**Make It New** Kurt Heinzelman, 2003 What was Modernism and why does it still matter The term itself first gained currency in the 1930s describing a kind of art that already may have peaked some would say as early as 1922 Whatever its ups and downs in its own time as the novelist Julian Barnes claims in one of the twenty essays commissioned for the present volume Modernism never vanished It remains our immovable feast Modernism was international in scope it left its mark on all genres from literature and painting to opera dance and architecture it pushed the boundaries of what was artistically possible and aesthetically important and finally for all its destructive urges which it shared with the century itself it was also celebrative This book is a response to the exhibition of the same name that opened at the Harry Ransom Center in October 2003 It includes original essays by such noted writers and artists as Russell Banks Anita Desai David Douglas Duncan Elizabeth Hardwick and Penelope Lively which offer fresh perspectives on important Modernist figures including William Gaddis Ezra Pound William Faulkner E M Forster Paul Robeson Virginia Woolf Henry James Joseph Conrad Frank Lloyd Wright and Le Corbusier In addition essays by leading scholars in literature and art history focus on specific artifacts included in the exhibit As the Center's Director Thomas F Staley puts it in the Foreword Ours is an attempt not of definition but of discovery and rediscovery Book and exhibition permit both reader and viewer to experience the textures structures and resonances which made the first part of the twentieth century so innovative that its art is still virtually synonymous with what newness means *Make It New* Bill Beuttler, 2019-10-01 As jazz enters its second century it is reasserting itself as dynamic and relevant Boston Globe jazz writer and Emerson College professor Bill Beuttler reveals new ways in which jazz is engaging with society through the vivid biographies and music of Jason Moran Vijay Iyer Rudresh Mahanthappa The Bad Plus Miguel Zenón Anat Cohen Robert Glasper and Esperanza Spalding These musicians are freely incorporating other genres of music into jazz from classical both western and Indian to popular hip hop R B rock bluegrass klezmer Brazilian choro and other art forms as well literature film photography and other visual arts This new generation of jazz is increasingly more international and is becoming more open to women as instrumentalists and bandleaders Contemporary jazz is reasserting itself as a force for social change prompted by developments such as the Black Lives Matter MeToo movements and the election of Donald Trump *How to Make a New Product Every Day* George Saoulidis, 2020-12-27 This is a product The sentence above will make more sense once you read this guide If you're a creator an entrepreneur or a producer and want to take your business to the next level this guide is for you From books to artwork to videogames the advice contained in this guide will help you make a long term strategy for making and selling products in the new world of frictionless commerce *How to Make a New Spain* Enrique Rodríguez-Alegría, 2023 As we enter the material worlds of Spanish colonizers we should get to know a little bit about the colonizers themselves In this chapter I characterize the economic standing of colonizers focusing on their wealth and the kinds of things on which they spent or invested their money To address issues of

wealth it will be necessary to study the kinds of coin and other media of exchange that were in use in sixteenth century Mexico City The people compiling the probate inventories that form the basis of this study measured and recorded the value of each item in material terms the amount of gold that would be necessary to purchase a person s belongings They translated each decedent s net worth into coin in official documents with the intent of communicating and sending the value of the decedent s belongings to his or her family in Spain Calculating the value of a decedent s belongings as gold also helped the church and the Spanish crown collect some revenue from a person s estate through donations to the church and taxes to the king
