

Loveliest of Trees

by

**A.E. Housman
1895**

Loveliest of trees, the cherry now
Is hung with bloom along the bough,
And stands about the woodland ride
Wearing white for Eastertide.

Now, of my threescore years and ten,
Twenty will not come again,
And take from seventy springs a score,
It only leaves me fifty more.

And since to look at things in bloom
Fifty springs are little room,
About the woodlands I will go
To see the cherry hung with snow.

Housman Country Peter Parker, 2017-06-20 Parker s beautiful Housman Country tells you everything you want to know about the life and influence of England s most satirised but inimitable poets Evening Standard A New York Times Book Review Editor s Choice Nominated for the 2017 PEN Bograd Weld Prize for Biography A E Housman s *A Shropshire Lad* made little impression when it was first published in 1896 but has since become one of the best loved volumes of poetry in the English language Its evocation of the English countryside thwarted love and a yearning for things lost is as potent today as it was more than a century ago and the book has never been out of print In *Housman Country* Peter Parker explores the lives of A E Housman and his most famous book and in doing so shows how *A Shropshire Lad* has permeated English life and culture since its publication The poems were taken to war by soldiers who wanted to carry England in their pockets were adapted by composers trying to create a new kind of English music and have influenced poetry fiction music and drama right up to the present day Everyone has a personal land of lost content with blue remembered hills and Housman has been a tangible and far reaching presence in a startling range of work from the war poets and Ralph Vaughan Williams to Inspector Morse and Morrissey *Housman Country* is a vivid exploration of England and Englishness in which Parker maps out terrain that is as historical and emotional as it is topographical A rich blend of literary criticism and cultural history *The Spectator*

Small Press Review , 1986 *Housman's Poems* John Bayley, 1992 Although Housman s three collections of poems the third published posthumously have remained continuously popular they have not received much serious critical attention Bayley makes up for the omission in this thorough and comprehensive reappraisal of the whole oeuvre placing Housman s achievement in the context of the poetry of his own time and of more recent European and American poetry Close analysis and comparison with other poets Hardy Frost Edward Thomas Larkin and Paul Celan prove

illuminating in relation to a poet who has usually been considered something of an odd man out and even an anachronism in the modern era Bayley explores and explains the continuing appeal of the poetry to present day readers and the nature of craftsmanship and psychology which lie behind its deceptive simplicities The book is a valuable introduction to Housman's achievement for the specialist and the poetry lover alike **Poems** Sextus Propertius, 2018-09-27 The Poetry Book Society Autumn 2018 Recommended Translation Asked to name the great Latin love poets today's reader is likely to offer Catullus Ovid Virgil Horace Propertius a successor of the first and influential peer to the others has not been blessed by posterity Yet at their best his poems match any of the period They are poems of love of desire of insecurity and obsession of struggle too as they resist the Augustan Empire's attempts to turn its love poets into propagandists The result is a highly refined irony a subtlety of tone and humour that is unique Patrick Worsnip's translations bring out Propertius' playfulness and his psychological acuity reinstating his poems at the heart of Latin literature's golden age **Small Press Record of Books in Print** Len Fulton, 1993 **The Road of Danger, Guilt, and Shame** Carol Efrati, 2002 The commentaries of other critics are taken into account but the author also presents her own explications based on her close reading and wide knowledge of literature **BOOK JACKET The Queerness of Native American Literature** Lisa Tatonetti, 2014-11-30 With a new and more inclusive perspective for the growing field of queer Native studies Lisa Tatonetti provides a genealogy of queer Native writing after Stonewall Looking across a broad range of literature Tatonetti offers the first overview and guide to queer Native literature from its rise in the 1970s to the present day In *The Queerness of Native American Literature* Tatonetti recovers ties between two simultaneous renaissances of the late twentieth century queer literature and Native American literature She foregrounds how Indigeneity intervenes within and against dominant interpretations of queer genders and sexualities recovering unfamiliar texts from the 1970s while presenting fresh cogent readings of well known works In juxtaposing the work of Native authors including the longtime writer activist Paula Gunn Allen the first contemporary queer Native writer Maurice Kenny the poet Janice Gould the novelist Louise Erdrich and the filmmakers Sherman Alexie Thomas Bezucha and Jorge Manuel Manzano with the work of queer studies scholars Tatonetti proposes resourceful interventions in foundational concepts in queer studies while also charting new directions for queer Native studies Throughout she argues that queerness has been central to Native American literature for decades showing how queer Native literature and Two Spirit critiques challenge understandings of both Indigeneity and sexuality **Poem Central** Shirley McPhillips, 2023-10-10 In everything we have to understand poetry can help Tony Hoagland Harper's April 2013 In *Poem Central* Word Journeys with Readers and Writers Shirley McPhillips helps us better understand the central role poetry can play in our personal lives and in the life of our classrooms She introduces us to professional poets teachers and students people of different ages and walks of life who are actively engaged in reading and making poems Their stories and their work show us the power of poems to illuminate the ordinary to nurture inspire and stand alongside us for the journey *Poem Central* is divided into three main

Andrew Marvell, Sexual Orientation, and Seventeenth-Century Poetry George Klawitter,2017-09-01 Andrew Marvell Sexual Orientation and Seventeenth Century Poetry examines the important Interregnum Restoration poet Andrew Marvell against a background of his contemporary lyric poets His major works from the early elegies to the later political pieces are discussed with a view to unmasking the poet's own sexuality and his reflection of prevailing sexual attitudes Popular poems like the Mower poems and The Nymph Complaining for the Death of her Fawn are explicated in depth as well as lesser known poems like The Unfortunate Lover and The Gallery Marvell often described as a chameleon has teased readers for hundreds of years This new book will help both new readers as well as established Marvellians to understand cryptic sexual meanings and references in the verses Poems are explicated against current heteronormative theory as well as recent work on homoeroticism autoeroticism and celibacy George Klawitter has devoted much of his recent scholarly life to a study of Marvell's lyric pieces and brings to this new book fresh insights into the suggestive intent of the poet's works **A Bell Curve and Other Poems** David J. Murray,2013-10 Poet David J Murray divides 118 short poems into seven separate sections each section holds a common theme but includes a different number of poems from the other sections The poems offer photographs of moments in his mental life while the collection as a whole uses the bell curve concept to allow him to stress the unified nature of this poetry collection **Man Root is Proud to Announce Its 44th Title: Samuel M. Steward's Love Poems: Homage to Housman** ,1984 **Dismantling Glory** Lorrie Goldensohn,2006-04-18 Dismantling Glory presents the most personal and powerful words ever written about the horrors of battle by the very soldiers who put their lives on the line Focusing on American and English poetry from World War I World War II and the Vietnam War Lorrie Goldensohn a poet and pacifist affirms that by and large twentieth century war poetry is fundamentally antiwar She examines the changing nature of the war lyric and takes on the literary thinking of two countries separated by their common language World War I poets such as Wilfred Owen emphasized the role of soldier as victim By World War II however English and American poets influenced by the leftist politics of W H Auden tended to indict the whole of society not just its leaders for militarism During the Vietnam War soldier poets accepted themselves as both victims and perpetrators of war's misdeeds writing a nontraditional more personally candid war poetry The book not only discusses the poetry of trench warfare but also

shows how the lives of civilians women and children in particular entered a global war poetry dominated by air power invasion and occupation Goldensohn argues that World War II blurred the boundaries between battleground and home front thus bringing women and civilians into war discourse as never before She discusses the interplay of fascination and disapproval in the texts of twentieth century war and notes the way in which homage to war hero and victim contends with revulsion at war s horror and waste In addition to placing the war lyric in literary and historical context the book discusses in detail individual poets such as Wilfred Owen W H Auden Keith Douglas Randall Jarrell and a group of poets from the Vietnam War including W D Ehrhart Bruce Weigl Yusef Komunyakaa David Huddle and Doug Anderson Dismantling Glory is an original and compelling look at the way twentieth century war poetry posited new relations between masculinity and war changed and complicated the representation of war and expanded the scope of antiwar thinking
