Make The Most Of A Good Thing You:

Make the Most of Your Life (Collection) Richard Templar, 2013-08-19 In *The Rules of Life* Richard Templar brings together 106 practical rules that happy successful people follow even if they've never thought about it. These are realistic commonsense things you can do differently starting today: small things that make a powerful difference. Templar offers real wisdom on telling the difference between what's important and what isn't, focusing on changes you really can make using your intuition, learning positive lessons from your regrets, having great dreams and making practical plans, staying young, forgiving without becoming a pushover. The first edition of *The Rules of Life* became a global phenomenon, topping bestseller charts around the world. This new, even better edition includes nine brand new rules to take you further, faster. Follow *The Rules of Life*. You'll feel better. You'll be a better friend, partner, and parent. And you'll leave the world a better place. Richard Templar's *The Rules of Parenting: Expanded Edition* presents the principles to follow which you can adapt to suit you and your children. Templar, author of *The Rules of Life* and many other best sellers, has brought together 100 parenting tips you can start using instantly. Now updated and expanded with 10 brand new rules, Templar's rules address everything you need to know from start to finish. Beginning with the first rule, Relax, and continuing through 100 rules, this book presents a guide to everything a parent needs to know from toddling, school, boyfriends or girlfriends, through driving lessons and college. The book begins with a section that covers the most important rules: *The Rules for Staying Sane*. The rest of the sections cover some of the big questions of parenting, including the Attitude Rules, the Discipline Rules, the Sibling Rules, the School Rules, the Teenage Rules, the Crisis Rules, all the way up to the Grown up Rules. **Ending the Epidemic of Child Abuse** Robert Anthony, 2009-07-20 Designed to change anyone's life, you cannot read this book and walk away unchanged. *Ending the Epidemic of Child Abuse* is an all-encompassing guide for survivors that will help you learn to thrive, not just survive.
