Marie Curie What Made Them Great Ser:

Marie Curie Marilyn Ogilvie,2021-01-15 This encyclopedia examines Marie Curie s life and contributions The chronology provides a thumbnail sketch of events in Curie s life including her personal experiences education and publications The Introduction provides a brief look at her life The body of this work consists of alphabetical entries of people ideas institutions places and publications important in making of Curie as an important scientist The final section of the book is a bibliography of both primary and selected secondary sources

They Stood Alone! Sandra Mcleod Humphrey,2011-11-29 Nicolaus Copernicus and Elizabeth Cady Stanton are just two of the twenty five extraordinary men and women whom you will have a chance to meet in this inspiring book that explores and celebrates people who had the courage to follow their own convictions even when everyone around them said they were wrong They were people of vision who saw life from a new perspective and were willing to question conventional wisdom And their revolutionary breakthroughs changed and shaped the course of history Author Sandra McLeod Humphrey invites you to have the courage to stand alone too hold on to your dreams and follow your heart wherever it may lead Like the twenty five pioneers who lived before you you too may someday make a difference

*Unf*ck Your Life* Christopher Canwell,2023-04-11 Unf ck Your Life is a powerful guide that offers a solution to the turmoil and uncertainty in today s world Ever been trapped in a toxic relationship stuck in a job you hate or felt uncertain and anxious about the future Inside you ll discover how we all carry emotional mental and physical chains that keep us from living our best lives While slavery is no longer permitted most of us are still slaves We are slaves to our emotions relationships work attachments addictions beliefs and possessions This book invites you to create new beliefs paths and opportunities that can change the direction of your life Ultimately it s by becoming a master of your environment and yourself that you can achieve true freedom and take control of your life Through practical exercises inspiring stories and insightful reflections this book will show you how to untangle life s most difficult issues From relationships and work to personal growth and well being this book is a must read for anyone seeking a way to unf ck their life and embrace a brighter future

Subject Guide to Children's Books In Print, 1996 R R Bowker Publishing,1996

Marie Curie: A Life Susan Quinn,2019-07-31 Marie Curie was long idealized as a selfless and dedicated scientist not entirely of this world But Quinn s Marie Curie is on the contrary a woman of passion born in Warsaw under the repressive regime of the Russian czars outspokenly committed to the cause of a free Poland deeply in love with her husband Pierre but also after his tragic death capable of loving a second time and of standing up against the cruel xenophobic attacks which resulted from that love This biography gives a full and lucid account of Marie and Pierre Curie s scientific discoveries placing them within the revelatory discoveries of the age At the same time it provides a vivid account of Marie Curie s practical genius the X Ray mobiles she created to save French soldiers lives during World War I as well as her remarkable ability to raise funds and create a laboratory that drew researchers to Paris from all over the world It is a story which transforms Marie Curie from an bloodless

icon into a woman of passion and courage Quinn's portrait of Curie is rich and captivating Quinn strives to peel back layers of myth and idealization that have grown up around the physicist She succeeds beautifully Quinn has written a worthy successor to her previous work the award winning biography of American psychiatrist Karen Horney Washington Post Book World page 1 A touching three dimensional portrait of the Polish born scientist and two time Nobel Prize winner Kirkus I've read many biographies of Marie Curie and Susan Quinn's is magnificent It's so complete and so evocative that I can't imagine anyone coming away from reading it without feeling they actually know Marie Curie Alan Alda Quinn portrays a woman who was both independent and ambitious in a society that was unprepared for either The result is a fresh powerful new biography of a very human Marie Curie This is an exemplary work rich in the details and connections that bring a person and her era to life It is certain to be this generation's definitive biography of Marie Curie Science Quinn breaks ground in her detailed description drawn from newly available papers of Marie's life after Pierre's accidental death in 1906 At first so grief stricken she neglected her two daughters Irene and Eve Marie later had a love affair with French scientist Paul Langevin Because Langevin was married Marie was vilified by the French press and was almost denied the 1911 Nobel Prize for chemistry Publishers Weekly Susan Quinn's excellent biography gives a lucid account of Curie's contribution to our understanding of things but Quinn also draws on new material to paint a more rounded and attractive picture of Curie the person For Marie the enchantment of her science never waned and it is this enchantment which Quinn's biography communicates so well London Observer

Pleasure Rites, The Complete Series Ines Johnson, 2021-08-24 Three tales of holy men falling for forbidden women In *Pleasure Rites* a young monk is given the chance to redeem himself from scandal when he is called upon to train Lady Chanyn and her two bonded mates in the orgasmic arts But what starts as a simple ritual soon turns carnal when the monk's heart begins to yearn for the woman and hers for his In *Carnal Rites* a former pleasure hound falls in love with an upper class woman he can never have When her fiancée approaches him for training in the arts of the marriage bed he cannot refuse anything that will bring her happiness even as it crushes his heart The two rivals set aside their differences for a common goal and unexpectedly come to enjoy each other When Lady Merlyn uncovers their secret she is torn between the hound she's loved since she was a young girl and the man who would do anything to rule her heart In *Sacred Rites* prim and proper Lady Alyss secretly becomes the muse of a former pleasure hound turned artist The sensual painter and his husband are both drawn to her even as she is pitted against them in a legal battle over men's rights With her future on the line in the case she can't afford to give in to the two men's sensual pastimes So why is she posing nearly nude with her legs spread her hands bound and her eyes closed in the ecstasy known as rope bliss Also included for the box set are two short stories featuring your favorite pleasure monk Jian in two bonus epilogues with his new bondmates
