Make It And Ride It:

Make it and Ride it C. J. Maginley, 1949 *Make Sure Your Shirt Has Buttons* Michael Stevens, 2006-08 No matter if you consider yourself a success or are seeking ways to experience it *Make Sure Your Shirt Has Buttons* describes certain behavioral and personality traits we all must use to succeed in life We are taught throughout our childhood and well into adulthood that there are typically four things we must do if we want to achieve success The four things referred to metaphorically in the book as shirts are get an education get a job maintain good physical and mental health obey all laws We re taught about these four things at school home and through a variety of other methods But one message that is not taught is the fact that these four things only lay the foundation for what it takes to begin the process of succeeding in life Just as a real shirt won t function as intended or look as good without buttons the author provides 13 principles that serve as buttons to complement the metaphorical shirts Through the use of personal examples the author shares various strategies suggestions recommendations and tips that describe the process to become a success
