in four realms daily life faith work and relationships It is not that experience should not shape our idealism Izzo tells us In fact our initial innocence must be shaped by our experiences To hold on to our innocence is a life long process and it is our ability to foster the quality of innocence that continues to bring us to the edge of what is possible in our lives and in our communities That we may choose innocence and idealism while incorporating the harder experiences of living is the core premise of this book Both practical and inspiring Second Innocence combines wonderful stories with an inspiring philosophy to help us maintain our idealism and enthusiasm throughout our lives **Embracing Our Essence** Susan Skog,1997-10
