what everyone always believes love alone can't save the day. It will take something both more and less powerful than the human heart to save the worlds upon worlds at risk when gods collide. For Robson, world building is a literary device like any other useful for exposing buried fears and desires to the light of day, no matter how strange the sun. New York Times Book Review *The Promise of Love, Sex, and Intimacy* Mark Whitwell, 2012-06-19. You can change your life in just seven minutes a day. A soft message for a hard time. *The Promise of Love, Sex, and Intimacy* is a simple yet profound solution to the cause of all human discontent: the lack of intimacy, especially sexual intimacy. Even amidst the plethora of techniques now available for so-called enlightenment from meditation and visualization to intensive prayer retreats or obsessive exercise regimens, the need for intimacy has been left unsatisfied. Requiring just seven minutes a day, the practice taught in this book called *Your Seven Minute Wonder* answers that need by opening the body and psyche to gratifying levels of personal and sexual intimacy. It is the practical means that allows you to tangibly realize your ideals and inherent perfection. Renowned teacher Mark Whitwell, who has spent a lifetime studying the secrets of life with the great masters, has seen through to the heart of their understanding and created a simple way for readers to acquire it for themselves. *Your Seven Minute Wonder* is a physical practice, a combination of healthful breathing sustained by synchronistic body movement. Its purpose is to be uplifting and totally functional, a dynamic interflow of inspiration or inhalation receptivity with the expression or exhalation strength. This in and out breathing cycle, which Mark carefully delineates, activates the deep male/female polarity within each of us, regardless of gender. The practice is effortless for everyone, and practitioners report that their well-being, vitality, sexuality, self-awareness, and true desires are awakened immediately and dramatically. It restores health and dignity, and sex becomes utterly relevant to a graceful life. Further, as you become receptive to your breath, the basis of all human function, you become responsive to money, power, and collaboration of all sorts. *The Promise of Love, Sex, and Intimacy* is a wise, powerful, and easy-to-follow roadmap to a practice that can be life-changing, one that promises to open you up to an entirely new level of human understanding.
