Practicing Anthropology, 1998 **The Myth of Success and the Truth of Abundance** Lisa Standeven, 2024-06-28

There has never been a better time to reconsider what really matters in life. The pandemic presented us with a pause and an opportunity to re-evaluate the values that guide our lives. Lisa Standeven used this time to reflect and share her newfound worldview captured in her new book *The Myth of Success and the Truth of Abundance*. This book is a deep introspective dive into the typical milestones we set for ourselves and our loved ones. Drawing upon her personal stories and the stories of those around her, Lisa challenges the traditional definition of success and posits a new way to achieve abundance. Each chapter offers an analysis of the common guideposts we use to measure our own levels of achievement. Conventional accomplishments such as wealth, position, beauty, and education are carefully examined from a new perspective, and novel strategies to reimagine and recreate our lives anew are proposed. This is a book that pushes the boundaries of typical belief systems and opens the reader to the possibility of living a life filled with joy, flow, and true abundance. **American Book Publishing Record**, 1984-04
