The Great Charles Dickens Scandal Michael Slater,2020-08-11 The true story of the sensational rumors surrounding the Victorian author and the attempts to cover them up Riveting a scholarly detective story The Boston Globe Charles Dickens was regarded as the great proponent of hearth and home in Victorian Britain but in 1858 this image was nearly shattered With the breakup of his marriage that year rumors of a scandalous relationship he may have conducted with the young actress Ellen Nelly Ternan flourished For the remaining twelve years of his life Dickens managed to contain the gossip After his death surviving family members did the same But when the author s last living son died in 1934 there was no one to discourage rampant speculation Dramatic revelations came from every corner over Nelly s role as Dickens s mistress their clandestine meetings and even his possibly fathering an illegitimate child This book presents the most complete account of the scandal and ensuing cover up ever published Drawing on the author s letters and other archival sources not previously available Dickens scholar Michael Slater investigates what Dickens did or may have done then traces the way the scandal was elaborated over succeeding generations Slater shows how various writers concocted outlandish yet plausible theories while newspapers and book publishers vied for salacious information With its tale of intrigue and a cast of well known figures from Thackeray and Shaw to Orwell and Edmund Wilson this book will delight not only Dickens fans but anyone who appreciate tales of mystery cover up and clever detection Slater s work is a fascinating investigation into the nature of scandal itself as much as it is a look at the particular episode The Daily Beast

The Life of Charles Dickens Sir Frank Thomas Marzials,1908 The Battle of Life. A Love Story . By Charles Dickens,2017-08-23 The Battle of Life A Love Story is a novella by Charles Dickens first published in 1846 It is the fourth of his five Christmas Books coming after The Cricket on the Hearth and followed by The Haunted Man and the Ghost s Bargain The setting is an English village that stands on the site of an historic battle Some characters refer to the battle as a metaphor for the struggles of life hence the title Battle is the only
