Canada and the Crown D. Michael Jackson, Philippe Lagassé, 2014-01-01 Stephen Harper's Conservative government has reversed the trend of its predecessors by giving the Crown a higher profile through royal tours publications and symbolic initiatives Based on papers given at a Diamond Jubilee conference on the Crown held in Regina in 2012 Canada and the Crown assesses the historical and contemporary importance of constitutional monarchy in Canada Established and emerging scholars consider the Canadian Crown from a variety of viewpoints including the ways in which the monarch relates to Quebec First Nations the media education Parliament the constitution and the military They also consider a republican option for Canada Editors D Michael Jackson and Philippe Lagass provide context for the essays summarize and expand on the issues discussed by the contributors and offer a perspective on further study of the Crown in Canada Contributors include Richard Berthelsen Lieutenant Colonel Alexander Bolt Office of the Judge Advocate General James W J Bowden Stephanie Danyluk Whitecap Dakota First Nation Linda Cardinal University of Ottawa Phillip Crawley CEO The Globe and Mail John Fraser Massey College Carolyn Harris University of Toronto Robert E Hawkins University of Regina Ian Holloway University of Calgary Senator Serge Joyal Nicholas A MacDonald Christopher McCreery Office of Lieutenant Governor of Nova Scotia J R Jim Miller University of Saskatchewan Peter H Russell University of Toronto David E Smith Toronto Metropolitan University and John D Whyte University of Regina Max Beaverbrook Charles Williams, 2019-05-07 Financial magician flamboyant politician minister in both world wars press baron serial philanderer Winston Churchill's boon companion in the

dark days of 1940 41 and in his later years Max Beaverbrook was without a doubt one of the most colourful characters of the first half of the twentieth century Born and brought up in the Scottish Presbyterian fastness of northeast Canada he escaped to make his fortune in Canadian financial markets By 1910 when he migrated to Britain at the age of thirty one he was already a multimillionaire With a seat in the House of Commons and then a peerage he came to know all the senior figures in both British and Canadian politics In acquiring the Daily Express he not only built it into a news empire but used its considerable influence to campaign for his own pet causes As Charles Williams s sweeping biography shows Beaverbrook was loved and loathed in equal measure Nevertheless Williams brings to life a rounded character with all its flaws and virtues Above all it is a story of eighty years of entrepreneurism political dogfights wars sex and grand living all set in the rich tapestry of the dramatic years of the twentieth century The Routledge Companion to Global Indigenous History Ann McGrath, Lynette Russell, 2021-09-30 The Routledge Companion to Global Indigenous History presents exciting new innovations in the dynamic field of Indigenous global history while also outlining ethical political and practical research Indigenous histories are not merely concerned with the past but have resonances for the politics of the present and future ranging across vast geographical distances and deep time periods. The volume starts with an introduction that explores definitions of Indigenous peoples followed by six thematic sections which each have a global spread European uses of history and the positioning of Indigenous people as history soutsiders their migrations and mobilities colonial encounters removals and diasporas memory identities and narratives deep histories and pathways towards future Indigenous histories that challenge the nature of the history discipline itself This book illustrates the important role of Indigenous history and Indigenous knowledges for contemporary concerns including climate change spirituality and religious movements gender negotiations modernity and mobility and the meaning of nation and the global Reflecting the state of the art in Indigenous global history the contributors suggest exciting new directions in the field examine its many research challenges and show its resonances for a global politics of the present and future This book is invaluable reading for students in both undergraduate Mistress of everything Sarah Carter, Maria Nugent, 2016-07-01 Mistress of and postgraduate Indigenous history courses everything examines how indigenous people across Britain's settler colonies engaged with Queen Victoria in their lives and predicaments incorporated her into their political repertoires and implicated her as they sought redress for the effects of imperial expansion during her long reign It draws together empirically rich studies from Canada Australia New Zealand and Southern Africa to provide scope for comparative and transnational analysis The book includes chapters on a Maori visit to Queen Victoria in 1863 meetings between African leaders and the Queen's son Prince Alfred in 1860 gift giving in the Queen s name on colonial frontiers in Canada and Australia and Maori women s references to Queen Victoria in support of their own chiefly status and rights The collection offers an innovative approach to interpreting and including indigenous perspectives within broader histories of British imperialism and settler colonialism From Servants of the Empire to Everyday

Heroes Tobias Harper, 2020 A history of the British Crown honours system in the 20th century showing its evolution through a period of democratisation and decolonisation Tobias Harper examines how governments used the honours system to shape ideologies of loyalty and service while dissidents turned the symbolism of honours against the Crown Phil Long, Nicola J. Palmer, 2008 The relationships between tourism and royalty have received little coverage in the tourism literature This volume provides a critical exploration of the relationships between royalty and tourism past present and future from a range of disciplinary perspectives **Design and Agency** John Potvin, Marie-Ève Marchand, 2020-05-14 Design and Agency brings together leading international design scholars and practitioners to address the concept of agency in relation to objects organisations and people The authors set out to expand the scope of design history and practice avoiding the heroic narratives of a typical modernist approach They consider both how the agents of design construct and express their identities and subjectivities through practice while also investigating the distinctive contribution of design in the construction of individual identity and subjectivity Individual chapters explore notions of agency in a range of design disciplines and historical periods including the agency of women in effecting changes to the design of offices and working practices the role of Jeffrey Lindsay and Buckminster Fuller in developing the design of a geodesic dome Le Corbusier's Casa Curutchet a re consideration of the gendered historiography of the Jugendstil movement and Bruce Mau's design exhibitions Taken together the essays in Design and Agency provide a much needed response to the traditional texts which dominate design history With a broad chronological span from 1900 to the present and an equally broad understanding of the term design it expands how we view the discipline and shows how design itself can be an agent for social cultural and economic change **Shadows** Anna Haebich, 2018 Dancing in Shadows explores the power of Indigenous performance pitted against the forces of settler colonisation Historian Anna Haebich documents how the Nyungar people of Western Australia strategically and courageously adapted their rich performance culture to survive the catastrophe that engulfed them and continue to generously share their culture history and language in theatre In public corroborees they performed their sovereignty to the colonists and in community only gatherings they danced and sang to bring forth resilience and spiritual healing Pushed away by the colonists and denied their culture and lands they continued to live and perform in the shadows over the years in combinations of the old and the new including indigenised settler songs and dances Nyungar people survived and they now number around 40 000 people and constitute the largest Aboriginal nation in the Australian settler state The ancient family lineages live in city suburbs and country towns and they continue to perform to celebrate their ancestors and to strengthen community well being by being together Dancing in Shadows sheds light on the little known history of Nyungar performance Subject Theatre Studies Sociology History Australian History Aboriginal Studies **Sources and Methods in Histories of Colonialism** Kirsty Reid, Fiona Paisley, 2017-03-27 This book facilitates a deeper understanding of the challenges of working with a range of specific source genres within imperial and colonial archives Drawing material from a range of modern

empires from the late 18th century to the present day chapters consider the ways in which newer ways of thinking about the past have challenged more traditional views of the archive provoking questions about what archives are and where their conceptual geographical and chronological boundaries lie Examining a wide selection of source material including government papers censuses petitions and case files this book will be essential reading for students of imperial and colonial Roots of Entanglement Myra Rutherdale, Kerry Abel, P. Whitney Lackenbauer, 2018-01-31 Roots of Entanglement offers an historical exploration of the relationships between Indigenous peoples and European newcomers in the territory that would become Canada Various engagements between Indigenous peoples and the state are emphasized and questions are raised about the ways in which the past has been perceived and how those perceptions have shaped identity and in turn interaction both past and present Specific topics such as land resources treaties laws policies and cultural politics are explored through a range of perspectives that reflect state of the art research in the field of Indigenous history Editors Myra Rutherdale Whitney Lackenbauer and Kerry Abel have assembled an array of top scholars including luminaries such as Keith Carlson Bill Waiser Skip Ray and Ken Coates Roots of Entanglement is a direct response to the Truth and Reconciliation Commission's call for a better appreciation of the complexities of history in the relationship between Indigenous and non Indigenous peoples in Canada A Resilient Crown D. Michael Jackson, Christopher McCreery, 2022-08-30 As the Queen marks seventy years on the throne this engaging work examines Canada's constitutional monarchy As Queen Elizabeth II celebrates her Platinum Jubilee in 2022 and nears the conclusion of her reign much discussion and debate has taken place about the monarchy in Canada A Resilient Crown examines a broad range of issues related to Canada's constitutional monarchy its present state and its future Topics include Crown Indigenous relations the foundational place of the Crown in Canada's system of government the viceregal offices and the role of the administrator the Crown and francophone Canada the prime ministers and the Queen royal tours and Queen Elizabeth herself Drawing from academics serving and retired public servants and well known commentators this book brings together a rich collection of essays that delve into the Crown in Canada today The Quebec Conference of 1864 Eugénie Brouillet, Alain-G. Gagnon, Guy Laforest, 2018-12-30 Like all major events in Canadian history the Quebec Conference of 1864 an important step on Canada's road to Confederation deserves to be discussed and better understood Efforts to revitalize historical memory must take a multidisciplinary and multicultural approach The Quebec Conference of 1864 expresses a renewed historical interest over the last two decades in both the Quebec Canada constitutional trajectory and the study of federalism Contributors from a variety of disciplines argue that a more grounded understanding of the 72 Quebec Resolutions of 1864 is key to interpreting the internal architecture of the contemporary constitutional apparatus in Canada and a new interpretation is crucial to appraise the progress made over the 150 years since the institution of federalism The second volume in a series that began with The Constitutions That Shaped Us A Historical Anthology of Pre 1867 Canadian

Constitutions this book reveals a society in constant transition as well as the presence of national projects that live in tension with the Canadian federation Lord Dufferin, Ireland and the British Empire, c. 1820–1900 Annie Tindley, 2021-03-29 This book explores the life and career of Frederick Temple Hamilton Temple Blackwood 1st Marguess of Dufferin and Ava 1826 1902 Dufferin was a landowner in Ulster an urbane diplomat literary sensation courtier politician colonial governor collector son husband and father The book draws on episodes from Dufferin's career to link the landowning and aristocratic culture he was born into with his experience of governing across the British Empire in Canada Egypt Syria and India This book argues that there was a defined conception of aristocratic governance and purpose that infused the political and imperial world and was based on two elements the inheritance and management of a landed estate and a well defined sense of rule by the best It identifies a particular kind of atmosphere of empire and aristocracy one that was riven with tensions and angst as those who saw themselves as the hereditary leaders of Britain and Ireland were challenged by a rising democracy and in Ireland by a powerful new definition of what Irishness was It offers a new perspective on both empire and aristocracy in the nineteenth century and will appeal to a broad scholarly audience and the wider public The Canadian Kingdom D. Michael Jackson, 2018-04-14 An integral part of Canada's political culture constitutional monarchy has evolved since Confederation to become a uniquely Canadian institution How has it shaped twenty first century Canada How have views on the monarchy changed Eleven experts on the history of Canada's Crown take up these questions from diverse perspectives Strange Demise of British Canada C. P. Champion, 2010 Did Canada come of age in the 1960s or does it remain a British People, State, and War under the French Regime in Canada Louise Dechêne, 2021-07-15 Covering a period that country runs from the founding of the colony in the early seventeenth century to the conquest of 1760 People State and War under the French Regime in Canada is a study of colonial warriors and warfare that examines the exercise of state military power and its effects on ordinary people Overturning the tendency to glorify the military feats of New France and exploding the rosy myth of a tax free colonial population Louise Dech ne challenges the stereotype of the fighting prowess and military enthusiasm of the colony s inhabitants She reveals the profound incidence of social divides the hardship war created for those expected to serve and the state s demands on the civilian population in the form of forced labour requisitions and billeting of soldiers Originally published posthumously in French People State and War under the French Regime in Canada is the culmination of a lifetime of research and unparalleled knowledge of the archival record including official correspondence memoirs military campaign journals taxation records and local parish records Dech ne reconstructs the variegated composition and conditions of military forces in New France which included militia colonial volunteers and regular troops as well as Indigenous allies The study offers an informed and ambitious comparison between France and other French colonies and shows that the mobilization of an unpaid compulsory militia in New France greatly exceeded requirements in other parts of the French domain With empathy sensitivity to the social dimensions of life and a piercing

insight into the operations of power Dech ne portrays the colonial condition with its rightful dose of danger and ambiguity Her work underlines the severe toll that warfare takes on the individual and on society and the persistent deprivation disorder fear and death that come with conflict **Queen Victoria** Michael Ledger-Lomas, 2021-04-08 This biography evokes the pervasive importance of religion to Queen Victoria's life but also that life's centrality to the religion of Victorians around the globe The first comprehensive exploration of Victoria's religiosity it shows how moments in her life from her accession to her marriage and her successive bereavements enlarged how she defined and lived her faith It portrays a woman who had simple convictions but a complex identity that suited her multinational Kingdom a determined Anglican who preferred Presbyterian Scotland an ardent Protestant who revered her husband s Lutheran homeland but became sympathetic towards Roman Catholicism and Islam a moralizing believer in the religion of the home who scorned Sabbatarianism Drawing on a systematic reading of her journals and a rich selection of manuscripts from British and German archives Michael Ledger Lomas sheds new light not just on Victoria's private beliefs but also on her activity as a monarch who wielded her powers energetically in questions of church and state Unlike a conventional biography this book interweaves its account of Victoria's life with a panoramic survey of what religious communities made of it It shows how different churches and world religions expressed an emotional identification with their Queen and Empress turning her into an embodiment of their different and often rival conceptions of what her Empire ought to be The result is a fresh vision of a familiar life which also explains why monarchy and religion remained close allies in the nineteenth century British world
