Adam's Gift Cindy Williams Adams MEd, 2024-06-12 In Adam s Gift author Cindy Williams Adams shares the story of the death of her twenty seven year old son Adam and her subsequent spiritual journey Hi I m Adam and I m dead Well not really I m still here The first night in the hospital while Adam was on life support around midnight a nurse advised me to go home and get some rest I looked at Adam s monitor His heart rate was 180 a normal heart rate for an infant At that point his vital signs were nominal I said I d go home when Adam s heart rate reached 111 Greg and I sat in the dark listening to the beep beep of Adam s monitor A few minutes later Greg said Look at the monitor Adam s heart rate was 111 My youngest sister Rhonda and I clipped some locks of Adam s dark brown hair as a keepsake I was sitting at the head of his bed examining our handiwork when I heard Adam say jokingly Mom what the fuck did you do to my hair In that pivotal moment if I d talked myself out of believing what I d just experienced I would have grieved Adam s death in an entirely different way Trusting the communication from Adam was real not only allowed me to accept the loss of Adam s physical presence it allowed me to create an entirely new relationship with the part of Adam that is eternal Adam s lungs kidneys pancreas and liver saved the lives of two individuals and significantly improved the lives of three others Adam s liver went to a young mother from Indiana where I was born Adam s pancreas went to a woman with diabetes who ll never have to suffer another amputation Adam s kidneys went to a woman from somewhere in California and to a man in Oakland who no

longer plan their life around the need for dialysis Adam's lungs went to a seventy-two year old man from Arizona From January 2011 to February 2023 Adam led me on a twelve year long wild goose chase where I collected seemingly random puzzle pieces that when presented altogether finally make sense From a past life as a knowledge keeper in Atlantis to serving as an intergalactic guardian Adam's mind blowing after death adventures will change everything you thought you knew about life and death and the world as we know it Don't let your skin suit fool you into thinking you're anything less than a co-creator with God We don't have to die to evolve to a higher level of consciousness When it comes to consciousness raising Adam and I are giving away the cheats Adam's Gift is more than a memoir it's a multidimensional multimedia experience Brace yourself you're in for an e-ticket ride Adams debut memoir is an effectively concise account of a mother navigating her own grief while also finding ways to help others heal Adams vividly renders her story of her life's journey and her sense of exuberance is evident throughout Kirkus review The story of Adam and the special bond he shares with his mom gives those hope who question an afterlife Dannion Brinkley internationally bestselling author of *Saved by the Light* *At Peace in the Light* and *Secrets of the Light* You don't have to have experienced loss to love Adam's Gift It isn't a book of grief Its gift to the reader is about the resilience of love and the unwavering faith of a mother faced with unimaginable circumstances and boundless faith Meg Blackburn Losey PhD author of international bestsellers *The Children of Now* *The Secret History of Consciousness* and *Touching the Light* Through the experiences recounted by Adam's mother readers are immersed in a world where love transcends physical boundaries and continues to connect souls even after death Rhys Wynn Davies Australia's 2023 Psychic of the Year and author of *How to Talk to the Dead in 10 Easy Steps* Adam's Gift was so riveting to read I came away from it feeling as if I had gained so much I can't thank Adam and Cindy enough for writing this book Sarah Breskman Cosme bestselling author of *A Hypnotist's Journey to Atlantis* *A Hypnotist's Journey to the Secret of the Sphinx* and *A Hypnotist's Journey from the Trail to the Star People* **Tarot in Love** Elliot Adam, 2025-08-05 Get Rid of Fear and Uncertainty in Romance Readings How does he really feel about me When is she coming back Why won't these cards let me see into their mind Sound familiar You're not alone Love is the most common topic in tarot and though it may seem daunting to interpret the cards fear not Elliot Adam is here to help you identify issues and uncover solutions guiding you in both finding a partner and healing current relationships In addition to interpreting tarot symbolism for matters of the heart *Tarot in Love* provides a safe compassionate space to explore some of your deepest vulnerabilities and learn more about yourself Elliot presents all seventy-eight cards as love-based archetypes explains what each one may be teaching you and offers a variety of relationship-themed spreads Filled with deep wisdom on reversals signifiers and more this book gives you power and confidence in both your readings and love **The Christian Union** ,1883 *Demorests' Monthly Magazine* ,1866
