on communicating in college and new tips for college success Read the preface *Making Progress* Logan Bearden, 2022-04-01 Making Progress is an empirical investigation into the strategies and processes first year composition programs can use to center multimodal work in their curricula Logan Bearden makes a unique contribution to the field presenting a series of flexible strategies evolving considerations and best practices that can be taken up adapted and implemented by programs and directors that want to achieve what Bearden brands multimodal curricular transformation or MCT at their own institutions MCT can be achieved at the intersection of program documents and practices Bearden details ten composition programs that have undergone MCT offering interview data from the directors who oversaw and or participated within the processes He analyzes a corpus of outcomes statements to discover ways we can make space for multimodality and gives instructors and programs a broader understanding of the programmatic values for which they should strive if they wish to make space for multimodal composition in curricula Making Progress also presents how other program documents like syllabi and program websites can bring those outcomes to life and make multimodal composing a meaningful part of first year composition curricula First year composition programs that do not help their students learn to compose multimodal texts are limiting their rhetorical possibilities The strategies in Making Progress will assist writing program directors and faculty who are interested in using multimodality to align programs with current trends in disciplinary scholarship and deal with resistance to curricular revision to ultimately help students become more effective communicators in a digital global age

The World the Sixties Made Van Gosse, Richard R. Moser, 2008 How can we make sense of the fact that after decades of right wing political mobilizing the major social changes wrought by the Sixties are more than ever part of American life The World the Sixties Made the first academic collection to treat the last quarter of the twentieth century as a distinct period of U S history rebuts popular accounts that emphasize a conservative ascendancy The essays in this volume survey a vast historical terrain to tease out the meaning of the not so long ago They trace the ways in which recent U S culture and politics continue to be shaped by the legacy of the New Left s social movements from feminism to gay liberation to black power Together these essays demonstrate that the America that emerged in the 1970s was a nation profoundly even radically democratized

Media and Culture Richard Campbell, Christopher R. Martin, Bettina Fabos, 2011-02-23 It s no secret today s media landscape is evolving at a fast and furious pace and students are experiencing these developments firsthand While students are familiar with and may be using the latest products and newest formats they may not understand how the media has evolved to this point or what all these changes mean This is where Media and Culture steps in The eighth edition pulls back the curtain and shows students how the media really works giving students the deeper insight and context they need to become informed media critics

Making It Work And Bedford St Martins Textbook R: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the engaging narratives that have captivated audiences this year. Making It Work And Bedford St Martins Textbook R : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and thrilling novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
