and techniques you can use to share in his love What Dunn experienced and continues to experience transcends any one religion He found commonality in his divine love with Indian yogis and Western nuns and discovered inspiration from Christian monastics and the chants of the kirtan yogic tradition His is an unabashedly romantic love story centered on the Divine Feminine and filled with joy passion and a spiritualized and purified erotic energy To love the Divine is to discover a lover who according to Dunn is seductive beyond thought of competition It s a love we all deserve *The Way to Love* Anthony De Mello,2012-06-12 *The Way to Love* contains some of the most beloved stories from Anthony de Mello Here more than ever before in his bestselling writing he grapples with the ultimate question of love In thirty one meditations he implores his readers with his usual pithiness to break through illusion the great obstacle to love Love springs from awareness de Mello insists saying that it is only when we see the other as he or she really is that we begin to love The second act of love he says is seeing ourselves without illusion without the coercive nature of our needs desires memories prejudices and projections If these steps are taken then love will steal upon a person or into a relationship But the task is not easy The most painful act the human can perform de Mello says is the act of seeing It is in that act of seeing that love is born *Love, joy, peace* Adela Marion Curtis,1911 **Urgent Longings** Thomas J. Tyrrell,1980 This book offers thought provoking reflections on the beauty of love in the development of human and divine intimacy Foreword page 10 *Meditations for Deepening Love - Collection* Christopher Alan Anderson,2012-09-12 The collection includes 47 booklets that highlight the author s writings and allows the reader to experience eternal love one to another keywords Meditation Love Metaphysics Sexual Surrender Eternal Life Romance Freedom *Love Divine and Human* John Eyton Bickersteth Mayor,1884* *Liberating Eros* Barnaby B. Barratt PhD DHS,2009-11-03 This book is about lovemaking as the supreme path of spiritual practice Through its carefully crafted chapters Barratt presents a profound and ancient insight The essential flow of life is sexual sensual and spiritual Consequently our sexuality is not an obstacle to spiritual life Rather it is the singular vehicle of Holy Spirit The libidinality of our embodiment is the only process by which we may come to be truly in the spirit of Love life and liberty This book may disturb some of its readers but it will not be forgotten For it reminds us to return to the dance of life and to the nakedness of genuine spiritual experience *The Love of God, Or, Love Divine* William Wood,1656 **Being in Love** Osho,2008-01-15 What Is Love In this thoughtful provocative work Osho one of the most revolutionary thinkers of our time challenges us to question what we think we know about love and opens us to the possibility of a love that is natural fulfilling and free of

possessiveness and jealousy With his characteristic wit humor and understanding Osho dares us to resist the unhealthy relationship patterns we ve learned from those around us and to rediscover the meaning of love for ourselves By the time you are ready to explore the world of love you are filled with so much rubbish about love that there is not much hope for you to be able to find the authentic and discard the false By answering the questions that so many lovers face Osho shares new ways to love that will forever change how you relate to others including how to Love without clinging Let go of expectations rules and demands Free yourself from the fear of being alone Be fully present in your relationships Keep your love fresh and alive Become a life partner with whom someone could continue to grow and change Surrender your ego so you can surrender to love Being in Love will inspire you to welcome love into your life anew and experience the joy of being truly alive by sharing it Human Affection and Divine Love Swami Abhedānanda,1911
