Wandering and Welcome Joseph Grant, 2019-10-30 Feeling unsettled or searching for peace Looking for a new way to find hope Every searching heart needs this book Times are difficult Joseph Grant's meditative delivery wraps his reader in hope tenderness and gratitude Wandering and Welcome is a beacon of poetic kindness rooted in honesty Scripture and truth You'll want to call loved ones and read pieces to them aloud Some pages will make you sigh in astonishment some will cause you to pause in revelation and others will bring tears of joy and appreciation If a book could be both giant reality check and tender hug all wrapped in one this would be it Amid the tumult of these frenzied times contemplative living does not propose an escape from our very real practical and sometimes intractable problems On the contrary it suggests a way of being still while still being in the storms that rage all around and within us Seasoned by tears of joy and lament prayer centered presence invites us to welcome the whole world by drawing it into our heart center Here theology mixes with theater and prophetic action with poetry as walls come tumbling down making way for wonder woe and well being from the introduction

*By Night* Reverend E. Clifford Cutler, 2010-01-21 Saint Paul's Church in Philadelphia where most of these sermons were given is reminiscent in architecture to those old pilgrimage churches of France with its rose window and gargoyles flying buttress and flèche that pierces the horizon of Chestnut Hill At one time the cross at the top of the flèche was the highest point in Philadelphia Coming to Saint Paul's brings one to a place of peace for me as one parishioner described it that helps me to try and work toward peace in the world An omen of peace for the parish is how our third rector described a gathering of clergy from North and South at Saint Paul's only six months after Lincoln's assassination Enemies just months prior they now stood before God at the altar of Saint Paul's A hundred years later in May of 1962 the parish established a memorial and planted a Red Oak on Rogation Day to honor Dag Hammarskjöld and all who died for world peace In a night of disunity and polarization that marks the opening of a third millennium the sermons and meditations in this book describe what is taking place beyond a flaring together that holds the brilliant prospect of peace This is the pilgrimage that is worth taking
