Making Of A Bestseller From Author To Reader:

The Making of a Bestseller Arthur T. Vanderbilt, 1999-01-01 Writer F Scott Fitzgerald's career itself is a metaphor for the vagaries of book publishing If Fitzgerald would have had his way we would today refer to The Great Gatsby as either Gold Hatted Gatsby Trimalchio in West Egg or The High Bouncing Lover A few years before Gatsby Fitzgerald had become a literary sensation at the age of 23 Helen Hooven Santmyer a contemporary of Fitzgerald's would not have a successful novel published until she was 88 and living in a nursing home In this book the author explores that mysterious place in publishing where art and commerce can either clash mesh or both Along the way a wide range of authors from the literary greats to today s commercial superstars editors agents and publishers share their thoughts insights and experiences What inspires writers John Steinbeck for example wrote every novel as if it were his last as if death were imminent Why are some books successful and appreciated while others fall into oblivion The answers are often elusive never absolute but the stories and anecdotes are always fascinating The Formulas of Popular Fiction Anna Faktorovich, 2014-09-17 This book creates a taxonomy for the major bestselling fictional genres romance e g authors Heyer Cartland Woodiwiss and Roberts religious and inspirational Corelli and Douglas mystery and detective Conan Doyle Christie and Mankell and science fiction horror and fantasy Wells Tolkien Orwell Niven King and Rowling Chapters look at a genre from its roots to its most recent works The structural patterns in the plot characters and setting of these genres are then explained The book also provides a critique of currently popular hyper formulaic hack unliterary writings that have multiplied in recent decades Special topics such as the publishing oligopoly and the resulting homogeneity among bestselling works and the steady movement from literary to unliterary fiction are also examined The Making of a Bestseller Brian Hill, Dee Power, 2005 For each of the 150 000 books published in 2002 there are dozens that are still hoping to see the light of day Bowkers estimates less than 1% to successfully climbing the bestseller list What separates the winners in the battle for bestseller status Capitalizing on insight gained from interviews with industry experts and authors such as Steve Riggio Jack Canfield Spencer Johnson and more this book takes a comprehensive look at the publishing process from start to finish and ultimately what separates a bestselling book from all the other books published each year Authors and would be authors all have a curiosity about how the other guy does it and this book takes it one step farther by describing what goes into making a bestseller This book is for authors and would be authors and individuals in the publishing industry The Making of a Christian Bestseller Ann Byle, 2006 This book contains success stories and inspired interviews from the work of Christian publishing Secrets to Becoming a Successful **Author Boxset** Maggie McVay Lynch, 2018-11-27 Frustrated with the plethora of conflicting information on how to self publish Wouldn t it be wonderful to sit down with someone who has already made the mistakes done the analysis and will provide you the short cuts the secrets about the things that work Now you have that chance with the Career Author Secrets series Indie Publishing Self Publishing has changed dramatically in the past five years There are now new easier tools to use
