evangelical Christians in the American South and Midwest and it sometimes overlaps in style theme and audience with country music The Homecomings nostalgic orientation their celebration of traditional kinds of American Christian life harmonize well with southern gospel music past and present But amidst the backward gazes the Homecomings also portend and manifest change The Gaithers deliberate racial integration of their stages their careful articulation of a relatively inclusive evangelical theology and their experiments with an array of musical forms demonstrate that the Homecoming is neither simplistically nostalgic nor solely southern Harper reveals how the Gaithers negotiate a tension between traditional and changing community norms as they seek simultaneously to maintain and expand their audience as well as to initiate and respond to shifts within their fan base Pulling from his field work at Homecoming concerts behind the scenes with the Gaithers and with numerous Homecoming fans Harper reveals the Homecoming world to be a dynamic complicated constellation in the formation of American religious identity Country Music Irwin Stambler,Grelun Landon,2000-07-14 A comprehensive reference source on the history impact and current state of country music offering portraits of figures in the country music world **Bluegrass Songbook** Peter Wernick,1997-11-15 Over 130 Old Time Traditional Newgrass Gospel and Novelty Bluegrass tunes presented in a new tablature for guitar or banjo plus special tips on singing from Bill Monroe Ralph Stanley Lester Flatt Jesse McReynolds Charlie Waller and other bluegrass greats Joel Whitburn's Top Pop Albums, 1955-1996 Joel Whitburn,1996 Book **Catalog of Copyright Entries** Library of Congress.
