## **Making Marines Unrestricted Access:**

*The Marines, Counterinsurgency, and Strategic Culture* Jeannie L. Johnson, 2018-05-01 The United States Marine Corps has a unique culture that ensures comradery exacting standards and readiness to be the first to every fight Yet even in a group that is known for innovation culture can push leaders to fall back on ingrained preferences Jeannie L Johnson takes a sympathetic but critical look at the Marine Corps s long experience with counterinsurgency warfare Which counterinsurgency lessons have been learned and retained for next time and which have been abandoned to history is a story of battlefield trial and error but also a story of cultural collisions The book begins with a fascinating and penetrating look inside the culture of the Marine Corps through research in primary sources including Marine oral histories and interviews with Marines Johnson explores what makes this branch of the military distinct their identity norms values and perceptual lens She then traces the history of the Marines counterinsurgency experience from the expeditionary missions of the early twentieth century through the Vietnam War and finally to the Iraq War Her findings break new ground in strategic culture by introducing a methodology that was pioneered in the intelligence community to forecast behavior Johnson shows that even a service as self aware and dedicated to innovation as the Marine Corps is constrained in the lessons learned process by its own internal predispositions by the wider US military culture and by national preferences Her findings challenge the conclusions of previous counterinsurgency scholarship that ignores culture This highly readable book reminds us of Sun Tzu s wisdom that to be successful in war it is important to know thyself as well as the enemy This is a must read for anyone interested in the Marines Corps counterinsurgency warfare military innovation or strategic culture **The Marine Corps Gazette** ,1975 *The V'Dan* Jean Johnson, 2015-12-29 A thrilling new perspective of the world created in the explosive national bestselling *Theirs Not to Reason Why* series It s two hundred years earlier the age of the First Salik War And the battle against humanity has been engaged The V Dan always believed they were the chosen race destined to make a mark on the galaxy For the last few centuries they interacted peacefully with other sentient species save for the Salik Cold amphibious and vicious the Salik were set on one goal to conquer every race within their grasp Now that the Salik s ruthless war has begun the fate of the galaxy is in the hands of two strange companions Li eth a prince under siege and his rescuer Jacaranda MacKenzie A beautiful ambassador from the Motherworld Jackie possesses more than the holy powers of a goddess She brings a secret weapon a strange wondrous and dangerous new technology that could be her and Li eth s last and only hope to save their people from extinction **Lightning from the Sky, Thunder from the Sea** Thomas Petri, 2009 ANGLICO Super Grunts of 1st ANGLICO were deployed to all four tactical zones of Vietnam in small mobile fire control teams providing support to U S Army and allied elements This organization was the last tactical unit to stand down from the war and gained distinction as the only Marines in country reporting directly to MACV Working closely with Korean Marines recounting several actions involving these legendary warriors from the Land of the Morning Calm this little known but highly

effective unit had an impact on the war far greater than their small numbers Field radio operators and naval gunfire spotters composed the tactical membership of this unit Both professions were cross trained in each competence and each in turn was further qualified as tactical air controllers An airborne capable platoon was established mandating many ANGLICOs attend jump school and undertake other specialty training in the event they are called on to enter combat by unconventional means Not being able to predict who they may be called on to support training was pushed to the level of the most elite forces in the free world BLUE DRAGONS Most men of the Blue Dragon Brigade came of age during a war that raged fierce on their own homeland little more than a decade earlier During a short lived occupation by North Korea the people of the south endured extremely harsh treatment by would be conquerors Events of recent history still burned in their hearts and haunted their dreams They were mostly all children at the time leaving scarcely a man untouched by personal tragedy that could only be forged in a crucible of terror Many were orphaned and all shared a thirst to settle a score that only those who drink deep from the same cup of dread can truly understand

**Hearings Before and Special Reports Made by Committee on Armed Services of the House of Representatives on Subjects Affecting the Naval and Military Establishments**,1993 **Defense, Maintenance, and Operation of the Panama Canal, Including Administration and Government of the Canal Zone** United States. Congress. Senate. Committee on Armed Services,1978

**United Nations Convention on the Law of the Sea** United States. Congress. Senate. Committee on Environment and Public Works,2005 *Continental Marine* ,1994-08 **The Long War** David Loyn,2021-09-21 Just as U S soldiers and diplomats pulled out of Afghanistan

supposedly concluding their role and responsibility in the two decade conflict the country fell to the Taliban In The Long War award winning BBC foreign correspondent David Loyn uncovers the political and military strategies and failures that prolonged America s longest war Three American presidents tried to defeat the Taliban sending 150 000 international troops at the war s peak with a trillion dollar price tag But early policy mistakes that allowed Osama bin Laden to escape made the task far more difficult Deceived by easy victories they backed ruthless corrupt local allies and misspent aid The story of The Long War is told by the generals who led it through the hardest years of combat as surges of international troops tried to turn the tide Generals which include David Petraeus Stanley McChrystal Joe Dunford and John Allen were tested in battle as never before With the reputation of a warrior monk McChrystal was considered one of the most gifted military leaders of his generation He was one of two generals to be fired in this most public of commands Holding together the coalition of countries who joined America s fight in Afghanistan was just one part of the multi dimensional puzzle faced by the generals as they fought an elusive and determined enemy while responsible for thousands of young American and allied lives The Long War goes behind the scenes of their command and of the Afghan government The fourth president to take on the war Joe Biden ordered troops to withdraw in 2021 twenty years after 9 11 just as the Taliban achieved victory leaving behind an unstable nation and an unforeseeable future

**Congressional Record** United States. Congress,1997 The Congressional

Record is the official record of the proceedings and debates of the United States Congress. It is published daily when Congress is in session. The Congressional Record began publication in 1873. Debates for sessions prior to 1873 are recorded in *The Debates and Proceedings in the Congress of the United States* 1789-1824, the *Register of Debates in Congress* 1824-1837, and the *Congressional Globe* 1833-1873. *Military Careers*, *The American Challenge* Dr David Mosler, Professor R Catley, 2013-03-28. The rise of the US as a hegemonic power during the twentieth century, first pursuing a liberal project of globalization under Clinton and then moving towards greater unilateralism after the election of George W Bush, is comprehensively described in this much needed study. Following the invasion of Iraq, the Bush administration became increasingly unpopular at home and abroad. America's power to impose its will declined and rivals were able to take advantage of its weakened state and pursue their own agendas with considerable success. This indispensable book looks at whether policy failure in Iraq and declining US soft and hard power mark the beginning of the end of US hegemony or whether the resilience of America's military and economic foundations will once again prove observers wrong. *Hearings on National Defense Authorization Act for Fiscal Year 1994*. United States. Congress. House. Committee on Armed Services. Readiness Subcommittee, 1994. *Crosshairs on the Capital* James H. Bruns, 2021-08-16. In an era of battlefield one-upmanship, the raid on the Nation's Capital in July 1864 was prompted by an earlier failed Union attempt to destroy Richmond and free the Union prisoners held there. Jubal Early's mission was in part to let the North have a taste of its own medicine by attacking Washington and freeing the Confederate prisoners at Point Lookout in southern Maryland. He was also to fill the South's larder from unmolested Union fields, mills, and barns. By 1864, such southern food raids had become annual wartime events. And he was to threaten and, if possible, capture Washington. This latter task was unrealistic in an age when the success of rifle fire was judged to be successful not by accuracy but by the amount of lead that was shot into the air. Initially, the Union defenders of the city were largely former slaves, freemen, mechanics, shopkeepers, and government clerks, as well as invalids. They might not have known much about riflery and accuracy, but they were capable of putting ample lead on the long until Regular Union regiments arrived. Jubal Early hesitated in attacking Washington but he held the City at bay while his troops pillaged the countryside for the food Lee's Army needed to survive. This new account focuses on the reasons, reactions, and results of Jubal Early's raid of 1864. History has judged it to have been a serious threat to the capital, but James H. Bruns examines how the nature of the Confederate raid on Washington in 1864 has been greatly misinterpreted. Jubal Early's maneuvers were in fact only the latest in a series of annual southern food raids. It also corrects some of the thinking about Early's raid, including the reason behind his orders from General Lee to cross the Potomac and the thoughts behind the proposed raid on Point Lookout and the role of the Confederate Navy in that failed effort. It presents a new perspective in explaining Jubal Early's raid on Washington by focusing on why things happened as they did in 1864. It identifies the cause and effect connections that are truly the stuff of history, forging some of the critical background links that oftentimes are

ignored or overlooked in books dominated by battles and leaders *Military Career Guide* ,2001 **Military Operations on Urbanized Terrain** United States. Marine Corps,1998 Readiness Impact of Range Encroachment Issues, Including Endangered Species and Critical Habitats; Sustainment of the Maritime Environment; Airspace Management; Urban Sprawl; Air Pollution; Unexploded Ordnance [i.e. Ordnance]; and Noise United States. Congress. Senate. Committee on Armed Services. Subcommittee on Readiness and Management Support,2002 **President Reagan** Lou Cannon,2008-08-04 Hailed by the New Yorker as a superlative study of a president and his presidency Lou Cannon s President Reagan remains the definitive account of our most significant presidency in the last fifty years Ronald Wilson Reagan the first actor to be elected president turned in the performance of a lifetime But that performance concealed the complexities of the man baffling most who came in contact with him Who was the man behind the makeup Only Lou Cannon who covered Reagan through his political career can tell us The keenest Reagan watcher of them all he has been the only author to reveal the nature of a man both shrewd and oblivious Based on hundreds of interviews with the president the First Lady and hundreds of the administration s major figures President Reagan takes us behind the scenes of the Oval Office Cannon leads us through all of Reagan s roles from the affable cowboy to the self styled family man from the politician who denounced big government to the president who created the largest peace time deficit from the statesman who reviled the Soviet government to the Great Communicator who helped end the cold war **Black Belt** ,2000-10 The oldest and most respected martial arts title in the industry this popular monthly magazine addresses the needs of martial artists of all levels by providing them with information about every style of self defense in the world including techniques and strategies In addition Black Belt produces and markets over 75 martial arts oriented books and videos including many about the works of Bruce Lee the best known martial arts figure in the world McGraw-Hill's ASVAB, 3rd Edition Janet E.
