Makers of the Modern Theatre Barry Ulanov, 1961 Metamodernism in Contemporary British Theatre Tom Drayton, 2024-10-03 Postmodern theatre is dead A

new theatre is rising one that combines the well worn postmodern aesthetics of irony detachment and deconstruction with a paradoxical interest in authenticity engagement and re construction Whilst recent scholarship has treated these evolving interests as unrelated shifts in performance aesthetics this volume proposes a new understanding that these are part of a wider emerging cultural paradigm metamodernism Metamodernism in Contemporary British Theatre is the first book to focus on metamodernism and performance offering a pioneering framework by which to identify and understand metamodern theatre By drawing critical links between the works of performance theorists such as Anne Bogart and Andy Lavender and the metamodern as defined by Timotheus Vermeulen and Robin van den Akker this book makes a clear vital and urgent case for the use of the term metamodernism within mainstream theatre scholarship Focussing on small scale theatre companies across the UK including Poltergeist YESYESNONO Middle Child and The Gramophones many of whom have not been documented in academia before this book also provides a unique analysis of the theatre made by British millennials a generation who have been distinctly affected by specific structures of contemporary precarity coinciding with this wider cultural shift Through this Metamodernism in Contemporary British Theatre makes a crucial contribution towards understanding emergent developments in post millennial theatre practice across Britain and beyond

**The Theatre**

**Performing Fantasy and Reality in Contemporary Culture** Anastasia Seregina, 2018-09-03 We frequently engage with that which we consciously perceive not to be real yet fantasy despite its pervasive presence and strong role in everyday life through its connection to identities communities desires and meanings has yet to be properly defined and researched This book examines fantasy from a performance theory perspective Drawing on multidisciplinary literature it presents ethnographic and art based research on live action role playing games to explore fantasy as a bodily and negotiated phenomenon that involves various kinds of engagement with one's surroundings Overall this book is a study of various forms and roles that fantasy can take on as part of contemporary Western culture The study suggests that fantasy emerges as a different type of interpretation of normalised performance and reality and can thus provide individuals with the tools to wield agency in everyday life The book will appeal to scholars of sociology cultural and media studies literature and performance studies

**Dramatic Theories of Voice in the Twentieth Century** Andrew Kimbrough, 2010

Performing Copyright Luke McDonagh, 2021-06-17 Based on empirical research this innovative book explores issues of performativity and authorship in the theatre world under copyright law and addresses several inter connected questions who is the author and first owner of a dramatic work Who gets the credit and the licensing rights What rights do the performers of the work have Given the nature of theatre as a medium reliant on the re use of prior

existing works tropes themes and plots what happens if an allegation of copyright infringement is made against a playwright Furthermore who possesses moral rights over the work To evaluate these questions in the context of theatre the first part of the book examines the history of the dramatic work both as text and as performative work The second part explores the notions of authorship and joint authorship under copyright law as they apply to the actual process of creating plays referring to legal and theatrical literature as well as empirical research The third part looks at the notion of copyright infringement in the context of theatre noting that cases of alleged theatrical infringement reach the courts comparatively rarely in comparison with music cases and assessing the reasons for this with respect to empirical research The fourth part examines the way moral rights of attribution and integrity work in the context of theatre The book concludes with a prescriptive comment on how law should respond to the challenges provided by the theatrical context and how theatre should respond to law Very original and innovative this book proposes a ground breaking empirical approach to study the implications of copyright law in society and makes a wonderful case for the need to consider the reciprocal influence between law and practice

**The Great European Stage Directors Volume 6** Clare Finburgh Delijani, Peter M. Boenisch, 2021-10-07 This volume examines the work of Joan Littlewood Giorgio Strehler and Roger Planchon demonstrating how these three directors take up key aesthetic prompts from earlier innovators Stanislavski the modernist avant garde and not least Brecht and thereby prepare the ground for contemporary politically engaged directors theatre It argues that in creating their major productions in the prosperous glorious decades that followed the devastation of the Second World War they represent a first expressly European generation of theatre directors Revisiting works from the classical dramatic canon by drawing on popular theatre traditions and reaching out to spectators beyond the educated middle class elite they put theatre in the service of uniting a traumatized continent This study posits that for Littlewood Strehler and Planchon theatre has the capacity to create communities
