Making Of Nagorno Karabagh From Secession To Republic:

The Making of Nagorno-Karabagh Levon Chorbajian, 2001-08-08 The first major territorial struggle in the late Soviet period involved Nagorno Karabagh an Armenian inhabited territory that had been assigned to the Azerbaijan Soviet Socialist Republic In the early 1920s Armenian protests calling for reunification with Armenia in 1988 led to Azerbaijani pogroms against Armenians and later to armed conflict that claimed over twenty thousand lives The struggle remains unresolved A distinguished group of historians and social scientists analyze the Karabagh struggle in this unique volume that covers one of the world's strategic oil rich regions *Secessionist Entities and International Law* Benedikt C. Harzl, 2025-03-20 This book examines secessionist entities that arose during and after the dissolution process of the USSR and considers them as legal subjects in their own right By employing a novel and more innovative approach the agency of these subjects otherwise often ignored or disregarded is taken into account Drawing on the cases of the South Caucasus the author suggests going beyond the binary concept of statehood and traditional notions of sovereignty He advocates embracing an inclusive reading of international law which enables to foster creative ambiguity vis vis these entities as means of conflict transformation

Nagorno-Karabakh T. J. Petrowski, 2022-09-08 The Azerbaijani attack on the de facto independent Republic of Artsakh formerly the Nagorno Karabakh Republic in September 2020 shattered the illusion that this conflict is frozen The forty four day war in 2020 was the bloodiest outbreak of violence over the separatist region since the conflict began in the late 1980s and threatened to embroil Turkey and Russia in a dangerous proxy war in the volatile South Caucasus Despite the publication of several works on the conflict since the 1990s many aspects of the conflict remain poorly understood or distorted in Western scholarship due to US NATO political influence Are the origins of the conflict found in Soviet nationalities policy and Joseph Stalin's divide and rule methods Do the Armenians in Artsakh have a right to self determination as enshrined in treaty and customary international law What role do Russia and Turkey have in the conflict Did Kosovo's 2008 declaration of independence establish a precedent for Artsakh and other separatist states such as Abkhazia and South Ossetia By breaking with the dominant US NATO political paradigm this book strives to answer these and many other questions to provide a long overdue reassessment of the Armenian Azerbaijani Conflict **The Karabakh Conflict**

Between Armenia and Azerbaijan M. Hakan Yavuz, Michael M. Gunter, 2022-11-29 This book focuses on Post Soviet ethnic conflicts and Russia's involvement in them In light of its significant importance for general ethnic conflict specifically the post Soviet Caucasus along with the most recent war just fought over the area from September November 2020 this book appropriately argues that it is time to reconsider Karabakh This project deals with the historical social and political aspects of the Karabakh issue regarding its origins development and the current status of the conflict subsequent to the war in the autumn of 2020 Thus the main themes will stress these points as well as the importance of the Karabakh issue for the future by considering its precedents and implications for other secessionist wars This book also explores how such wars begin and

end the international legal precedents of self determination versus territorial integrity its implications for post Soviet developments and conflicts and the latest successful weapons developments lessons from the recent war involving drones among others such as Azerbaijan s rich oil reserves

Ethnic Belonging, Gender, and Cultural Practices

Ulrike,2014-04-15 How are youth cultural identities rooted in gender ethnicity and place What resources do young people from ethnic minorities use in creating their cultural identities Drawing upon interdisciplinary research Ulrike Ziemer s case study demonstrates the different ways in which young people from ethnic minorities respond to the social political and cultural transformations of post Soviet Russia and provides a detailed analysis of how local vs global relations are experienced outside the West Relying on extensive ethnographic fieldwork Ziemer explores the complex processes of identity formation and cultural experiences among young Armenians in Krasnodar krai and young Adyghs in the Republic of Adyghea Both ethnic groups Armenians and Adyghs have a minority status in Russia yet Adyghs are indigenous to the region while Armenians constitute a diaspora people This book is the first specific examination of Armenian and Adygh youth identities in the context of everyday life experiences in post Soviet Russia

Ararat in America Benjamin F. Alexander,2023-11-30 How has the distinctive Armenian American community expressed its identity as an ethnic minority while assimilating to life in the United States This book examines the role of community leaders and influencers including clergy youth organizers and partisan newspaper editors in fostering not only a sense of Armenian identity but specific ethnic partisan leanings within the group s population Against the backdrop of key geopolitical events from the aftermath of the Armenian Genocide to the creation of an independent and then Soviet Armenia it explores the rivalry between two major Armenian political parties the Tashnags and the Ramgavars and the relationship that existed between partisan leaders and their broader constituency Rather than treating the partisan conflict as simply an impediment to Armenian unity Benjamin Alexander examines the functional if accidental role that it played in keeping certain community institutions alive He further analyses the two camps as representing two conflicting visions of how to be an ethnic group drawing a comparison between the sociology of religion models of comfort religion and challenge religion A detailed political and social history this book integrates the Armenian experience into the broader and more familiar narratives of World War I World War II and the Cold War in the USA

Urban Spaces After Socialism Tsypylma Darieva,Wolfgang Kaschuba,Melanie Krebs,2011-11 The two decades following the collapse of the Soviet Union brought great changes to the new nations on its periphery This text offers a detailed ethnographic look at one area of change the use and understanding of public space in the region s cities

My Brother's Road Markar Melkonian,2008-05-07 What do Abu Sindi Timothy Sean McCormack Saro and Commander Avo all have in common They were all aliases for Monte Melkonian But who was Monte Melkonian In his native California he was once a kid in cut off jeans playing baseball and eating snow cones Europe denounced him as an international terrorist His adopted homeland of Armenia decorated him as a national hero who led a force of 4000 men to victory in the Armenian enclave of

Mountainous Karabagh in Azerbaijan Why Armenia Why adopt the cause of a remote corner of the Caucasus whose peoples had scattered throughout the world after the early twentieth century Ottoman genocides Markar Melkonian spent seven years unravelling the mystery of his brother's road a journey which began in his ancestors town in Turkey and leading to a blood splattered square in Tehran the Kurdish mountains the bomb pocked streets of Beirut and finally to the windswept heights of Mountainous Karabagh Monte's life embodied the agony and the follies bedevelling the end of the Cold War and the unravelling of the Soviet Union Yet who really was this man A terrorist or a hero My Brother's Road is not just the story of a long journey and a short life it is an attempt to understand what happens when one man decides that terrible actions speak louder than words

Self-Determination and Secession in International Law Christian Walter, Antje von Ungern-Sternberg, Kavus Abushov, 2014-06-05 Peoples and minorities in many parts of the world assert a right to self determination autonomy and even secession from a state which naturally conflicts with that state's sovereignty and territorial integrity The right of a people to self determination and secession has existed as a concept within international law since the American Declaration of Independence in 1776 but the exact definition of these concepts and the conditions required for their application remain unclear The Advisory Opinion of the International Court of Justice concerning the Declaration of Independency of Kosovo 2010 which held that the Kosovo declaration of independence was not in violation of international law has only led to further questions This book takes four conflicts in the post Soviet Commonwealth of Independent States CIS as a starting point for examining the current state of the law of self determination and secession Four entities Transnistria Moldova South Ossetia Abkhazia both Georgia and Nagorno Karabakh Azerbaijan claim to be entitled not only to self determination but also to secession from their mother state For this entitlement they rely on historic affiliations and on charges of discrimination and massive human rights violations committed by their mother state This book sets out its analysis of these critical issue in three parts providing a detailed understanding of the principles of international law on which they rely The first part sets out the contours and meaning of self determination and secession including an overall assessment of secession within the Commonwealth of Independent States The second section provides case studies investigating the events in Transnistria South Ossetia Abkhazia and Nagorno Karabach in greater detail The third and final section extends the scope of the examination providing a comparative analysis of similar conflicts involving questions of self determination and secession in Kosovo Western Sahara and Eritrea

The Armenian Diaspora and Stateless Power Talar Chahinian, Sossie Kasbarian, Tsolin Nalbantian, 2023-11-02 From genocide forced displacement and emigration to the gradual establishment of sedentary and rooted global communities how has the Armenian diaspora formed and maintained a sense of collective identity This book explores the richness and magnitude of the Armenian experience through the 20th century to examine how Armenian diaspora elites and their institutions emerged in the post genocide period and used stateless power to compose forms of social discipline Historians cultural theorists literary critics sociologists political scientists and anthropologists

explore how national and transnational institutions were built in far flung sites from Istanbul Aleppo Beirut and Jerusalem to Paris Los Angeles and the American mid west Exploring literary and cultural production as well as the role of religious institutions the book probes the history and experience of the Armenian diaspora through the long 20th century from the role of the fin de si cle migr Armenian press to the experience of Syrian Armenian asylum seekers in the 21st century It shows that a diaspora s statelessness can not only be evidence of its power but also how this stateless power acts as an alternative and complement to the nation state

The History of Armenia S. Payaslian,2008-03-13 There is a great deal of interest in the history of Armenia since its renewed independence in the 1990s and the ongoing debate about the genocide an interest that informs the strong desire of a new generation of Armenian Americans to learn more about their heritage and has led to greater solidarity in the community By integrating themes such as war geopolitics and great leaders with the less familiar cultural themes and personal stories this book will appeal to general readers and travellers interested in the region

The Political Economy of Human Rights in Armenia Simon Payaslian,2011-06-30 Since its independence from the Soviet Union in 1991 Armenia has experienced a reversal from democratization to a Soviet style authoritarian regime and has been accused of repressive approaches to human rights Here Simon Payaslian juxtaposes a masterful survey of the history of the Armenian people from the nineteenth century through the first republic 1918 21 and Sovietization to the present with the evolution of international human rights standards and argues that a statist and authoritarian political culture has impeded political liberalization and institutionalization of human rights principles Highlighting the clash between sovereignty on one side and human rights and democracy on the other this comprehensive and in depth analysis is essential for all those interested in human rights democratization political repression and the former Soviet republics

Hot Spot: North America and Europe Joseph R. Rudolph Jr.,2008-06-30 Even in the relatively serene world of North America and Western Europe numerous conflicts with the propensity for sustained political violence are carried out by domestic groups with alarming regularity This in depth volume explores conflicts and potential hot spot areas in these regions from anti globalization protests to immigration politics to the Basque provinces and the ETA Coverage is divided into three regions the established democracies of the U S Canada and Western Europe the democratizing countries of post communist Europe and the more volatile region encompassing Russia the Balkans the Causasus and Post Soviet Eastern Europe for a greater understanding of geographic interrelationships This comprehensive volume is a first stop reference source for the most significant political cultural and economic conflicts in North America and Europe today

Caucasus: Oxford Bibliographies Online Research Guide Oxford University Press,2010-05-01 This ebook is a selective guide designed to help scholars and students of Islamic studies find reliable sources of information by directing them to the best available scholarly materials in whatever form or format they appear from books chapters and journal articles to online archives electronic data sets and blogs Written by a leading international authority on the subject the ebook provides bibliographic information supported by direct recommendations

about which sources to consult and editorial commentary to make it clear how the cited sources are interrelated. A reader will discover for instance the most reliable introductions and overviews to the topic and the most important publications on various areas of scholarly interest within this topic. In Islamic studies as in other disciplines researchers at all levels are drowning in potentially useful scholarly information and this guide has been created as a tool for cutting through that material to find the exact source you need. This ebook is a static version of an article from Oxford Bibliographies Online Islamic Studies, a dynamic continuously updated online resource designed to provide authoritative guidance through scholarship and other materials relevant to the study of the Islamic religion and Muslim cultures. Oxford Bibliographies Online covers most subject disciplines within the social science and humanities; for more information visit www.oxfordbibliographies.com.

After the Soviet Empire, 2015-10-05. The break up of the Soviet Union is a key event of the twentieth century. The 39th IIS congress in Yerevan 2009 focused on causes and consequences of this event and on shifts in the world order that followed in its wake. This volume is an effort to chart these developments in empirical and conceptual terms. It has a focus on the lands of the former Soviet Union but also explores pathways and contexts in the Second World at large. The Soviet Union was a full scale experiment in creating an alternative modernity. The implosion of this union gave rise to new states in search of national identity. At a time when some observers heralded the end of history there was a rediscovery of historical legacies and a search for new paths of development across the former Second World. In some parts of this world long repressed legacies were rediscovered. They were sometimes as in the case of countries in East Central Europe built around memories of parliamentary democracy and its replacement by authoritarian rule during the interwar period. Some legacies referred to efforts at establishing statehood in the wake of the First World War, others to national upheavals in the nineteenth century and earlier. In Central Asia and many parts of the Caucasus the cultural heritage of Islam in its different varieties gave rise to new markers of identity but also to violent contestations. In South Caucasus Georgia, Armenia and Azerbaijan have embarked upon distinctly different but invariably contingent paths of development. Analogously core components of the old union have gone through tumultuous but until the last year and a half largely bloodless transformations. The crystallization of divergent paths of development in the two largest republics of that union, i.e. Russia and Ukraine, has ushered in divergent national imaginations but also in series of bloody confrontations. *Europe's Next Avoidable War* M. Kambeck, S.

Ghazaryan, 2013-03-05. An international and interdisciplinary group of experts shed light upon the Nagorno Karabakh conflict today, how it evolved and likely scenarios. Taking into account a changed political landscape including the EU's new foreign policy instruments, they also make concrete policy proposals to make war less likely. [Armenia, the Regional Powers, and the West](#). A. Mirzoyan, 2010-04-12. This work represents the first systematic study of Armenia's foreign policy during the post independence period between 1991 and 2005. It explores four sets of relationships with Armenia's major historical partners: Russia, Iran, Turkey, and the West. Europe and the United States. **The Statesman's Yearbook 2017** Palgrave.

Macmillan,2017-02-28 Now in its 153rd edition The Statesman s Yearbook continues to be the reference work of choice for accurate and reliable information on every country in the world Covering political economic social and cultural aspects the Yearbook is also available online for subscribing institutions www.statesmansyearbook.com **The Armenians** Edmund

Herzig,Marina Kurkchian,2004-11-10 A comprehensive introduction to the historical forces and recent social and political developments that have shaped today s Armenian people With contributions from leading Armenian American and European specialists the book focuses on identity formation exploring how the Armenians perceptions of themselves and their place in the world are informed by their history culture and present day situation The book also covers contemporary politics economy and society and relates these to ongoing debates over future directions for the Armenian people both in the homeland and in the diaspora communities **Defending Memory in Global Politics** Erica Resende,Dovilè

Budrytè,Douglas Becker,2025-01-27 This book explores the securitization of memory in times of crisis using overlooked cases from the Global South and the Global North Instead of focusing exclusively on national identities and state actors it explores various identities including substate and transnational actors and their role in defending memory during times of crisis Embracing a broad definition of conflict that includes mnemonic societal and armed conflicts the expert contributors engage with political trauma demonstrating its power to evoke commemorations and other shared practices of collective remembrance shaping and perpetuating collective memory the construction of national and transnational identities national interests and foreign policy behaviors The book contributes to the fields of memory and trauma studies and ontological security in international relations It will also be of interest to scholars and students of political science sociology international relations history nationalism and identity international studies cultural geography social psychology cultural studies and anthropology

Adopting the Song of Term: An Psychological Symphony within **Making Of Nagorno Karabagh From Secession To Republic**

In a global used by displays and the ceaseless chatter of immediate communication, the melodic splendor and mental symphony developed by the prepared term usually fade in to the backdrop, eclipsed by the constant noise and disruptions that permeate our lives. Making Of Nagorno Karabagh From Secession To Republic Introduction

In the digital age, access to information has become easier than ever before. The ability to download Making Of Nagorno Karabagh From Secession To Republic has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Making Of Nagorno Karabagh From Secession To Republic has opened up a world of possibilities. Downloading Making Of Nagorno Karabagh From Secession To Republic provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Making Of Nagorno Karabagh From Secession To Republic has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Making Of Nagorno Karabagh From Secession To Republic. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Making Of Nagorno Karabagh From Secession To Republic. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the

efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Making Of Nagorno Karabagh From Secession To Republic, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Making Of Nagorno Karabagh From Secession To Republic has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Making Of Nagorno Karabagh From Secession To Republic Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Making Of Nagorno Karabagh From Secession To Republic is one of the best book in our library for free trial. We provide copy of Making Of Nagorno Karabagh From Secession To Republic in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Making Of Nagorno Karabagh From Secession To Republic. Where to download Making Of Nagorno Karabagh From Secession To Republic online for free? Are you looking for Making Of Nagorno Karabagh From Secession To Republic PDF? This is definitely going to save you time and cash in something you should think about.
