Trump and the Protestant Reaction to Make America Great Again Matthew Rowley,2020-11-01 This book explores how polarised interpretations of America s past influence the present and vice versa A focus on competing Protestant reactions to President Trump s Make America Great Again slogan evidences a fundamental divide over how America should remember historical racism sexism and exploitation Additionally these Protestants disagree over how the past influences present injustice and equality The 2020 killing of George Floyd forced these rival histories into the open Rowley proposes that recovering a complex view of the past confessing the bad and embracing the good might help Americans have a shared

memory that can bridge polarisation and work to secure justice and equality An accessible and timely book this is essential reading for those concerned with the vexed relationship of religion and politics in the United States including students and scholars in the fields of Protestantism history political science religious studies and sociology Making America, Making American Literature A. Robert Lee, W. M. Verhoeven, 1996 If 1776 heralds America's Birth of the Nation so too it witnesses the rise of a matching and overlapping American Literature For between the 1770s and the 1820s American writing moves on from the ancestral Puritanism of New England and Virginia though not as yet into the American Renaissance so strikingly called for by Ralph Waldo Emerson Even so the concourse of voices which arise in this period that is between and including Benjamin Franklin and James Fenimore Cooper mark both a key transitional literary generation and yet one all too easily passed over in its own imaginative right This collection of fifteen specially commissioned essays seeks to establish new bearings a revision of one of the key political and literary eras in American culture Not only are Franklin and Cooper themselves carefully re evaluated in the making of America's new literary republic but figures like Charles Brockden Brown Washington Irving Philip Freneau William Cullen Bryant the other Alexander Hamilton and the playwrights Royall Tyler and William Dunlop Other essays take a more inclusive perspective whether American epistolary fiction a first generation of American women authored fiction the public discourse of The Federalist Papers the rise of the American periodical or the founding African American generation of Phillis Wheatley What unites all the essays is the common assumption that the making of America was as much a matter of creating its national literature as the making of American literature was a matter of shaping a national identity *Making America Corporate, 1870-1920* Olivier Zunz, 1990 This book focuses on new groups of middle class Americans who filled hierarchical corporate structures and promoted new ways of working living and interacting with one another Building on the work of Alfred D Chandler Thomas Cochran and their followers Zunz explores the social origins status and outlook of several types and levels of managerial employees in the new bureaucracy of big business including office managers an increasingly female clerical force agents in branch offices foremen and personnel workers With samples drawn from several leading archives such as those of the Du Pont Company C B Q Railroad McCormick and International Harvester firms AT T Metropolitan Life and Ford Motor Company he shows the complexity in the contribution of rather ordinary managerial people at all levels who made the visible hand of managerial capitalism work ISBN 0 226 99459 7 24 95 Make America Great Again, For Who? - A Combination of Writings Blue Seven-Seven, 2021-08-31 When reading this book Make America Great Again For Who You will allow the author to take you on a journey that will allow you to see and feel the growing pains of America You will also note how the religious fundamentalist have taken measures to control this country since it has begun You will also note how the religious fundamentalist attempts to control the action of others such as the LBGTQ citizens and those citizens who would like to gamble in order to achieve the American dream The author makes note of those who have taken and are still taking away the

peace comfort and freedom of others in order to satisfy their needs The author also provides information in a way that will allow the people to search their souls and feel empathy for others The author would like Americans to realize the people that were destroyed as this country was growing and being established The author noted that many Americans young and old will see and realize the pain and suffering others endured as the first settlers came and took advantage of the Native people took their land at will and put them on reservations Americans today must be made aware that the pride they feel is over shadowed by the pain and suffering of others The author also notes although our country is very much divided by many things some of which are false and some of which are misunderstood The author says we still have a chance to be the best we can be as a country So he would like to challenge each and every American to apply some introspection and get to know who they are This book also denotes honor to the Americans that have been and are being treated with a perpetual strong hold of injustice **Official U.
