# MAKING LOVE

A Conspiracy of the Heart

P. Pennyfeather

A vintage-style illustration of a woman with dark, wavy hair, wearing a red strapless top. She has a black mustache and a small goatee drawn on her face. She is looking slightly to the side with a subtle smile. A large, rolled-up white object, possibly a scroll or a cigarette, is positioned diagonally across the upper left of the image.

## **Making Love A Conspiracy Of The Heart:**

*Making Love* Marius Brill,2003 The theft of a book from the library puts Miranda s life in danger She is oblivious to the fact that the book contains the astonishing secret that love does not exist Told as if by the book itself this hilarious tale involves a sick MI5 agent who is sent to break her heart or her neck      **Time warriors** Mikael Kvist,2025-07-02 The time war is quietly raging around you Do you dare to become aware of it All visitors of Earth also travel through time They come from different futures But what are their futures really like If they were perfect they would have no reason to travel back to us They are all fighting to secure their own futures here We and our Earth are a battlefield for the silent time war The time war can only continue as long as humans remain unaware of it Humans bear unique qualities that travelers seek to acquire or control The methods vary but the motives are the same What is it we bear and what is it they want In the chapter The Cosmic Conspiracy you will find a description of the motives and plans of extraterrestrial interdimensional visitors as they have never been described before The manipulation of humans is manifold Here is a revealing account of how control and oppression are quietly exercised A new energy pattern is emerging on Earth It is based on one frequency a common denominator that unites all times The emerging flower like pattern will change human consciousness from the core The common frequency means a common time The new common time is the foundation for cosmic peace work and the end of the time war No affiliated group needs to fight for its time in order to avoid annihilation The cosmic peace starts from Earth

**One Heart - Two Heartbeats** Kushagra Priyadarshi,2022-07-08 To fall in love is magical To flow in love is mystical Love will always remain life s sweet mystery Every true love is a story of unexpected yet a beautiful transformation where two hearts beat as one or one heart that has two heartbeats We don t fall in love We rise in love Before a great miracle is about to take place there shall be several small obstacles But one day all those obstacles will shatter down into tiny pieces and you will be surrounded and embraced by all the things you desire You will swim in their affection You will float in an infinitesimal magical universe of love You will get an abundance of everything you love It will rain over you and remember When it rains it pours When love pours on you it purifies your heart And when it pours on you forever It feels like infinity Thats why love is the most universal most tremendous and most mystical of cosmic forces      *That Frenchman!* Archibald Clavering
