Galliher, 1995-01-01 This book is a biography of the husband and wife team that is largely responsible for developing social problems and social deviance as areas of research Politics in the discipline of sociology is also examined **Marginality and Dissent in**

Twentieth-Century American Sociology John F. Galliher, James M. Galliher, 1995-07-01 This book is a biography of the husband and wife team that is largely responsible for developing social problems and social deviance as areas of research Politics in the discipline of sociology is also examined *21st Century Sociology: A Reference Handbook* Clifton D.

Bryant, Dennis L. Peck, 2007 Publisher Description **The Cambridge Handbook of Sociology: Volume 2** Kathleen Odell Korgen, 2017-08-11 Whether a student an instructor a researcher or just someone interested in understanding the roots of sociology and our social world The Cambridge Handbook of Sociology Volume 2 is for you This second volume of the Handbook covers specialties within sociology and interdisciplinary studies that relate to sociology It includes perspectives on race class feminist theories special topics e g the sociology of nonhuman animals quality of life social indicators research the sociology of risk the sociology of disaster the sociology of mental health sociobiology the sociology of science and technology the sociology of violence environmental justice and the sociology of food the sociology of the self the sociology of the life course culture and behavior sociology s impact on society and related fields e g criminology criminal justice studies social work social psychology sociology of translation and translation studies and women and gender studies Each essay includes a discussion of how the respective subfield contributes to the overall discipline and to society Written by some of the most respected scholars teachers and public sociologists in the world the essays are highly readable and authoritative

Sociological Theory Bert N. Adams, R. A. Sydnie, 2001-01-30 This book connects theorists and their work to larger themes and ideas All too often in the opinion of the authors theory texts focus too much on individual theorists and insufficiently on the relationship between their theories and how these have contributed in turn to the evolution of ideas concerning social life Treatment of individual theories and theorists is balanced with the development of key themes ideas about social life introduced in Chapter 1 which then reappear in the discussion of individual theorists and their work A key organizing principle of this text is to trace major schools of thought over the past 150 years as they appear and reappear in different chapters Section 1 introductions help remind students of the big picture within which any given theory or theorist is only one part A consistent organization and presentation within chapters helps provide students with a context for learning and a means of much more easily comparing and contrasting theorists and their ideas Important new voices in a text for social theory In Chapter 2 Harriet Martineau is introduced as one of sociology s founders From then on the views of women theorists and others are represented in far more than token fashion Examples include W E B DuBois Marianne Weber Charlotte Gilman Rosa Luxemburg Joseph Schumpeter V I Lenin Niklas Luhmann Theda Skocpol Erik Wright Elman Service

Arlie Hochschild Dorothy Smith Patricia Hill Collins and Immanuel Wallerstein A timeline showing when social theorists lived and wrote and connecting their biographies to important social events over 300 years is at the back of the text The organization of every chapter along similar lines provides a consistency in presentation that encourages comparisons among the theorists The authors do a very good job presenting overlooked theorists and making their relevance to social theorizing doing sociology clear Joan Alway formerly University of Miami The strengths of this text are the breadth of theories covered the integration of gender related topics family work religion the use of substantial quotes from primary texts the consistent inclusion of methodological issues and the goals of the project to provide an expansive and readable theory text I have no doubt that it will find a solid position in the field of popular theory texts for undergraduate course use Kathleen Slobin North Dakota State University

The Cambridge Handbook of Social Problems: Volume 1 A. Javier Treviño, 2018-03-22 The introduction of the Affordable Care Act in the United States the increasing use of prescription drugs and the alleged abuse of racial profiling by police are just some of the factors contributing to twenty first century social problems The Cambridge Handbook of Social Problems offers a wide ranging roster of the social problems currently pressing for attention and amelioration Unlike other works in this area it also gives great consideration to theoretical and methodological discussions This Handbook will benefit both undergraduate and graduate students eager to understand the sociology of social problems It is suitable for classes in social problems current events and social theory Featuring the most current research the Handbook provides an especially useful resource for sociologists and graduate students conducting research

Contemporary Sociological Theory Bert N Adams, R A Sydnie, 2002-01-16 The strengths of this text are the breadth of theories covered the integration of gender related topics family work religion the use of substantial quotes from primary texts the consistent inclusion of methodological issues I have no doubt that it will find a solid position in the field of theory texts Kathleen Slobin North Dakota State University

The Cambridge Handbook of Social Problems: A. Javier Treviño, 2018-03-22 The introduction of the Affordable Care Act in the United States the increasing use of prescription drugs and the alleged abuse of racial profiling by police are just some of the factors contributing to twenty first century social problems The Cambridge Handbook of Social Problems offers a wide ranging roster of the social problems currently pressing for attention and amelioration Unlike other works in this area it also gives great consideration to theoretical and methodological discussions This Handbook will benefit both undergraduate and graduate students eager to understand the sociology of social problems It is suitable for classes in social problems current events and social theory Featuring the most current research the Handbook provides an especially useful resource for sociologists and graduate students conducting research

International Clinical Sociology Jan Marie Fritz, 2007-11-03 Clinical sociology is a multidisciplinary field that seeks to improve life situations for individuals and groups This book showcases the art and science of clinical sociology from around the world It is the first book to present basic clinical sociology diagrams and models in addition to detailed histories

of clinical sociology in the United States Quebec France and Japan A range of interventions are discussed in light of a region's economic social political and disciplinary history The book presents illustrative case studies from leaders in the field and it serves the need of graduate level courses from around the world *Origins of Mass Communications Research During the American Cold War* Timothy Glander, 1999-12 This critical examination of the origins of mass comm research from the perspective of an educational historian investigates the educational meaning of the mass media with the goal of understanding the essential connection between educ and comm

SAGE Readings for Social Problems Benjamin Drury, 2021-02-23 SAGE Readings for Social Problems is a convenient and economical option for instructors who want to introduce students to scholarly literature in their social problems courses It contains 16 short readings on topics covered in typical courses including economic inequality race gender crime substance abuse education health medicine the environment family and the social construction of social problems The articles in this collection were all chosen because they are accessible to undergraduate avoid complicated statistical analysis and demonstrate the range of methodological approaches to studying social problems

Social Problems, Law, and Society Kathryn A. Stout, Richard A. Dello Buono, William J. Chambliss, 2004-07-14 This collection of articles presents a critical issue oriented approach to law and society emphasizing its important relationship to contemporary social problems By exploring the interstitial area between the sociology of law social problems and social movements the initial chapters trace out a theoretical trajectory which points to the need to move beyond traditional and social constructionist approaches A variety of empirical studies together explore the contradictory dynamics of class as they relate to race and gender in both a national and global context illustrating the dialectical interplay between the state and social movements Employing a wide range of perspectives so as to convey the great diversity found in the contemporary sociology of law and justice studies these authors collectively share a broad consensus concerning the need to explore how social movements and the larger political economy play a pivotal role in shaping state reactions to the challenges presented by contemporary social problems With its integrated presentation of theoretical perspectives and empirical studies this unique anthology will be useful in a variety of sociology criminology and justice studies course offerings such as Law and Society Social Problems Crime and Social Justice Social Movements Law and Social Control Social Change Law and Public Policy Introduction to Legal Studies and others Undergraduate and graduate students alike will appreciate that these articles selected for their academic rigor are highly readable and strongly oriented towards high profile social issues including those of class race and gender inequalities as well as social movement and legal struggles in community national and global settings

Troy Duster John F. Galliher, 2015-12-03 This book is a biography of University of California Berkeley sociology professor Troy Duster Troy Duster received an MA and PhD in sociology from Northwestern University in Evanston IL Duster is a black man who was born in South Chicago His maternal grandmother is the famous Ida B Wells He initially had a research interest in the sociology of law and later in human genetics He worked with approximately

100 graduate students at Berkeley all minority students Each of his research interests had a special slant given that Troy Duster is an African American Troy Duster has always been firmly committed to the idea that race is a sociological not a biological concept

Social Scientists for Social Justice John P. Jackson, Jr.,2001-11-01 In one of the twentieth century s landmark Supreme Court cases Brown v Board of Education social scientists such as Kenneth Clark helped to convince the Supreme Court Justices of the debilitating psychological effects of racism and segregation John P Jackson Jr examines the well known studies used in support of Brown such as Clark s famous doll tests as well as decades of research on race which lead up to the case Jackson reveals the struggles of social scientists in their effort to impact American law and policy on race and poverty and demonstrates that without these scientists who brought their talents to bear on the most pressing issues of the day we wouldn t enjoy the legal protections against discrimination we may now take for granted For anyone interested in the history and legacy of Brown v Board of Education this is an essential book

A Historiography of the Modern Social Sciences Roger E. Backhouse,Philippe Fontaine,2014-09-22 A Historiography of the Modern Social Sciences exposes parallels and contrasts in the way the histories of the social sciences are written

Mabel Agnes Elliott Kathryn McGonigal,John F. Galliher,2009-01-01 This book is an intellectual history of the late Mabel Agnes Elliott 1898 1990 Despite being disregarded by her male colleagues she became a productive sociologist in addition to being a feminist and a pacifist

Stretching the Sociological Imagination Andrew Smith,Matt Dawson,Bridget Fowler,David Miller,David Rampton,2015-11-08 This edited collection calls for renewed attention to the concept of the sociological imagination allowing social scientists to link private issues to public troubles Inspired by the eminent Glasgow based sociologist John Eldridge it re engages with the concept and shows how it can be applied to analyzing society today

Mass Communication and American Social Thought John Durham Peters,Peter Simonson,2004-08-03 This anthology of hard to find primary documents provides a solid overview of the foundations of American media studies Focusing on mass communication and society and how this research fits into larger patterns of social thought this valuable collection features key texts covering the media studies traditions of the Chicago school the effects tradition the critical theory of the Frankfurt school and mass society theory Where possible articles are reproduced in their entirety to preserve the historical flavor and texture of the original works Topics include popular theater yellow journalism cinema books public relations political and military propaganda advertising opinion polling photography the avant garde popular magazines comics the urban press radio drama soap opera popular music and television drama and news This text is ideal for upper level courses in mass communication and media theory media and society mass communication effects and mass media history

Laud Humphreys John F. Galliher,Wayne Brekhus,David P. Keys,2006-07-07 Laud Humphreys 1930 1988 was a pioneering and fearless sociologist an Episcopal priest and a civil rights gay and antiwar activist In graduate school during the late 1960s he conducted extensive fieldwork in public restrooms in a St Louis city park to discover patterns of impersonal sex among men He published the results in

Tearoom Trade Three decades later the book still triggers many debates about the ethics of his research methods In 1974 he was the first sociologist to come out as gay Laud Humphreys Prophet of Homosexuality and Sociology examines the groundbreaking work through the life of a complex man and the life of the man through his controversial work It is an invaluable contribution to sociology and a fascinating record of a courageous life

The Handbook of Communication

History Peter Simonson, 2013 The Handbook of Communication History addresses central ideas social practices and media of communication as they have developed across time cultures and world geographical regions It attends to both the varieties of communication in world history and the historical investigation of those forms in communication and media studies The Handbook editors view communication as encompassing patterns processes and performances of social interaction symbolic production material exchange institutional formation social praxis and discourse As such the history of communication cuts across social cultural intellectual political technological institutional and economic history The volume examines the history of communication history the history of ideas of communication the history of communication media and the history of the field of communication Readers will explore the history of the object under consideration relevant practices media and ideas review its manifestations in different regions and cultures comparative dimensions and orient toward current thinking and historical research on the topic current state of the field As a whole the volume gathers disparate strands of communication history into one volume offering an accessible and panoramic view of the development of communication over time and geographical places and providing a catalyst to further work in communication history
