Oden,2006-10-05 In Paul s letters to the Corinthian church the pastoral issues of a first century Christian community stand out in bold relief This ACCS volume highlights the wisdom of Paul s epistles to the Corinthian church as interpreted by early church fathers such as Chrysostom Didymus the Blind Theodore of Mopsuestia Origen and Ambrosiaster *The Church in China in the 20th Century* Chen Zemin,2019-03-11 While the Peoples Republic of China is officially an atheist country Christianity continues to experience rapid growth on the Chinese mainland Many observers see the country as on the way to becoming the world s most Christian nation Yet there is widespread ignorance in the English speaking world about how the Chinese Christian community fared during the decades prior to China s opening up to the West in the aftermath of the historic visit of Richard Nixon to Beijing in 1972 This collection of essays the first of them published in 1939 provides an invaluable record of developments in mainland Chinese Christianity during that period and for the remaining decades of the twentieth century The fact that the essays were all authored by a key participant in the Protestant churches in China provides significant added value Professor Chen discusses a wide range of important topics various stages of rural and urban development the Three Self principles for structuring officially sanctioned worshiping communities Bishop K H Ting s advocacy of a genuinely indigenous Chinese theology patterns of international cooperation worship seminary education and much more These essays make a unique and significant contribution to the Western understanding of Asian religious life in the twentieth century

1 Corinthians Anthony C. Thiselton,2011-05-03 Anthony Thiselton s lengthy New International Greek Testament Commentary volume *The First Epistle to the Corinthians* 2000 has become a standard work on 1 Corinthians In this shorter commentary Thiselton draws on his excellent exegesis from that volume but combines it afresh with keen practical and pastoral application for readers at all levels Thiselton delves deeply into the context and text of Paul s first Corinthian letter as he suggests section by section how the book applies to pastoral and practical issues He draws vivid parallels between the growing church in Corinth and the twenty first century church demonstrating that today s church also faces a seductive culture of competition and consumerism The church in Corinth preferred its self centered theology to the Christ centered gospel of the wider apostolic church Paul s response in 1 Corinthians amplified by Thiselton s commentary becomes a living practical transforming word from God for Christians today
