Anderson,2017-08-31 I call this book for want of a better phrase a memoir I say this because it is not just the story of my life but it consist of events that I call stories Each story is true and reflects the good hand of God leading and protecting me in my life I use a motif quote from The Present Crisis by James Russell Lowell at the end of some stories that God was standing in the shadows keeping watch above his own Westward Harold Alexander Munnings Jr.,2009-09-21 1 This is unusual a memoir written by someone under fifty years of age What made you write My parents were growing old and I wanted to record their stories for my children My father who is halfway through his ninth decade was born during the heyday of Prohibition twenty years before the discovery of penicillin and thirty years before the hospital that I was born in was even built He was the first Bahamian qualified civil engineer and his connection to the public board of works helped to influence development of the City of Nassau at a critical time in its history As president of the Bahamian Amateur Athletic Association he traveled with our Olympic team to Rome in 1960 He is really the one who ought to have written a biography and so should have my mother whose story is equally compelling but it was never going to happen So I took it upon myself to write their stories and over time the narrative became my own 2 Why the title Westward The title reflects a dual movement figuratively toward a sunset that is hopefully still a good ways off and physically I have moved house farther and farther westward on the island of New Providence over the last twenty years I grew up in the eastern community of Danottage Estates moved to Westward Villas after marriage and lately farther west to Old Fort Bay The subtitle Walk is a reference to life and how it is

lived Walk good is a well known expression in our region of Jamaican origin that means good bye and be well 3 Why do you tell crime stories Firstly I am a true crime buff a fan of Forensic Files and truTV When I discovered that a man who shared my last name appeared on the list of persons sent to the gallows in the Bahamas I simply had to research the event and the fascinating story that I unearthed ended up in the book Two decades ago our neighbors were slaughtered and story of the familys grisly murder is recounted in Westward Other harrowing crime stories retold in Westward appear because on top of being so interesting they mark important signposts on my journey or they help to underscore a general theme I did not want to write a mundane memoir 4 Other doctors have written about their medical school and internship experience Whats new here Nowhere in the publicly available literature is there to be found a personal account of the making of a doctor in the Caribbean This is a process that has relevance outside of this region because the University of the West Indies in Jamaica has been producing doctors for sixty years and hundreds of its graduates have emigrated to the USA Canada and Great Britain where they practice and teach While the university adheres to the standard model of a grueling course of preclinical and clinical studies followed by a punishing internship there are significant differences in the education style and substance The West Indies style is evident in Westward 5 Why do you say that Westward is a sort of spiritual journey Looking backward over ones life the benefit of maturity almost always takes on a spiritual dimension I have had a Christian upbringing in a nation that has written our recognition of these values into the preamble of our Constitution My mother has always told me that I am blessed and in Westward I probe the interplay of luck hard work and divine intervention in my own personal achievements The conclusion is by no means foregone 6 Have you any regrets in writing your memoir Ten years ago two old men Gasper Weir and Cleophas Adderley Sr who were friends of my late grandfather invited me to their homes to talk about the bygone days I wish that I had taken them up on the offer 7 What was your most memorable experience in researching Westward There **Memoirs of a Longshot** W. Cothran Campbell, 2007-02-20 Teenage drinking diverted Cot Campbell onto the perilous slope of alcoholism This invidious enemy stymied the talents of young Campbell who lurched from job to job and from jail to jail Finally disgusted by his personal failures Cot grasped the aid of Alcoholics Anonymous Thereafter he forged a rising career curve with passion imagination and integrity taking his cherished wife and family along on the ride Campbell founded one of the South s leading advertising agencies then found a way to turn his love of horse racing into a sporting career and his success completed a remarkable transformation Memoirs of a Longshot is a sprightly telling of that unique tale It is indeed the story of a Riproarious Life Praise for Cot Campbell s Memoirs of a Longshot Leave it to a world class storyteller like Cot Campbell to weave the vague stumbling beginnings of a lad on a Tennessee horse farm with the raucous highs and desperate lows of big time horse racing Sprinkle the tale with such characters as Featherlip Trabue Rhumba Pete and a one armed barber named Baker Lane and come out the other end with an indelible memoir of a life lived in grand and gracious style Jay Hovdey Daily Racing Form Cot Campbell and I have had a strong working relationship for

more than a decade Reading Memoirs of a Longshot gave me a front row seat in the movie of his life all the highs and lows and everything in between This book is so much more than one man s autobiography it s an entertaining how to manual for an unusual life I thoroughly enjoyed reading the history of a man I have counted as my friend for many years Todd Pletcher North America s Leading Trainer for 3 years Cot Campbell s love of horses is matched by his love for writing He knows the low side and the high side of life and in Memoirs he doesn t spare himself From membership in AA to the winner s circle in the Triple Crown and the Breeders Cup from prep school brat to Saratoga he has run the gamut and you can run it with him in this his third book Furman Bisher Senior Columnist Atlanta Journal Constitution Cot Campbell s Dogwood Stable has been a mainstay in the world of horse racing for many years The rollicking tale of how this came to be and the personal travails overcome to make it so is at times harrowing and sad but ultimately uplifting and joyous Ed Bowen President Grayson Jockey Club Research Foundation Other Books by Cot Campbell Lightning in a Jar A how to guide for owning racehorses based on many of the author s own experiences Rascals Racehorses Runyonesque stories about racing interspersed with some of the author s candid tales For more information on Cot Campbell click here [Then Sings My Soul](#) Douglas Harrison,2012-05-15 In this ambitious book on southern gospel music Douglas Harrison reexamines the music s historical emergence and its function as a modern cultural phenomenon Rather than a single rhetoric focusing on the afterlife as compensation for worldly sacrifice Harrison presents southern gospel as a network of interconnected messages that evangelical Christians use to make individual sense of both Protestant theological doctrines and their own lived experiences Harrison explores how listeners and consumers of southern gospel integrate its lyrics and music into their own religious experience building up individual and potentially subversive meanings beneath a surface of evangelical consensus Reassessing the contributions of such figures as Aldine Kieffer James D Vaughan and Bill and Gloria Gaither Then Sings My Soul traces an alternative history of southern gospel in the twentieth century one that emphasizes the music s interaction with broader shifts in American life beyond the narrow confines of southern gospel s borders His discussion includes the gay gospel paradox the experience of non heterosexuals in gospel music as a cipher for fundamentalism s conflict with the postmodern world **Love Inspired October 2013 - Bundle 1 of 2** Lissa Manley,Brenda Minton,Kim Watters,2013-10-01 Love Inspired brings you three new titles for one great price available now for a limited time only from October 1 to October 31 Enjoy these uplifting contemporary romances of faith forgiveness and hope This Love Inspired bundle includes Storybook Romance by Lissa Manley The Cowboy s Christmas Courtship by Brenda Minton and A Season of Love by Kim Watters Look for 6 new inspirational stories every month from Love Inspired [Lgbt, Encyclopedia of Lesbian, Gay, Bisexual, and Transgender History in America: Race to Zulma, appendix, index](#) Marc Stein,2004 Online version of the 3 vol work published by Gale providing a comprehensive survey of lesbian and gay history and culture in the United States [Redeeming the South](#) Paul Harvey,2000-11-09 Together and separately black and white Baptists created different but intertwined cultures that

profoundly shaped the South Adopting a biracial and bicultural focus Paul Harvey works to redefine southern religious history and by extension southern culture as the product of such interaction the result of whites and blacks having drawn from and influenced each other even while remaining separate and distinct Harvey explores the parallels and divergences of black and white religious institutions as manifested through differences in worship styles sacred music and political agendas He examines the relationship of broad social phenomena like progressivism and modernization to the development of southern religion focusing on the clash between rural southern folk religious expression and models of spirituality drawn from northern Victorian standards In tracing the growth of Baptist churches from small outposts of radically democratic plain folk religion in the mid eighteenth century to conservative and culturally dominant institutions in the twentieth century Harvey explores one of the most impressive evolutions of American religious and cultural history

Benefiting by Design Chemba Raghavan, Arlene E. Edwards, Kim Marie Vaz, 2008 The presence of women of color within the practical applications of social science research findings is severely limited since spaces where and when women of color enter the arenas of research methodology research question and intervention design and knowledge generation is often that of the other Benefitting by Design addresses this limitation It does so by locating the experience and knowledge of women of color as its central theme with sections of the text referring to emerging trends that attend to the need for greater representation of women of color in research and academic settings A key theme is the dislodging of currently accepted positions for the experience of women of color as marginalized and subsumed under normative modes of examination to central positions in areas of social science research and clinical practice This is in response to the typical assumption of the need to fix TM women of color be it based on their immigration status sexual orientation race culture class or spiritual practice Benefitting By Design attends to the salient contexts of the lives of women of color from an emic perspective by providing models for addressing the limitations that result from exclusion and strategies for centering the experiential knowledge of women of color in social science research and practice that is designed for their benefit
