Making Of Richard Attenboroughs Grey Owl:

The Making of Richard Attenborough's Grey Owl Jeremy Eberts,Dane Lanken,Anthony Hobbs,1999 *Richard Attenborough* Sally Dux,2016-05-16 Richard Attenborough s film career has stretched across seven decades surprisingly Sally Dux s book is the first detailed scholarly analysis of his work as a filmmaker Concentrating on his work behind the camera she explores his initial role as a producer including his partnerships with Bryan Forbes in Beaver Films 1959 64 and with Allied Film Makers 1960 64 As we know Attenborough went on to direct twelve films many of which achieved great acclaim most notably Gandhi which won eight Academy Awards in 1982 Attenborough is most renowned for his biographical films including Young Winston Cry Freedom Chaplin and Shadowlands which helped to establish the genre within British cinema Although his work has often attracted controversy particularly regarding the representation of individuals and historical events his films are noted for extracting acclaimed performances from unknown actors such as Ben Kingsley Gandhi while maintaining his moral and thematic concerns **Making the White Man's Indian** Angela Aleiss,2005-05-30 The image in Hollywood movies of savage Indians attacking white settlers represents only one side of a very complicated picture In fact sympathetic portrayals of Native Americans stood alongside those of hostile Indians in the silent films of D W Griffith and Cecil B DeMille and flourished during the early 1930s with Hollywood s cycle of pro Indian adventures Decades later the stereotype became even more complicated as films depicted the savagery of whites The Searchers in contrast to the more peaceful Indian Broken Arrow By 1990 the release of Dances with Wolves appeared to have recycled the romantic and savage portrayals embedded in early cinema In this new study author Angela Aleiss traces the history of Native Americans on the silver screen and breaks new ground by drawing on primary sources such as studio correspondence script treatments trade newspapers industry censorship files and filmmakers interviews to reveal how and why Hollywood created its Indian characters Behind the scenes anecdotes of filmmakers and Native Americans as well as rare archival photographs supplement the discussion which often shows a stark contrast between depiction and reality The book traces chronologically the development of the Native American s screen image while also examining many forgotten or lost Western films Each chapter will feature black and white stills from the films discussed **Double-Takes** David R. Jarraway,2013-05-25 The widest ranging exploration to date of the interaction between English Canadian literature and film *The American Empire and the Fourth World* Anthony J. Hall,Tony Hall,2005 In a book that Naomi Klein says could change the world Anthony Hall shows that the globalization debate actually began in 1492 *Bunk* Kevin Young,2017-11-14 Longlisted for the National Book Award for Nonfiction There Kevin Young goes again giving us books we greatly need cleverly disguised as books we merely want Unexpectedly essential Marlon James Award winning poet and critic Kevin Young tours us through a rogue s gallery of hoaxers plagiarists forgers and fakers from the humbug of P T Barnum and Edgar Allan Poe to the unrepentant bunk of JT LeRoy and Donald J Trump Bunk traces the history of the hoax as a peculiarly American phenomenon examining

what motivates hucksters and makes the rest of us so gullible Disturbingly Young finds that fakery is woven from stereotype and suspicion race being the most insidious American hoax of all He chronicles how Barnum came to fame by displaying figures like Joice Heth a black woman whom he pretended was the 161 year old nursemaid to George Washington and What Is It an African American man Barnum professed was a newly discovered missing link in evolution Bunk then turns to the hoaxing of history and the ways that forgers plagiarists and journalistic fakers invent backstories and falsehoods to sell us lies about themselves and about the world in our own time from pretend Native Americans Grey Owl and Nasdijj to the deadly imposture of Clark Rockefeller from the made up memoirs of James Frey to the identity theft of Rachel Dolezal In this brilliant and timely work Young asks what it means to live in a post factual world of truthiness where everything is up for interpretation and everyone is subject to a pervasive cynicism that damages our ideas of reality fact and art **Vocal Power**

Arthur Joseph,2003 The author s Vocal Awareness System integrates mind body and spirit to help alleviate common vocal and communication problems which include fear of public speaking use of a high little girl voice or a weak ineffectual male voice and vocal tension Trauma, Primitivism and the First World War Joy Porter,2021-04-08 This book examines the extraordinary life of Frank Toronto Prewett and the history of trauma literary expression and the power of self representation after WWI Joy Porter sheds new light on how the First World War affected the Canadian poet and how war induced trauma or shell shock caused him to pretend to be an indigenous North American Porter investigates his influence of and acceptance by some of the most significant literary figures of the time including Siegfried Sassoon Edmund Blunden Wilfred Owen and Robert Graves In doing so Porter skillfully connects a number of historiographies that usually exist in isolation from one another and rarely meet By bringing together a history of the WWI era early twentieth century history Native American history the history of literature and the history of class Porter expertly crafts a valuable contribution to the field
