Disarming the Church Eric A. Seibert, 2018-04-11 If Christians follow the Prince of Peace why do they often behave so violently? What can be done to transform the church so that it looks more like Jesus? Eric Seibert explores these questions in this important and timely study. He builds a biblical and practical case for living nonviolently in all areas of life and urges Christians to reexamine their most fundamental attitudes toward violence, warfare, and killing. Through true stories and careful analysis Seibert demonstrates that it is possible to resolve conflict, correct injustice, and stop oppression without resorting to violence. Many nonviolent alternatives are discussed throughout the book, alternatives that can be used in a wide range of situations from dealing with an unwanted intruder at home to removing a dictator from power. In a world filled with so much violence, hate, and fear, alternatives like these are desperately needed. This book offers hope that a better way is possible, one that has the potential to transform the church and change the world. So read on and join in.

Reading the Bible After Christendom Lloyd Pieteresen, 2011-04-01 Pieteresen argues that for too long the Old Testament has been the primary source for Christian ethics and the letters of Paul for Christian discipleship. Without disparaging these sources, the author suggests that the church in a postmodern, post-Christian society needs to look at Scripture with a different focus. This book seeks to examine what reading the Bible might look like in the current period when the church is no longer central and the Christian story is not well known. This is a provocative and refreshing exploration of the possibilities inherent in 15th century reading Scripture from the margins rather than from within the compromised and rapidly receding structures of Christendom. A worthy addition to the challenging *After Christendom* series. Lloyd Pieteresen's thoughtful work moves the discussion forward in ways that are at times controversial, at other times stretching, but at all times constructive. Highly recommended. Brian Harris, Principal, Vose Seminary, Perth, Australia.

Commentary on the Occasional Services Philip H. Pfatteicher, 1983 Presents biblical, theological, and historical issues involved with each service in *Occasional Services* and expands on proper use of the rubrics.
