Milton. ... Love in a village, by I. Bickerstaff[e]** ,1797 *Organic Outreach for Ordinary People* Kevin G. Harney,2009-10-06 Most people who call themselves followers of Jesus have a deep desire to tell others about God s amazing grace Yet at the same time they avoid evangelism and often feel guilty for doing so Pastor Kevin Harney wants to see this change He is convinced that ordinary Christians can share the extraordinary love of God in ways that are natural and normal and simple Kevin was raised in a loving healthy non Christian home He feels as comfortable around people who are far from God as he does with those who have been in the church their whole lives In this book Kevin offers forty ways any Christian can take simple steps forward in learning to share what is most important the message of God s life changing love revealed in Jesus In Simple Evangelism you will discover that God longs to work through you to bring his good news to a world in need And you will be overjoyed as you discover that the pathway to fruitfulness in evangelism is paved with simple attitude adjustments actions and spiritual exercises that anyone can do including you **Love in Africa** Jennifer Cole,Lynn M. Thomas,2009-08-01 In recent years scholarly interest in love has flourished Historians have addressed the rise of romantic love and marriage in Europe and the United States while anthropologists have explored the ways globalization has reshaped local ideas about those same topics Yet love in Africa has been peculiarly ignored resulting in a serious lack of understanding about this vital element of social life a glaring omission given the intense focus on sexuality in Africa in the wake of HIV AIDS Love in Africa seeks both to understand this failure to consider love and to begin to correct it In a substantive introduction and eight essays that examine a variety of countries and range in time from the 1930s to the present the contributors collectively argue for the importance of paying attention to the many different cultural and historical strands that constitute love in Africa Covering such diverse topics as the reception of Bollywood movies in 1950s Zanzibar the effects of a Mexican telenovela on young people s ideas about courtship in Niger the models of romance promoted by South African and Kenyan magazines and the complex relationship between love and money in Madagascar and South Africa Love in Africa is a vivid and compelling look at love s role in African society **Postmodern Love in the Contemporary Jewish Imagination** Efraim Sicher,2022-03-17 Offering a radical critique of contemporary Israeli and diaspora fiction by major writers of the generation after Amos Oz and Philip Roth this book asks searching questions about identity formation in Jewish spaces in the twenty first century and posits global transnational identities instead of the bipolar Israel diaspora model The chapters put into conversation major authors such as Jonathan Safran Foer Nicole Krauss Michael Chabon and Nathan Englander with their Israeli counterparts Zeruya Shalev Eshkol Nevo and Etgar Keret and shows that they share common themes and concerns Read through a postmodern lens their preoccupation with failed marriage and failed ideals brings to the fore the crises of

Sentimental discoveries and badly kept secrets. Is it the perfect Christmas at the Haven Hotel? It's the first Christmas at the Haven Hotel since Rick inherited it from his aunt and he's spent all year getting things back on track. When he and Eliot find a box of Auntie's mementoes in the basement highlighting a very unconventional theatrical career, he decides to hold a party to honour her. But there are way too many obstacles preventing him getting his friends together in one place this close to Christmas. Or so everyone keeps telling him. Rick loves his partner Eliot and is very fond of his friends. But a man's patience can only stretch so far. The day of Auntie's birthday turns out to be a very confusing and distracting time for him and everyone except him seems to be in on it. From covert meetings to secret recipes to mysteriously vanishing decorations and even through a very hot but surprising seduction, Rick is led astray until the day is almost over. And then his friends show another side of their meddling. Auntie Pop had love and respect from many of the escorts at the Haven and it looks like her day will be fondly remembered after all. And Rick and Eliot may have the chance at last to make their own special commitment that's if Rick ever forgives all the subterfuge. This Christmas special is a self-contained story but it features all the characters who live and work at the Haven so it may be more fun if you've read the previous books. A poignant love triangle between childhood sweethearts and their closest friend set in Stuttgart, Germany, during the rise of Hitler's Third Reich. This tale takes the reader on an emotional roller coaster ride of pain, despair, and eventually joy. Sweethearts Marc and Lisbeth marry while their friend Hans, who is a fugitive after joining Hitler's aborted putsch in Munich, can only watch from afar as the object of his affection pledges her love to his friend. Later, the couple and their daughter move to Holland in an effort to avoid Hitler's demoniac rule. Marc, on business in Switzerland during Germany's conquest of Holland, learns his family has been swept up by the SS. Unable to make contact, he returns to Germany hoping he can ransom his wife and daughter. Apprehended by the Gestapo, he is told his family died in transit. Stricken to the core, Marc seeks only death. But the Gestapo tortures him to reveal the large sum of money they know he has hidden. After much suffering, he escapes to Switzerland where he joins the American Army and returns to Europe as an infantry officer. In the interim, Lisbeth and her daughter are enduring their own torments in a work camp where they are at the mercy of their sadistic guards. Just when things seem their worst, Hans, now a Waffen SS officer, becomes camp commandant and learns the two are prisoners. Still deeply in love with Lisbeth, Hans risks severe censure to keep the two safe and to look for information about Marc. He eventually obtains a Gestapo report stating that Marc has certainly died during his escape. Knowing that the inmates in the camp will eventually be killed, Hans must weigh his love for Lisbeth against his loyalty to his country. The struggle of the three becomes an exciting story as the wheel of chance turns full.

Trauma, Memory, and Narrative in the Contemporary South African Novel, 2012-01-01 The contributions to this volume probe the complex relationship of trauma memory and narrative By looking at the South African situation through the lens of trauma they make clear how the psychic deformations and injuries left behind by racism and colonialism cannot be mended by material reparation or by simply reversing economic and political power structures Western trauma theories as developed by scholars such as Caruth van der Kolk Herman and others are insufficient for analysing the more complex situation in a postcolony such as South Africa This is because Western trauma concepts focus on the individual traumatized by a single identifiable event that causes PTSD Post Traumatic Stress Disorder What we need is an understanding of trauma that sees it not only as a result of an identifiable event but also as the consequence of an historical condition in the case of South Africa that of colonialism and more specifically of apartheid For most black and coloured South Africans the structural violence of apartheid's laws were the existential condition under which they had to exist The living conditions in the townships pass laws relocation and racial segregation affected great parts of the South African population and were responsible for the collective traumatization of several generations This trauma however is not an unclaimed and unclaimable experience Postcolonial thinkers who have been reflecting on the experience of violence and trauma in a colonial context writing from within a Fanonian tradition have on the contrary believed in the importance of reclaiming the past and of transcending mechanisms of victimization and resentment so typical of traumatized consciousnesses Narration and the novel have a decisive role to play here
