*Moral Matters* Mark Dooley,2015-07-30 *Moral Matters* A Philosophy of Homecoming is Mark Dooley s attempt to offer an alternative to Cyberia It is a book about home memory and identity At a time when people are rapidly disengaging from those forms of life which once bound them together it can be argued that our happiness depends on saving and conserving them We cannot flourish in isolation or by detaching from the social sphere which surrounds us We cannot truly prosper or progress if we choose to forget where we came from or if we dismiss our inherited moral wisdom And yet in opting for loss separation and homelessness it seems we have done just that We have opted for a rootless existence where alienation and amnesia are the norm This powerful and passionate book shows how the alienated postmodern self can become re rooted to time and place and restored to full humanity and happiness whilst moving in a virtual hyperconnected world In caring for creation conserving culture and saving the sacred we can once again make our home in the world and experience the consolation of moving from loss to love

Welsch, Roger delves into the most mysterious aspect of life as a tractor nut the fine art of maintaining a healthy relationship with your spouse and family In addition to shop techniques the mystical aspect of tractor buying road trips and how to solve tricky tractor troubles with a case of Old Milwaukee      Outlook ,2003      **Love On-line** Bonnie Estridge, Mandy Gold, 1998 Office e mail flirtation is the talk of every large company Thousands regularly use internet web sites for dating and flirting sexual inunendo and fun This book gives you the true stories the protocol and flirtatious codes      **The Paradox of Love** Pascal Bruckner, 2012-02-13 The sexual revolution is justly celebrated for the freedoms it brought birth control the decriminalization of abortion the liberalization of divorce greater equality between the sexes women s massive entry into the workforce and more tolerance of homosexuality Bruckner argues that our new freedoms have brought new burdens and rules without however wiping out the old rules emotions desies and arrangements the couple marriage jealousy the demand for fidelity the war between constancy and inconstancy It is no wonder that love sex and relationships today are so confusing so difficult and so paradoxical Drawing on history politics psychology literature pop culture and current events this book exposes and dissects these paradoxes Bruckner traces the roots of sexual liberation back to the Enlightenment in order to explain love s supreme paradox epitomized by the 1960s oxymoron of free love the tension between freedom which separates and love which attaches Ashamed that our sex lives fail to live up to such liberated ideals we have traded neuroses of repression for neuroses of inadequacy and we overcompensate Our parents lied about their morality Bruckner writes but we lie about our immorality Book jacket      Bookseller ,1998      LA Record ,1997      **Desire, Obligation, and Familial Love** Makiko Nishitani, 2020-08-31 Based on long term ethnographic fieldwork among Tongan migrant mothers and adult daughters in Australia anthropologist Makiko Nishitani provides a unique account of how gifts money and information flow along the connections of kin and kin like relationships Desire Obligation and Familial Love challenges the conventional discourse on migration which typically characterizes intergenerational changes from tradition to modernity from relational to individual and from obligation to autonomy and freedom Rather through an intimate examination of Tongan women s everyday engagement with kinship relationships Nishitani highlights how migrant women and their daughters born outside Tonga together create a field of relationships with kin and kin like people and navigate between individualistic personal desires and familial duties and obligations Their negotiations are not limited to a local frame of reference but encompass vast distances including relationships with relatives in places like Australia New Zealand the United States and the home island nation Tongan women manage these relationships across diverse modes of communication face to face interactions in homes and at church lengthy telephone conversations on fixed phone lines in kitchens and interactions on social media accessed on living room computers shared between neighboring households Relationships between migrant mothers and second generation daughters are suffused with warmth and empathy as well as tensions and misunderstandings Nishitani s work demonstrates

the critical contemporary relevance of classical anthropological kinship studies and gift theories as tools that can help us to understand transnationalism in the digital age Through reflections on feminist geography social theory of technology Bourdieu s field theory and media studies Nishitani makes a convincing call for anthropologists to use relationships rather than geographical places as a site of anthropological fieldwork in order to understand the sociality of diasporic people Filled with rich intimate portrayals of diasporic women s everyday lives and the everyday politics of familial relationships Desire Obligation and Familial Love will appeal to students and scholars of the anthropology of migration of communication technologies and social media and of gender and familial relationships as well as to those interested in fieldwork methodology transnational and migration studies and Pacific studies **i, immigrant** Nana S.
