Making A Just Peace Human Rights And Domination Systems

Daniel Philpott, Gerard Powers

Making A Just Peace Human Rights And Domination Systems:

Strategies of Peace Daniel Philpott, Gerard Powers, 2010-03-24 How can a just peace be built in sites of genocide massive civil war dictatorship terrorism and poverty In *Strategies of Peace* the first volume in the *Studies in Strategic Peacebuilding* series fifteen leading scholars propose an imaginative and provocative approach to peacebuilding Today the dominant thinking is the liberal peace which stresses cease fires elections and short run peace operations carried out by international institutions western states and local political elites But the liberal peace is not enough the authors argue A just and sustainable peace requires a far more holistic vision that links together activities actors and institutions at all levels By exploring innovative models for building lasting peace a United Nations counter terrorism policy that also promotes good governance coordination of the international prosecution of war criminals with local efforts to settle civil wars increasing the involvement of religious leaders who have a unique ability to elicit peace settlements and many others the authors advance a bold new vision for peacebuilding

Sacramental Life David A. deSilva, 2025-09-08 What happens when old meets new As David deSilva has experienced the ancient wisdom of the Book of Common Prayer he s been formed spiritually in deep and lasting ways In these pages he offers you a brand new way to use the Book of Common Prayer that you too might experience new growth new intimacy with God and a new lens through which to view the world Focusing on the four sacramental rites of baptism Eucharist marriage and burial deSilva explores each one in depth through the prayers liturgies and Scripture readings of the Book of Common Prayer and then adds his own devotional exercises that help you immediately apply what you ve reflected on As you read and contemplate the material you may notice old habits wrong beliefs and negative patterns being replaced with new desires and perspectives that help you draw ever closer to God In this innovative and engaging resource David deSilva invites you in to a new way of being spiritually formed through an old book that has shaped thousands of disciples through the years I hope that as you read and pray through this guide he writes you will discover afresh the ways in which the rites contained in the Book of Common Prayer facilitate a genuine encounter with God and a transforming experience of grace

Modern Just War Theory Michael P. Farrell, 2013-06-20 Contributions to Illuminations A Scarecrow Press Series of Guides to Research in Religion provide students and scholars lay readers and clergy with a road map to research in key areas of religious study All commonly constructed with introductions to the topic and reviews of key thinkers concepts and events each volume includes surveys of the primary and secondary sources with critical evaluations of their places in the canon of thought and research on the topic Focusing primarily on the knowledge required by today s students and scholars each guide is a must have for any student of religion The twentieth century saw an explosion of wars and an accompanying explosion of literature on the morality of war Thinking among Christian clerics and scholars on the idea of just war shifted with developments on the battlefield Alternatives to just war theory such as pacifism and realism found new proponents in the published work of the neo Anabaptists and Niebhurians Meanwhile proponents of Christian just war theory

had to address challenges from competing ideologies as well as those presented by the changing nature of warfare Modern Just War Theory A Guide to Research by scholar and librarian Michael Farrell serves as a manual for students and scholars studying Christian just war theory helping them navigate the wealth of just war literature produced in the twentieth and twenty first centuries Farrell's guide provides an introduction to the major developments of just war theory in the twentieth century including sections on how to research just war theory an overview of some of the most important theorists and developments of the twentieth century and discussions of key search terms and related topics Farrell then surveys and evaluates key primary and secondary sources for researchers on just war theory as well as related sources on Christian realism and the responses of just war theorists to proponents of pacifism and secular just war theories Modern Just War Theory will appeal to students and scholars of theology military history international law and Christian ethics **Shalom Church** Craig L. Nesson, 2010-08-02 Craig Nesson's important new work retrieves biblical metaphors of the body of Christ and following Dietrich Bonhoeffer sees church today as Christ existing as community To theological probing Nesson then adds contextual analysis and describes the four chief imperatives that mark Christ's presence in the world today peacemaking justice making care for creation and engagement with the other He then unfolds the real life implications of this paradigm of Christian community for the local church structure strategies for partnering public witness and interreligious engagement Practicing Discipleship Nicole L. Johnson, 2009-06-01 Despite a plurality of doctrinal statements on war peace and nonviolence some United Methodists sustain a commitment to nonviolence Through qualitative research Practicing Discipleship draws out lived theologies of nonviolence in order to understand how nonviolent United Methodists define ground and practice nonviolence and to give that voice opportunity to challenge church doctrine and thereby the wider church An analysis of statements from the Book of Disciplines and the Book of Resolutions reveals the plurality of Methodist teachings on moral issues related to war and peace While such plurality is indicative of the inclusive tradition of United Methodism Johnson shows that it also causes confusion thus hindering the vitality and authority of the church's witness This study's qualitative analysis of in depth interviews with twelve nonviolent United Methodists reveals a lived theology rooted in Scripture and theological reflection it points particularly to a christocentrism that posits nonviolence as central to Christ's teachings and example While study participants affirm the tradition of openness in the United Methodist Church they also call for more tangible and extensive support for and education about nonviolence as a faithful option for Christians Through amicable and constructive practical theological dialogue doctrinal plurality and ecclesial openness are affirmed as appropriate and possible only within the context of the church's profound commitment to serious discipleship which includes transformation toward nonviolence Implications of this interaction include developing and adopting a more truthful conception of a nonviolent ethics moving toward broadly conceived Christian formation in nonviolence and fostering ongoing ecclesial dialogue about difficult moral issues of war peace and nonviolence

Transformation David A. deSilva, 2014-09-18 The gospel is often presented as little more than a get out of hell free pass But is that all there is to it What made it so compelling that the Apostle Paul would give up everything enduring hardships and deprivation to preach good news David deSilva argues that some Christians have unintentionally reduced the gospel to a message Paul would hardly recognize The gift of righteousness is far richer than many of us have dared to imagine In Transformation The Heart of Paul's Gospel deSilva examines the gospel message as presented in Paul's letters He demonstrates that Paul had nothing less than in mind than the means to transform and renew all of creation including ourselves Prepare to let Paul's message of change and renewal transform your own thinking **Global Readings** David A. deSilva, 2011-11-01 Reading Scripture with a view to hearing its significance and challenge within its original foreign context is the essence of exegesis and an anchor point for responsible hermeneutics Reading Scripture alongside others from a significantly different social location also helps us see fresh aspects of the meaning of the text itself as well as fresh angles on its challenge to Christian discipleship This innovative commentary by respected New Testament scholar David deSilva is grounded in both approaches a careful exegesis of Galatians as a basis for discerning the challenge of Scripture in any social location and a reading of Galatians from the viewpoint of the challenges to living out its message among the churches in Sri Lanka the result of extensive interaction with Christian leaders in Sri Lanka Seeing the text afresh from within its ancient context and a different modern social location will challenge readers in the West to consider once more Paul's message of transformation through the Spirit with implications for Western Christians in their own context and in the larger global matrix of the Church universal **Ephesians** David A. deSilva, 2022-04-28 Exploring Ephesians in light of both the Jewish and Greco Roman traditions and environment informing the audiences reception of the text The Letter to the Galatians David A. deSilva, 2018-09-18 New volume in a favorite Bible commentary series Writing a commentary on Galatians is a daunting task Despite its relative brevity this Pauline letter raises a number of foundational theological issues and it has played a vital role in shaping Christian thought and practice over the centuries In this replacement of Ronald Y K Fung's 1988 New International Commentary volume David deSilva ably rises to the challenge providing a coherent account of Galatians as a piece of strategically crafted communication that addresses both the immediate pastoral challenges facing Paul's converts in Galatia and the underlying questions that gave rise to them Paying careful attention to the history philology and theology of the letter and interacting with a wealth of secondary literature on both Galatians and the rest of the Pauline corpus deSilva's exegetically sound commentary will serve as an essential resource for pastors and theological students **Discovering Revelation** David A. deSilva, 2021-04-29 The book of Revelation has been received over the past several centuries with both fascination and aversion but one thing is certain it has profoundly shaped Christian history and culture And the way it has shaped history and culture has been determined in large part by how the book has been variously and sometimes irresponsibly interpreted David A deSilva addresses the interpretation and reception history of Revelation in

this compact up to date and student friendly introduction to the book of Revelation focusing on its structure content theological concerns key interpretive debates and historical reception Discovering Revelation draws on a range of methodological approaches author text and reader centered as complementary rather than mutually exclusive ways of interpreting the text DeSilva pays special attention to defining features of Revelation such as its use of sequences of seven as a major structuring device its nonlinear plotline and its deployment of contrast and parody As deSilva writes A text as rich and multidimensional as Revelation calls for its readers to adopt a rich and multidimensional approach that draws upon a variety of interpretative angles and skills

Unholy Allegiances David A. DeSilva, 2022-05-03 Amidst the fervor for popular apocalyptic books and unfounded end times theology New testament scholar David deSilva has written a book to help readers thoughtfully and properly approach Revelation as it was intended to be read A very helpful treatise deSilva s Unholy Allegiances Heeding Revelation s Warning explores the world of first century Roman Asia the context in which Revelation was written explaining why John wrote such a graphic and startling message to the people of God While many books today offer innovative decodings of Revelation deSilva reminds us that John s letter is in fact not a historical blueprint for prophecy and prognosticism but a letter about the dangers that the church faced under the rule of Rome following the resurrection of Jesus a warning that is apt today as it was almost two thousand years ago The true power of the book of Revelation is not in a mystical unfolding of the future but in its confrontation with the unholy allegiances already at work in the world It s time to pay attention without playing ender s games It s time to take Revelation seriously

Choosing Peace Through Daily Practices Ellen Ott Marshall, 2005 Choosing Peace through Daily Practice is intended for people who feel both called to and daunted by the vocation of peacemaking How do we live out this calling in a world that seeks peace through violence How do we live out this calling in a society that understands peace as the absence of violence rather than the presence of justice How do we live out this calling in a time when the daily news reinforces the perception that peace is truly untenable The contributors all of whom teach at Claremont School of Theology argue in their essays that we live out this calling by practicing peace in and through our daily devotions work and interaction with others The first set of essays explores the vocation of peacemaking explains practices language and highlights the connection between the processes of peace in the world and peace in the home The remaining chapters describe practices of peacemaking in spiritual life classroom discourse congregational ministry and community interaction

The Principle of Subsidiarity in Catholic Social Thought Simeon Tsetim Iber, 2010-11 The Principle of Subsidiarity in Catholic Social Thought Implications for Social Justice and Civil Society in Nigeria provides a theoretical and practical framework for a just vision of society It focuses on how support for individuals and social groups in Nigeria can foster the building of their communities through the practice of social justice Social justice will ensure the building of trust across ethnic lines challenge corruption encourage accountability and servant leadership protect minority tribes from larger ones and promote grassroots self help tribal communal religious and non governmental

associations as agents of positive social change and development These dynamics interact within a healthy federal structure that respects its constituent parts for the common good This volume is recommended as a graduate text for courses in theology religious education and social philosophy and for all interested in promoting the common good The Peace Book Louise Diamond,2001 The message of The Peace Book is simple It calls each and every on of us to action in our daily lives to create a culture of peace Provided by publisher *Christian Social Action* ,1998 Human Dignity and World Order Glen T. Martin,2024-04-05 We must establish our world order on the principles of human dignity if we want a credible future for humanity This book shows how and why this is so It investigates the meaning of human dignity in relation to current scholarly work as well as in terms of the depths of our subjective lives from which the concept of dignity arises It contrasts the concept of dignity with our current world system engulfed in endless wars immense inequality systems of economic injustice and on going environmental destruction It shows the relationship between dignity human rights and global moral principles and lays out ten fundamental principles for a planetary ethics The book contrasts the holistic paradigm uncovered by 20th century science with the fragmented paradigm that persists at the heart of the present world system showing how and why a conversion to holism and dignity is both necessary and possible Human Dignity and World Order shows that we have not yet fully understood our human existential situation as temporal beings oriented toward the future who possess the largely untapped power of a liberating utopian imagination Through examining our fundamental human condition it unveils our vast potential for self transcendence and transformation leading toward a redeemed and credible human future in which we flourish on the Earth within a planetary civilization of freedom justice peace and sustainable prosperity This book also presents the Constitution for the Federation of Earth as a paradigm or model for practical action toward a credible human future Altogether the book constitutes a watershed in human self understanding opening possibilities for the future hitherto ignored or misunderstood Every thoughtful person concerned for our common human future needs to read this book

Celebrate Peace Louise Diamond,2005 The Euro-Atlantic Security System in the 21st Century Ryszard Zięba,2018-04-25 This book examines the evolution of the Euro Atlantic security system from cooperation to rivalry and crisis since the beginning of the 21st century By highlighting the causes manifestations and international consequences of this evolution the author describes a stage of crisis in the security system characterized by increasing rivalry for spheres of influence militarization of policies and the suspension of cooperation due to the growing divergence between the interests of the West now including the Central European states and Russia leading to a subsequent reconfiguration of the world order Adopting a neo realistic approach the author demonstrates that members of the Euro Atlantic security system irrespective of the values they claim to hold are guided in their actions on the international stage by clearly defined interests The first part of the book analyses the nature of the Euro Atlantic security system while the second part illustrates the limited success of Euro Atlantic collaboration for example in combating terrorism Lastly the third part discusses the consequences of the crisis

such as the conflict in Ukraine and prospects for the future evolution of the Euro Atlantic security system *War and Genocide* Martin Shaw, 2015-01-05 This comprehensive introduction to the study of war and genocide presents a disturbing case that the potential for slaughter is deeply rooted in the political economic social and ideological relations of the modern world Most accounts of war and genocide treat them as separate phenomena This book thoroughly examines the links between these two most inhuman of human activities It shows that the generally legitimate business of war and the monstrous crime of genocide are closely related This is not just because genocide usually occurs in the midst of war but because genocide is a form of war directed against civilian populations The book shows how fine the line has been in modern history between degenerate war involving the mass destruction of civilian populations and genocide the deliberate destruction of civilian groups as such Written by one of the foremost sociological writers on war War and Genocide has four main features an original argument about the meaning and causes of mass killing in the modern world a guide to the main intellectual resources military political and social theories necessary to understand war and genocide summaries of the main historical episodes of slaughter from the trenches of the First World War to the Nazi Holocaust and the killing fields of Cambodia Bosnia and Rwanda practical guides to further reading courses and websites This book examines war and genocide together with their opposites peace and justice It looks at them from the standpoint of victims as well as perpetrators It is an important book for anyone wanting to understand and overcome the continuing salience of destructive forces in modern society Iran and the International System Anoushiravan Ehteshami, Reza Molavi, 2012-03-29 Much attention in the West has focused on Iran as a problem country This book challenges the representations of Iran as a hostile regional power led by ideologues and goes further by discussing how international relations are viewed from inside Iran itself outlining the factors which underpin Iranian thinking on international relations and considering what role Iran as a large and significant country in the Middle East ought to play in a fairly constructed international system The book is written by leading scholars and policy makers from inside as well as from outside Iran and includes academics with unparalleled access and insights into the world views of the Iranian leadership Subjects covered include the rationale of Iran's Islamic constitution including its electoral system and the impact this has on international relations Iran's view of the ideal international system including the place therein of ethics justice and security Iran's international interests including energy needs and relations with the West including the clash between Iranian and Western views of the world order

Making A Just Peace Human Rights And Domination Systems Introduction

In today's digital age, the availability of Making A Just Peace Human Rights And Domination Systems books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Making A Just Peace Human Rights And Domination Systems books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Making A Just Peace Human Rights And Domination Systems books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Making A Just Peace Human Rights And Domination Systems versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Making A Just Peace Human Rights And Domination Systems books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Making A Just Peace Human Rights And Domination Systems books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Making A Just Peace Human Rights And Domination Systems books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of

Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Making A Just Peace Human Rights And Domination Systems books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Making A Just Peace Human Rights And Domination Systems books and manuals for download and embark on your journey of knowledge?

FAQs About Making A Just Peace Human Rights And Domination Systems Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Making A Just Peace Human Rights And Domination Systems is one of the best book in our library for free trial. We provide copy of Making A Just Peace Human Rights And Domination Systems in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Making A Just Peace Human Rights And Domination Systems. Where to download Making A Just Peace Human Rights And Domination Systems online for free? Are you looking for Making A Just Peace Human Rights And Domination Systems PDF? This is definitely going to save you time and cash in something you should think about.
